The Hour of Europe Josip Glaurdic, Josip Glaurdić, 2011-01-01 By looking through the prism of the West's involvement in the breakup of Yugoslavia, this book presents a new examination of the end of the Cold War in Europe. Incorporating declassified documents from the CIA, the administration of George H.W. Bush, and the British Foreign Office; evidence generated by The Hague Tribunal; and more than forty personal interviews with former diplomats and policy makers, Glaurdić exposes how the realist policies of the Western powers failed to prop up Yugoslavia's continuing existence as intended, and instead encouraged the Yugoslav Army and the Serbian regime of Slobodan Milosević to pursue violent means. The book also sheds light on the dramatic clash of opinions within the Western alliance regarding how to respond to the crisis. Glaurdić traces the origins of this clash in the Western powers' different preferences regarding the roles of Germany, Eastern Europe, and foreign and security policy in the future of European integration. With subtlety and acute insight, *The Hour of Europe* provides a fresh understanding of events that continue to influence the shape of the post-Cold War Balkans and the whole of Europe.

In Pursuit of Flavor Edna Lewis, 2019-03-26 The classic cookbook from “the first lady of Southern cooking” (NPR), featuring a new foreword by the James Beard Award-winning chef Mashama Bailey Decades before cornbread, shrimp and grits, and peach cobbler were mainstays on menus everywhere, Edna Lewis was pioneering the celebration of seasonal food as a distinctly American cuisine. In this James Beard Foundation Cookbook Hall of Fame-inducted cookbook, Miss Lewis (as she was almost universally known) shares the recipes of her childhood, spent in a Virginia farming community founded by her grandfather and his friends after emancipation, as well as those that made her one of the most revered American chefs of all time. Interspersed throughout are personal anecdotes, cooking insights, notes on important Southern ingredients, and personally developed techniques for maximizing flavor. Across six charmingly illustrated chapters--From the Gardens and Orchards; From the Farmyard; From the Lakes, Steams, and Oceans; For the Cupboard; From the Bread Oven and Griddle; and The Taste of Old-fashioned Desserts--encompassing almost 200 recipes, Miss Lewis captures the spirit of the South. From Whipped Cornmeal with Okra; Pan-Braised Spareribs; and Benne Seed Biscuits to Thirteen-Bean Soup; Pumpkin with Sautéed Onions and Herbs; a Salad of Whole Tomatoes Garnished with Green Beans and Scallions; and Raspberry Pie Garnished with Whipped Cream, *In Pursuit of Flavor* is a modern classic and a timeless compendium of Southern cooking at its very best.

However, this time Sarah's patience has run out and she cannot hold in her indignation any longer.

Nein, Nein, Nein! Jerry Stahl, 2022-07-05 A guided group tour to concentration camps in Poland and Germany allows Stahl to confront personal and historical demons with both deep despair and savage humor Gonzo meets the Shoah in this wildly irreverent--and brilliant--tour of Holocaust tourism . . . Stahl knows his Holocaust history . . . but he was also prepared to be surprised . . . A vivid, potent, decidedly idiosyncratic addition to the literature of genocide. --Kirkus Reviews, a Best Nonfiction Book of 2022 Stahl embarks on Holocaust tourism in this meditative yet humorous account, weaving personal narrative with reflections on current and past global events. --New York Times Book Review [Stahl's] razor-sharp gallows humor will have you howling one moment, breathless the next in the presence of wrenching generational pain, of humanity at its very worst, and goodness at its camouflaged best. --Brooklyn Rail An audacious, emotional journey. --The Village Voice In September 2016, Jerry Stahl was feeling nervous on the eve of a two-week trip across Poland and Germany. But it was not just the stops at Auschwitz, Buchenwald, and Dachau that gave him anxiety. It was the fact that he would be traveling with two dozen strangers, by bus. In a tour group. And he was not a tour-group kind of guy. The decision to visit Holocaust-world did not come easy. Stahl's lifelong depression at an all-time high, his career and personal life at an all-time low, he had the idea to go on a trip where the despair he was feeling--out-of-control sadness, regret, and fear, not just for himself, but for the entire United States--would be appropriate. And where was despair more appropriate than the land of the Six Million? Seamlessly weaving global and personal history, through the lens of Stahl's own bent perspective, *Nein, Nein, Nein!* stands out as a triumph of strange-o reporting, a tale that takes us from gang polkas to tour-rash to the truly disturbing snack bar at Auschwitz. Strap in for a raw, surreal, and redemptively hilarious trip. Get on the bus.

The Lake House Cookbook Trudie Styler, Joseph Sponzo, 1999 Moving to Lake House brought back to me my childhood dream of living on a farm. Although Sting and I are both from urban working-class backgrounds, it is with some sense of returning to our roots that we have come to Lake and are trying to live off the land . . . [as] my

father and Sting's father were both keen vegetable growers. Since it was built in the English countryside in the sixteenth century, spectacular Lake House had been lived in by only five families before Sting, Trudie Styler, and their children settled in. It was this sense of history that encouraged Trudie and her family to move there--that and the opportunity to grow their own food, given an active interest in the ecology of the land and concern for their family's health. Beginning by cultivating leafy greens and potatoes, along with basic fruits like apples and pears, she and her husband have lovingly transformed the property into a working organic farm, with more than sixty acres of fruits and vegetables, four types of livestock, and honey- and cheese-making facilities. The Lake House Cookbook, written with family chef Joseph Sponzo, offers a mouthwatering array of dishes based on the farm's yield. Arranged seasonally, the more than 150 recipes include soups and starters, salads and vegetable dishes, main courses, desserts and baked goods, and drinks and preserves for every occasion and for the whole family. Dishes range from Roast Chicken with Corn and Broad Beans to Rolled Lamb with Chile Sauce and Mole, Swiss Chard and Pearl Barley Soup to Sea Bass with Mushrooms and Carrots, and Rustic Open Peach Pie to Herb-Brushed Polenta Bread. And while the emphasis is on organic, the ingredients themselves are very accessible and can easily be found in some variety at local stores. Lavishly illustrated with more than 300 photographs and wonderfully spirited, The Lake House Cookbook is a celebration of good food and good living. Nestled in the English countryside, Lake House is both a stunningly beautiful English manor house and a working organic farm that is home to Sting, Trudie Styler, and their family. Illustrated with more than 300 photographs, The Lake House Cookbook celebrates a year in the life of this incredible property, offering more than 150 recipes based on the farm's yield.

Blasphemy Osman Haneef,2020-04-23 A Christian boy in Pakistan is accused of blasphemy—a crime punishable by death. Haunted by a tragic past, a young lawyer named Sikander Ghaznavi returns to Pakistan after many years abroad, and takes on the defence of the boy. He reaches out to the sharpest human rights lawyer he knows—the woman he has loved for years, but now another man’s wife. As they deal with their unresolved feelings, the lawyers confront a corrupt system, a town turned against them, and a prophecy that predicts their death. Will they save the boy? Or will the city of Quetta, its prejudice inflamed by religious extremists, consume them and deliver them to a deadly fate?
