*The Fire Demon. A Tale of Terror* Fire Demon, 1865

*Fire in the Heart* Mary Emerick, 2017-09-05 FIRE IN THE HEART is a powerful memoir by a woman, once a shy, insecure schoolgirl, who reinvented herself as a professional wildland fire fighter. Determined to forge herself into a stronger, braver person, Mary climbs to new heights for a woman in the field in the 90s, eventually becoming a team commander of a Florida wildfire division. Filled with literal struggles for survival, tough choices and Mary's burning passion for what she does, *Fire in the Heart*, is an unflinching account of one woman's relationship with fire. But when she loses someone she loves to the famous Storm King Mountain forest fire in Colorado, which killed fourteen firefighters, Mary faces the hardest choice of her life; to stay in the game or turn back and try to find the woman she used to be. It is both a thrilling memoir about life-threatening work and a meditation on identity, strength, bravery, bonds, and survivor's guilt.

**The Altar Fire** Arthur Christopher Benson, 2014-09-01 The British author Arthur Christopher Benson was never content to fall back on the typical narrative structure when it came to his novels, and The Altar Fire is definitely no exception. In a series of letters, it tells the tale of a successful novelist who falls on hard times in the aftermath of finishing a large fiction project. But in addition to cataloguing tragedies, this is also a story of redemption -- though the path the protagonist takes to get to a better place is unexpected.

**The Fire Fight** Jamie Bessent, 2018-05-04 This manuscript follows Xzavior Zandell, who is second in command at a fire house. He and his crew tend to a fire at an apartment building, where he rescues the beautiful Annastiasha. Xzavior continues to carry out his duties and check on her as she recovers, suffering some injuries and being hospitalized himself. The two develop a bond as he recovers, and they eventually get married and have a daughter. They are later involved in a car accident that lead to Annastiasha's and

their daughter's death. Though Annastiasha was pregnant at the time, the doctors are able to save the unborn boy. Later, Xzavior meets Miya and later exacts revenge on the man who caused the accident.

**Fire on the Water** Scott Macgregor, 2020-05-12 A novel based on a true tale of heroism and invention in the tunnels beneath Lake Erie in 1916 This original graphic novel imagines the lives of blue-collar workers involved in the real-life Lake Erie tunnel disaster of 1916 in Cleveland. Author Scott MacGregor and illustrator Gary Dumm tell the intersecting stories of a brilliant African American inventor, Ben Beltran (based on the real-life Garrett Morgan, Sr.), desperate immigrants tunneling beneath Lake Erie, and corrupt overseers who risk countless lives for profit. As historical fiction, Fire on the Water sheds light not only on one of America's earliest man-made ecological disasters but also on racism and the economic disparity between classes in the Midwest at the turn of the century.

**The Fire Line** Fernanda Santos, 2016-05-03 “In Fernanda Santos’ expert hands, the story of 19 men and a raging wildfire unfolds as a riveting, pulse-pounding account of an American tragedy; and also as a meditation on manhood, brotherhood and family love. The Fire Line is a great and deeply moving book about courageous men and women.” - Héctor Tobar, author of Deep Down Dark: The Untold Stories of 33 Men Buried in a Chilean Mine and the Miracle that Set Them Free. When a bolt of lightning ignited a hilltop in the sleepy town of Yarnell, Arizona, in June of 2013, setting off a blaze that would grow into one of the deadliest fires in American history, the twenty men who made

up the Granite Mountain Hotshots sprang into action. An elite crew trained to combat the most challenging wildfires, the Granite Mountain Hotshots were a ragtag family, crisscrossing the American West and wherever else the fires took them. The Hotshots were loyal to one another and dedicated to the tough job they had. There's Eric Marsh, their devoted and demanding superintendent who turned his own personal demons into lessons he used to mold, train and guide his crew; Jesse Steed, their captain, a former Marine, a beast on the fire line and a family man who wasn't afraid to say "I love you" to the firemen he led; Andrew Ashcraft, a team leader still in his 20s who struggled to balance his love for his beautiful wife and four children and his passion for fighting wildfires. We see this band of brothers at work, at play and at home, until a fire that burned in their own backyards leads to a national tragedy. Impeccably researched, drawing upon more than a hundred hours of interviews with the firefighters' families, colleagues, state and federal officials, and fire historians and researchers, New York Times Phoenix Bureau Chief Fernanda Santos has written a riveting, pulse-pounding narrative of an unthinkable disaster, a remarkable group of men and the raging wildfires that threaten our country's treasured wild lands. *The Fire Line* is the winner of the 2017 Spur Award for Best First Nonfiction Book, and Spur Award Finalist for Best Western Contemporary Nonfiction.

*The Fire People* Ray Cummings, 2021-02-23 *The Fire People* , has been considered a very important part of the human history, but is currently not

available in printed formats. Hence so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format so that it is never forgotten and always remembered by the present and future generations. These books are not made of scanned copies of their original work and hence the text is clear and readable. This whole book has been reformatted, retyped and designed.

**The Presence of Fire** George Amabile,1982

**The Shifting of the Fire** Ford Madox Ford,1892

The Great Fire Shirley Hazzard,2003 The story of Aldred Leith, a decorated British war veteran, who is travelling through postwar Asia while writing a book.

**My Lost Brothers** Brendan McDonough,2016-05-03 The true story behind the events that inspired the major motion picture Only the Brave. A unique and bracing (Booklist) first-person account by the sole survivor of Arizona's disastrous 2013 Yarnell Hill Fire, which took the lives of 19 hotshots-- firefighters trained specifically to battle wildfires. Brendan McDonough was on the verge of becoming a hopeless, inveterate heroin addict when he, for the sake of his young daughter, decided to turn his life around. He enlisted in the Granite Mountain Hotshots, a team of elite firefighters based in Prescott, Arizona. Their leader, Eric Marsh, was in a desperate crunch after four hotshots left the unit, and perhaps seeing a glimmer of promise in the skinny would-be recruit, he took a chance on the unlikely McDonough, and the

chance paid off. Despite the crew's skepticism, and thanks in large part to Marsh's firm but loving encouragement, McDonough unlocked a latent drive and dedication, going on to successfully battle a number of blazes and eventually win the confidence of the men he came to call his brothers. Then, on June 30, 2013, while McDonough--Donut as he'd been dubbed by his team--served as lookout, they confronted a freak, 3,000-degree inferno in nearby Yarnell, Arizona. The relentless firestorm ultimately trapped his hotshot brothers, tragically killing all 19 of them within minutes. Nationwide, it was the greatest loss of firefighter lives since the 9/11 attacks. Granite Mountain is a gripping memoir that traces McDonough's story of finding his way out of the dead end of drugs, finding his purpose among the Granite Mountain Hotshots, and the minute-by-minute account of the fateful day he lost the very men who had saved him. A harrowing and redemptive tale of resilience in the face of tragedy, Granite Mountain is also a powerful reminder of the heroism of the people who put themselves in harm's way to protect us every day.

**Fire in the Wind** Betty Levin, 1995 In 1947 in Maine, a raging fire that threatens their farm and the nearby town makes the members of Meg's extended family see their strained relationships in a new light.
