Super Cute Paper Toys -Diy- Eva Minguet,2016-09-12 The DIY phenomenon is growing. Thanks to expert artists in the world of illustration and papercraft, we gathered 37 excellent quality, printed templates on couché paper of 200 gr with which to create fabulous toys of all kinds of figures. Simple, detailed patterns simulate volume and give realism to our toys, accomplishing a true work of art.

Papertoy Monsters Brian Castleforte,2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that’s hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

Paper Robots Nick Knite,2013-09-15 In this book you will find 25 robots to assemble, each with a wild and unusual design and background story.

Wes Anderson Eva Minguet,2019-09 Who would not want to live in a Wes Anderson movie? This is a tribute book to Wes Anderson and the universe he has created. It highlights his most prominent characters such as Margot, Mr Fox, Sam and Suzy, Zero, Steve Zissou--his vintage trend, his nostalgic touch, his meticulously arranged sets, and his obsession with symmetry. Twenty-two international artists unveil their most personal perspectives through one or several illustrations, additionally expressing in a sentence what this wonderful, timeless, and sympathetic filmmaker means to them.

The DC Comics Encyclopedia Phil Jimenez,2004 Superman, Batman, Green Lantern, The Joker, Catwoman . . . more than 1,000 world-renownedQas well as lesser-known favorites and weird and wonderful one-offsQsuper heroes and super villains are represented in this, the definitive reference book for comic book fans all over the world. The illustrations feature work by the cream of DC Comics' greatest-ever artists, while the authoritative text is supplied by top chroniclers. 0-7566-0592-X\$40.00 / DK Publishing, Inc.

The Legend of Sleepy Hollow Washington Irving,2016-10-15 From the listless repose of the place, and the peculiar character of its inhabitants, who are descendants from the original Dutch settlers, this sequestered glen has long been known by name of Sleepy Hollow... A drowsy, dreamy influence seems to hang over the land, and to pervade the very atmosphere. Washington Irving
