**Radio Flyer** Robert Pasin,Carlye Adler,2018-10-30 A visual history of one of childhood's most beloved icons--the Little Red Wagon--told through a rich collection of photos and stories that highlight its unique place in American culture. For generations, the Radio Flyer--the fire engine red wagon with the distinctive white logo emblazoned on its side--has fueled the imaginative adventures of children, transforming them into astronauts on a rocket ship to the moon, racecar drivers in the Indy 500, and pioneers traveling into the badlands of the Wild West. The Radio Flyer is the story of childhood--a story of wondrous journeys often accompanied by someone important: a parent, a sibling, a friend, a pet. Since 1917, the family-owned business Radio Flyer Inc. has created this cherished wagon,

building a legacy of high quality, timeless, and innovative toys that spark children's imaginations and inspire active play outdoors. With more than 100 million wagons sold—many of them passed down from generation to generation—Radio Flyers have carried, hauled, and fueled more hours of magical escapades than any other children's ride-on toy in America. This beautifully designed and illustrated keepsake book pays homage to this cultural touchstone as it celebrates its first centenary and embarks on its second. Packed with 250 exclusive full-color and black-and-white illustrations, stories, and original drawings from the Radio Flyer Inc. archives, Radio Flyer chronicles the history of this popular brand for the first time. Radio Flyer's story is America's story—a story of an enterprising Italian immigrant's dream realized, and a testament to the value and strength of family ties. Including a host of tender reminiscences from fans across the country, this touching tribute is a special piece of childhood, and the perfect gift for everyone who's ever loved a Little Red Wagon.

*The Camping Trip* Jennifer K. Mann, 2020-04-14 Ernestine has never been camping before, but she's sure it will be lots of fun . . . won't it? An endearing story about a girl's first experience with the great outdoors. My aunt Jackie invited me to go camping with her and my cousin Samantha this weekend. I've never been camping before, but I know I will love it. Ernestine is beyond excited to go camping. She follows the packing list carefully (new sleeping bag! new flashlight! special trail mix made with Dad!) so she knows she is ready when the weekend arrives. But she quickly realizes that nothing could have prepared her for how hard it is to set up a tent, never mind fall asleep in it, or that swimming in a lake means that there will be fish – eep! Will Ernestine be able to enjoy the wilderness, or will it prove to be a bit too far out of her comfort zone? In an energetic illustrated story about a first sleepover under the stars, acclaimed author-illustrator Jennifer K. Mann reminds us that opening your mind to new experiences, no matter how challenging, can lead to great memories (and a newfound taste for s'mores).

*My Red Wagon* Elizabeth Cody Kimmel, 2002-02-22 Kids on the move will love to take along this eye-catching board book, shaped and designed to look just like a wagon. *Grandma Loves You!* Helen Foster James, 2013-07-01 The birth of a baby is an opportunity for celebration far

beyond the anticipation of the new parents. There are happy aunts and uncles, and, of course, delighted grandparents who can't wait to meet the newborn. In *Grandma Loves You!*, Grandma Bunny joyously welcomes the new arrival. In warm and tender rhyme, long-awaited introductions are made. Grandma's touching endearments reflect the sentiments of anyone who has welcomed a new member of the family. Brought to life in enchanting woodland scenes that seem to echo Grandma's joy, *Grandma Loves You!* will be a treasured gift from generation to generation, celebrating one of life's most important moments and relationships.

*Your Little Red Wagon* Alex Himaya, 2010-03-01 There's something almost magical about an old Radio Flyer wagon, isn't there? It conjures up all kinds of images and memories. The sight of one stirs my emotions and takes me back to my childhood. You may or may not have had a wagon, but you at least knew someone who did. I have another little red wagon, and so do you. An imaginary one. You and I started piling stuff into this imaginary wagon so early in life that we can hardly remember the first things that went into them. But somewhere along the way, we discovered tragedy, pain, disappointment, and disillusionment. Those, too, went into the wagon. What if we could let go of the wagon, drop the handle and not worry about it anymore? No more shame. No more lies. No more hiding. What if you no longer had to worry about the good stuff covering the bad stuff because neither matters? If you're looking for that kind of freedom, I want you to know that it can be found in these pages. Proceed without caution.

**My Wagon Will Take Me Anywhere** Elizabeth Cody Kimmel, 2002 As a family enjoys a springtime stroll to the park, a little explorer takes us on a series of wild rides in a red wagon. Powered by the child's imagination, the wagon becomes a ship sailing the seven seas, a rocket zooming through space, a dogsled mushing across the Arctic, and more . . . until the daring (but sleepy) traveller returns safely home. This book is sure to inspire young readers to take imaginative journeys of their own!

Little Red Reading Hood Lucy Rowland, 2018-01-25 Whilst leaving footpaths should never be done, Straying from stories is all sorts of fun! Little Red Reading Hood loves reading books and making up stories of her own. When she meets a cunning wolf while on her way to the library, he convinces her to stray from the path and read for a little while. But hasn't she read this in a story before? Perhaps it's time she came up with a new ending . . . This is a contemporary and fun take on the classic fairy tale, Little Red Riding Hood, created by an incredible picture book partnership. With a playful rhyming story by Lucy Rowland and Ben Mantle's entertaining illustrations, Little Red Reading Hood will inspire children, and adults, about the magic of books and reading.
