Cape Light Thomas Kinkade,Katherine Spencer,2004-04-27 Inspired by the artistic vision of world-renowned landscape painter Thomas Kinkade—and imbued with the light of his uplifting message—this heartwarming novel introduces us to the quaint town of Cape Light, and those who call it home... Nestled in New England is the picturesque seaside hamlet of Cape Light, where everyone knows everyone, and folks still care about one another. But Cape Lighters have their share of hidden dreams, desires, and doubts, too. Like Mayor Emily Warwick, who sometimes feels that her job and her identity are inseparable, and her sister and rival, Jessica, who has torn herself away from the big city’s excitement and sophistication to come home and care for their ailing mother. Or Reverend Ben, who counsels and consoles an entire town while coming to grips with his own private sorrows, and Charlie, the owner of the local diner, who isn’t shy about letting the mayor know that he is after her job. They are friends and neighbors, doers and dreamers. They laugh and love and build their lives together in the town of Cape Light—and they will work their way into your heart...

Pain Psychology for Clinicians Leanne R. Cianfrini,Elizabeth J. Richardson,Daniel Doleys,2021-02-12 Given the heightened focus on the opioid crisis and its intersection with adequate chronic pain management, there is an impetus to shift patient care toward self-management and comprehensive interdisciplinary modalities. However, despite the evidence base for efficacy, pain psychology remains largely relegated to the complementary and alternative medicine designations and medical providers struggle to search for trained pain psychologists in their community. This unique book makes core psychological techniques accessible to medical providers and allied health professionals who are on the front lines of routine communication with patients living with chronic pain. Practical suggestions and vignettes demonstrate how to briefly and effectively incorporate key concepts from Cognitive-Behavioral Therapy, Acceptance and Commitment Therapy, Motivational Interviewing and other orientations into any health care setting.
