*Curiosity Killed the Cat Sitter* Blaize Clement,2007-01-02 Until three years ago, Dixie Hemingway was a deputy with the Sarasota County Sheriff's Department in southwest Florida. Then came a tragic accident. Now Dixie's a pet-sitter on Siesta Key, a lush, exotic barrier island where the people tend to be rich, suntanned, and tolerant of one another's quirks. As Dixie tried to get her life back in order, pet-sitting is the perfect job. She goes into people's homes while they're gone and takes care of their pets; she likes the animals, they like her, and she doesn't have to deal with people very much. She especially does not have to be afraid that she'll run into a situation that will cause her to lose her hard-won composure. But when Dixie finds a man bizarrely drowned in a cat's water bowl, she is drawn into a tangled web of danger and secrets. Unbeknownst to Lieutenant Guidry, the homicide detective handling the murder, Dixie begins her own investigation into the whereabouts of the cat's owner, who has now vanished. Fans of The Cat Who... book series by Lilian Jackson Braun will adore this riveting new pet-oriented sleuth and will eagerly await Dixie's next case: Will duplicity dog the dachshund?

**Grizzly/Wolf Duet: A Dixie Reapers Bad Boys Romance** Harley Wylde,2021-11-06 Grizzly -- The Beginning (Devil's Fury MC 8) May -- Everyone else sees a rough biker from the wrong side of town, but there's no one I'd rather be with. When I'm attacked by the town's golden boy, I see the Grizzly his club has named him for. I don't care that people whisper when we walk past. I love him, and I know I'll keep loving him until the day I die. Grizzly -- May deserves the best life can offer -- and a respectable guy. There's blood on my hands. I keep her at arm's length, but there's only one thing I want more than my club, more than my next breath -- and that's May. Wolf (Devil's Fury MC 9) Glory -- When I heard Devil's Fury was running an underground clinic for women like me I knew I had to be a part of it. What I didn't count on was falling for an alpha biker with a heart of gold, or turning to mush every time he holds my daughter. I won't let a killer stand in the way of my happily-ever-after. Wolf -- When my ex left I should have been broken-hearted, but one look at the angel who walks into Church and I know Glory's meant to be mine, and so is her adorable little girl. Glory can do better. I came back from the war broken. But I always get what I want, and I want Glory. I'll do whatever it takes to keep them safe, even if it means letting Glory see the darkness inside me. WARNING: Grizzly and Wolf's stories are both part of the Devil's Fury MC series and contains some violence, bad language, sensitive issues, and adult situations. Guaranteed happily-ever-after, a baby who will steal your heart, no cheating, and no cliffhanger.

**Albion's Seed** David Hackett Fischer,1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are Albion's Seed, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

**Daddy's Boots** Sandra Miller Linhart,2017-03-11 It's Boot's task to take Daddy where he's needed, but it's Daddy's job to explain why. Daddy is a soldier.

Boots are preparing to take him away. If Bean can hide Boots, will Daddy be able to stay? Daddy explains the many jobs he's called to do, and how his work isn't that much different than the work other daddies do.

**Paradise Dogs** Man Martin, 2011-06-07 Adam Newman once had it all. But then he lost it. Now Adam yearns to reunite with his estranged wife, Evelyn, and recapture the Edenic life they once had running Paradise Dogs, the roadside hot-dog restaurant now legendary throughout central Florida. He has a few obstacles along the way. For starters, there's his impending marriage to Lily. There's also the matter of a quarter million dollars' worth of diamonds that he mislaid, along with what appears to be a shadowy conspiracy that is buying up land around the Cross-Florida Canal (and which may or may not be a product of Adam's alcohol-infused imagination). Despite his own troubles---and a brief stay in Chattahoochee---Adam looks to mentor his son, Addison, in the ways of love. Awkward, unsure, and employed as the world's least accurate obituary writer, Addison pines for a beautiful and painfully earnest linguistic student but must compete for her attention with his older and more sophisticated half brother from Evelyn's first marriage. But if anybody can set these worlds in order, it is Adam, who has an uncanny knack for being in the right place at the right time and allowing others to believe he's someone he's not. Whether it's delivering a baby, rescuing a marriage, or exposing a Communist conspiracy, our protagonist is up for the job. *Paradise Dogs*, from Georgia Author of the Year Award winner Man Martin, is a farcical tale of paradise lost, the American Dream, and the true measures of love

**The Liberal Redneck Manifesto** Trae Crowder, Corey Ryan Forrester, Drew Morgan, 2017-10-10 The Liberal Rednecks--a three-man stand-up comedy group doing scathing political satire--celebrate all that's good about the South while leading the Redneck Revolution and standing proudly blue in a sea of red. Smart, hilarious, and incisive, the Liberal Rednecks confront outdated traditions and intolerant attitudes, tackling everything people think they know about the South--the good, the bad, the glorious, and the shameful--in a laugh-out-loud funny and lively manifesto for the rise of a New South. Home to some of the best music, athletes, soldiers, whiskey, waffles, and weather the country has to offer, the South has also been bathing in backward bathroom bills and other bigoted legislation that Trae Crowder has targeted in his Liberal Redneck videos, which have gone viral with over 50 million views. Perfect for fans of *Stuff White People Like* and *I Am America (And So Can You)*, *The Liberal Redneck Manifesto* skewers political and religious hypocrisies in witty stories and hilarious graphics--such as the Ten Commandments of the New South--and much more! While celebrating the South as one of the richest sources of American culture, this entertaining book issues a wake-up call and a reminder that the South's problems and dreams aren't that far off from the rest of America's--

Beverly put her foot down on the gas. They went faster still. This was what Beverly wanted — what she always wanted. To get away. To get away as fast as she could. To stay away. Beverly Tapinski has run away from home plenty of times, but that was when she was just a kid. By now, she figures, it's not running away. It's leaving. Determined to make it on her own, Beverly finds a job and a place to live and tries to forget about her dog, Buddy, now buried underneath the orange trees back home; her friend Raymie, whom she left without a word; and her mom, Rhonda, who has never cared about anyone but herself. Beverly doesn't want to depend on anyone, and she definitely doesn't want anyone to depend on her. But despite her best efforts, she can't help forming connections with the people around her — and gradually, she learns to see herself through their eyes.
