**Social Policy in the Middle East and North Africa** Rana Jawad, Nicola Jones, Mahmood

Messkoub, 2019 This book presents a state of the art in the developing field of social policy in the Middle East and North Africa (MENA) region. It offers an up-to-date conceptual analysis of social policy programmes and discourses in the MENA region by critically reviewing the range of social insurance and social assistance schemes that are currently in existence there. It also analyses and offers suggestions on which of these policies can positively impact the region's advancement in terms of human development and in addressing social and economic inequalities and exclusion.

*Ash + Salt* Sarah Grace, 2022-03-07 Sarah Grace is a sexual assault survivor. On 17 July 2019, she fell asleep like any other night. A burglar broke into her apartment and attacked her as she slept. What followed was a fight for her life. That violent assault blew apart her world, reducing everything in it to ashes. From that battle, Sarah has waged many more. She had to fight her way through post-traumatic stress, the social stigma around sexual assault and an archaic court system in her bid to ensure her attacker couldn't do the same to another woman. Some adversities were predictable – nightmares, panic attacks and the devastating loss of self. Others were surprising – toxic social reactions, friends withdrawing and a nightmarish trial that unearthed how heavily the criminal justice system is loaded against victims. *Ash + Salt* is a raw and powerful account of healing and thriving after sexual assault. Armed

with courage and brazen candour, Sarah takes you through her own story to reveal the experience of a survivor. She offers the tools to survive the assault, its aftermath and the trial, and charts the path back to recovery. Because while ash marks the place of devastation, it is also the fertile soil from which new life can grow. This is a book for everyone – not just survivors, but their families, friends and colleagues too. Sexual assault affects us all, regardless of background or gender. It is one woman's personal testimony, but it is also a call to arms. The time to speak up is now.

**From Blood and Ash** Jennifer L.

Armentrout, 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything

she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
