The War of the Worlds H. G. Wells, 2016-03-15 The science fiction masterpiece of man versus alien that inspired generations, from Orson Welles's classic radio play to the film starring Tom Cruise. At the turn of the twentieth century, few would believe that mankind is being watched from above. But millions of miles from Earth, the lords of the Red Planet prepare their armies for invasion, waiting for the moment to strike. When they land in the English countryside, baffled humans approach, waving white flags, and the Martians burn them to a crisp. The war has begun, and mankind doesn't stand a chance. As Martian armies roll across England, one man fights to keep his family safe, risking his life—and his sanity—on the front lines of the greatest war in galactic history. H. G. Wells's groundbreaking novel, adapted to radio and film, among other mediums, by visionary artists from Orson Welles to Steven Spielberg, remains one of the most chilling, unforgettable works of science fiction ever written. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Campaign of the Century Irwin F. Gellman, 2022-01-04 This revelatory account of the 1960 presidential election between John F. Kennedy and Richard Nixon shatters long-held myths about one of the twentieth century's most important political events. Drawing on a wide variety of archival sources, such as FBI surveillance of Kennedy, Nixon's correspondence with Billy Graham, and the papers of Dwight Eisenhower, Lyndon Johnson, and many others, Irwin F. Gellman provides the first balanced history of both the general election and the jockeying within the parties that preceded it--

The Protocols of the Learned Elders of Zion Sergei Nilus, Victor Emile Marsden, 2019-02-26 The Protocols of the Elders of Zion is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German

anti-semitism, but there was fertile soil for The Protocols across Europe and even in America, thanks to Henry Ford and others.

Shut Up and Sing Laura Ingraham, 2013-02-12 Feisty radio sensation Laura Ingraham is tired of the Hollywood Left--and she has all the answers in this pugnacious, funny, and devastating critique of the liberals who hate America.

Nicky & Vera Peter Sís, 2021-01-26 A Finalist for the 2022 Jane Addams Children's Book Award An NPR Best Book of 2021 A New York Times Best Children's Book of 2021 A Washington Post Best Book of 2021 A Kirkus Reviews Best Children's Book of 2021 A Horn Book Fanfare Best Book of 2021 In December 1938, a young Englishman canceled a ski vacation and went instead to Prague to help the hundreds of thousands of refugees from the Nazis who were crowded into the city. Setting up a makeshift headquarters in his hotel room, Nicholas Winton took names and photographs from parents desperate to get their children out of danger. He raised money, found foster families in England, arranged travel and visas, and, when necessary, bribed officials and forged documents. In the frantic spring and summer of 1939, as the Nazi shadow fell over Europe, he organized the transportation of almost 700 children to safety. Then, when the war began and no more children could be rescued, he put away his records and told no one. It was only fifty years later that a chance discovery and a famous television appearance brought Winton's actions to light. Peter Sís weaves Winton's experiences and the story of one of the children he saved, Vera Gissing. Nicky & Vera is a tale of decency, action, and courage told in luminous, poetic images by an internationally renowned artist.

Building the Great Society Joshua Zeitz, 2019-01-29 The author of Lincoln's Boys takes us inside Lyndon Johnson's White House to show how the legendary Great Society programs were actually put into practice: Team of Rivals for LBJ. The personalities behind every burst of 1960s liberal

reform - from civil rights and immigration reform, to Medicare and Head Start. Absorbing, and astoundingly well-researched -- all good historians do their homework, but Zeitz goes above and beyond. It's a more than worthwhile addition to the canon of books about Johnson.--NPR Beautifully written...a riveting portrait of LBJ... Every officeholder in Washington would profit from reading this book. --Robert Dallek, Author of *An Unfinished Life: John F. Kennedy, 1917-1963* and *Franklin D. Roosevelt: A Political Life* LBJ's towering political skills and his ambitious slate of liberal legislation are the stuff of legend: the Civil Rights Act of 1964, the Voting Rights Act of 1965, Medicare, Medicaid, Head Start, and environmental reform. But what happened after the bills passed? One man could not and did not go it alone. Joshua Zeitz reanimates the creative and contentious atmosphere inside Johnson's White House as a talented and energetic group of advisers made LBJ's vision a reality. They desegregated public and private institutions throughout one third of the United States; built Medicare and Medicaid from the ground up in one year; launched federal funding for public education; provided food support for millions of poor children and adults; and launched public television and radio, all in the space of five years, even as Vietnam strained the administration's credibility and budget. Bill Moyers, Jack Valenti, Joe Califano, Harry McPherson and the other staff members who comprised LBJ's inner circle were men as pragmatic and ambitious as Johnson, equally skilled in the art of accumulating power or throwing a sharp elbow. *Building the Great Society* is the story of how one of the most competent White House staffs in American history - serving one of the most complicated presidents ever to occupy the Oval Office - fundamentally changed everyday life for millions of citizens and forged a legacy of compassionate and interventionist government.

Born a Crime Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’

indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Cold-Case Christianity J. Warner Wallace, 2013-01-01 Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace

uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

A Matter of Principle Conrad Black, 2011-08-31 I never ask for mercy and seek no one's sympathy. I would never, as was once needlessly feared in this court, be a fugitive from justice in this country, only a seeker of it. —Conrad Black, in his statement to the court, June 24, 2011 In 1993, Conrad Black was the proprietor of London's Daily Telegraph and the head of one of the world's largest newspaper groups. He completed a memoir in 1992, *A Life in Progress*, and great prospects beckoned. In 2004, he was fired as chairman of Hollinger International after he and his associates were accused of fraud. Here, for the first time, Black describes his indictment, four-month trial in Chicago, partial conviction, imprisonment, and largely successful appeal. In this unflinchingly revealing and superbly written memoir, Black writes without reserve about the prosecutors who mounted a campaign to destroy him and the journalists who presumed he was guilty. Fascinating people fill these pages, from prime ministers and presidents to the social, legal, and media elite, among them: Margaret Thatcher, Tony Blair, George W. Bush, Jean Chrétien, Rupert Murdoch, Izzy Asper, Richard Perle, Norman Podhoretz, Eddie Greenspan, Alan Dershowitz, and Henry Kissinger. Woven throughout are Black's views on big themes: politics, corporate governance, and the U.S. justice system. He is candid about highly personal subjects, including his friendships - with those who have supported and those who have

betrayed him - his Roman Catholic faith, and his marriage to Barbara Amiel. And he writes about his complex relations with Canada, Great Britain, and the United States, and in particular the blow he has suffered at the hands of that nation. In this extraordinary book, Black maintains his innocence and recounts what he describes as the fight of and for my life. *A Matter of Principle* is a riveting memoir and a scathing account of a flawed justice system.

The Woman Beyond the Attic Andrew Neiderman, 2023-06-13 “The woman who emerges from these pages is as riveting as her books” (The Wall Street Journal) in this compelling celebration of the famously private V.C. Andrews—featuring family photos, personal letters, a partial manuscript for an unpublished novel, and more. Best known for her internationally, multi-million-copy bestselling novel *Flowers in the Attic*, Cleo Virginia Andrews lived a fascinating life. Born to modest means, she came of age in the American South during the Great Depression and faced a series of increasingly challenging health issues. Yet, once she rose to international literary fame, she prided herself on her intense privacy. Now, *The Woman Beyond the Attic* aims to connect her personal life with the public novels for which she was famous. Based on Virginia’s own letters, and interviews with her dearest family members, her long-term ghostwriter Andrew Neiderman tells Virginia’s full story for the first time. Perfect for anyone hoping to learn more about the enigmatic woman behind one of the most important novels of the 20th century, *The Woman Beyond the Attic* will have you “transfixed” (Publishers Weekly) from the first page.

Thinking on Scripture: A Collection of Theological Essays - Volume 2 Steven R. Cook, 2020-12-19 In this second volume, Dr. Cook provides a series of articles that are part of his morning meditations on Scripture. Meditation, in the biblical sense, is an intentional filling of the mind with divine viewpoint;

specifically, God's Word. The purpose is to saturate our thinking with Scripture so that it will permeate all aspects of our reasoning and guide us into God's will. These articles touch on subjects such as soteriology, grace, worship, righteous living, and character studies of people such as Saul and David. The overall intent of the book is to inform and inspire believers to live righteously before God.

Women as War Criminals Izabela Steflja, Jessica Trisko Darden, 2020-09-08 Women war criminals are far more common than we think. From the Holocaust to ethnic cleansing in the Balkans to the Rwandan genocide, women have perpetrated heinous crimes. Few have been punished. These women go unnoticed because their very existence challenges our assumptions about war and about women. Biases about women as peaceful and innocent prevent us from seeing women as war criminals—and prevent postconflict justice systems from assigning women blame. *Women as War*

Criminals argues that women are just as capable as men of committing war crimes and crimes against humanity. In addition to unsettling assumptions about women as agents of peace and reconciliation, the book highlights the gendered dynamics of law, and demonstrates that women are adept at using gender instrumentally to fight for better conditions and reduced sentences when war ends. The book presents the legal cases of four women: the President (Biljana Plavšić), the Minister (Pauline Nyiramasuhuko), the Soldier (Lynndie England), and the Student (Hoda Muthana). Each woman's complex identity influenced her treatment by legal systems and her ability to mount a gendered defense before the court. Justice, as Steflja and Trisko Darden show, is not blind to gender.
