Gustav Meyrink, Michael Mitchell

Golem Girl Riva Lehrer, 2021-10-26 The vividly told, gloriously illustrated memoir of an artist born with disabilities who searches for freedom and connection in a society afraid of strange bodies “*Golem Girl* is luminous; a profound portrait of the artist as a young—and mature—woman; an unflinching social history of disability over the last six decades; and a hymn to life, love, family, and spirit.”—David Mitchell, author of *Cloud Atlas* WINNER OF THE BARBELLION PRIZE • FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD FOR AUTOBIOGRAPHY • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS

What do we sacrifice in the pursuit of normalcy? And what becomes possible when we embrace monstrosity? Can we envision a world that sees impossible creatures? In 1958, amongst the children born with spina bifida is Riva Lehrer. At the time, most such children are not expected to survive. Her parents and doctors are determined to fix her, sending the message over and over again that she is broken. That she will never have a job, a romantic relationship, or an independent life. Enduring countless medical interventions, Riva tries her best to be a good girl and a good patient in the quest to be cured. Everything changes when, as an adult, Riva is invited to join a group of artists, writers, and performers who are building Disability Culture. Their work is daring, edgy, funny, and dark—it rejects tropes that define disabled people as pathetic, frightening, or worthless. They insist that disability is an opportunity for creativity and

resistance. Emboldened, Riva asks if she can paint their portraits—inventing an intimate and collaborative process that will transform the way she sees herself, others, and the world. Each portrait story begins to transform the myths she's been told her whole life about her body, her sexuality, and other measures of normal. Written with the vivid, cinematic prose of a visual artist, and the love and playfulness that defines all of Riva's work, *Golem Girl* is an extraordinary story of tenacity and creativity. With the author's magnificent portraits featured throughout, this memoir invites us to stretch ourselves toward a world where bodies flow between all possible forms of what it is to be human. "Not your typical memoir about 'what it's like to be disabled in a non-disabled world' . . . Lehrer tells her stories about becoming the monster she was always meant to be: glorious, defiant, unbound, and voracious. Read it!"—Alice Wong, founder and director, Disability Visibility Project

The Golem Meyrink, Gustav, Clute, John, Wenske, Helmut, 2011

The Golem and the Wondrous Deeds of the Maharal of Prague Yehudah Yudl Rozenberg, 2007-01-01 This collection of interrelated stories about a sixteenth-century Prague rabbi and the golem he created became an immediate bestseller upon its publication in 1909. So widely popular and influential was Yudl Rosenberg's book, it is no exaggeration to claim that the author transformed the centuries-old understanding of the creature of clay and single-handedly created the myth of the

golem as protector of the Jewish people during times of persecution. In addition to translating Rosenberg's classic golem story into English for the first time, Curt Leviant also offers an introduction in which he sets Rosenberg's writing in historical context and discusses the golem legend before and after Rosenberg's contributions. Generous annotations are provided for the curious reader. The book is full of adventures, surprises, romance, suspense, mysticism, Jewish pride, and storytelling at its best. The Chief Rabbi of Prague, known as the Maharal, brings the golem Yossele to life to help the Jews fight false accusations of ritual murder-the infamous blood libel. More human, more capable, and more reliable as a protector than any golem imagined before, Rosenberg's Golem irrevocably changed one of the most widely influential icons of Jewish folklore.

Golem David Wisniewski, 2007-11-19 Retold from traditional sources and accompanied by David Wisniewski's unique cut-paper illustrations, *Golem* is a dramatic tale of supernatural forces invoked to save an oppressed people. It also offers a thought-provoking look at the consequences of unleashing power beyond human control. The afterword discusses the legend of the golem and its roots in the history of the Jews. A Caldecott Medal Book.

The Golem Gustav Meyrink, Michael Mitchell, 2004

Golem Gustav Meyrink, Gina Argintescu-Amza, 2007

The Golem's Mighty Swing James Sturm, 2021-04-16

A new edition of the classic tale of a barnstorming Jewish baseball team during the Great Depression Before penning his acclaimed graphic

novel *Market Day* and founding the Center for Cartoon Studies, James Sturm proved his worth as a master cartoonist with the eloquent graphic novel, *The Golem's Mighty Swing*, one of the first breakout graphic novel hits of the twenty-first century. Sturm's fascination with the invisible America has been the crux of his comics work, exploring the rarely-told or oft-forgotten bits of history that define a country. By reuniting America's greatest pastime with its hidden history, the graphic novel tells the story of the Stars of David, a barnstorming Jewish baseball team of the depression era. Led by its manager and third baseman, the nomadic team travels from small town to small town providing the thrill of the sport while playing up their religious exoticism as a curio for people to gawk at, heckle, and taunt. When the team's fortunes fall, the players are presented a plan to get people in the stands. But by placing their fortunes in the hands of a promoter, the Stars of David find themselves fanning the flames of ethnic tensions. Sturm's nuanced composition is on full display as he deftly builds the climax of the game against the rising anti-semitic fervor of the crowd. Baseball, small towns, racial tensions, and the desperate grasp for the American Dream: *The Golem's Mighty Swing* is a classic American novel.

The Golem Legend Byron L. Sherwin, 1985

The Sword of the Golem Abraham Rothberg, 1970

Golem in the Gears Piers Anthony, 2000

God & Golem, Inc. Norbert Wiener, 1966-03-15 The new and rapidly growing field of communication

sciences owes as much to Norbert Wiener as to any one man. He coined the word for it—cybernetics. In *God & Golem, Inc.*, the author concerned himself with major points in cybernetics which are relevant to religious issues. The first point he considers is that of the machine which learns. While learning is a property almost exclusively ascribed to the self-conscious living system, a computer now exists which not only can be programmed to play a game of checkers, but one which can learn from its past experience and improve on its own game. For a time, the machine was able to beat its inventor at checkers. It did win, writes the author, and it did learn to win; and the method of its learning was no different in principle from that of the human being who learns to play checkers. A second point concerns machines which have the capacity to reproduce themselves. It is our commonly held belief that God made man in his own image. The propagation of the race may also be interpreted as a function in which one living being makes another in its own image. But the author demonstrates that man has made machines which are very well able to make other machines in their own image, and these machine images are not merely pictorial representations but operative images. Can we then say: God is to Golem as man is to Machines? in Jewish legend, golem is an embryo Adam, shapeless and not fully created, hence a monster, an automation. The third point considered is that of the relation between man and machine. The concern here is ethical. render unto man the things which are man's and unto the computer the things which are the computer's, warns the author.

In this section of the book, Dr. Wiener considers systems involving elements of man and machine. The book is written for the intellectually alert public and does not involve any highly technical knowledge. It is based on lectures given at Yale, at the Société Philosophique de Royaumont, and elsewhere.

American Golem Marc Lumer, 2018 One day, a kid arrives in America. Everything here is big, and crowded, and strange, and scary! He creates a golem, an old-country mud monster, to protect him from the kids next door. But the golem was meant for old-world fears, and things are different here in the New World. Now what will his golem do, with no one to protect?

Joe Golem and the Drowning City Mike Mignola, Christopher Golden, 2012-03-27 In 1925, earthquakes and a rising sea level left Lower Manhattan submerged under more than thirty feet of water, so that its residents began to call it the Drowning City. Those unwilling to abandon their homes created a new life on streets turned to canals and in buildings whose first three stories were underwater. Fifty years have passed since then, and the Drowning City is full of scavengers and water rats, poor people trying to eke out an existence, and those too proud or stubborn to be defeated by circumstance. Among them are fourteen-year-old Molly McHugh and her friend and employer, Felix Orlov. Once upon a time Orlov the Conjuror was a celebrated stage magician, but now he is an old man, a psychic medium, contacting the spirits of the departed for the grieving loved ones left behind. When a seance goes horribly wrong, Felix

Orlov is abducted by strange men wearing gas masks and rubber suits, and Molly soon finds herself on the run. Her flight will lead her into the company of a mysterious man, and his stalwart sidekick, Joe Golem, whose own past is a mystery to him, but who walks his own dreams as a man of stone and clay, brought to life for the sole purpose of hunting witches.

James Sturm's America James Sturm, 2007-10-02 I. The revival : Cane Ridge, Kentucky, 1801 : thousands of pilgrims look towards heaven to find salvation -- II. Hundreds of feet below daylight : Solomon's Gulch, Idaho, 1886 : the last residents of a mining town continue their descent -- III. The golem's mighty swing : small town America, the early 1920s : a barnstorming Jewish baseball team create a golem to deliver them from their trials.

Breath of Bones Steve Niles, Matt Santoro, 2014 Reprints the comic-book series *Breath of bones*: a tale of the Golem #1-#3 from Dark Horse Comics-- Title page verso.

The Golem Harry M. Collins, Trevor Pinch, 2012-03-29 Harry Collins and Trevor Pinch liken science to the Golem, a creature from Jewish mythology, powerful yet potentially dangerous, a gentle, helpful creature that may yet run amok at any moment. Through a series of intriguing case studies the authors debunk the traditional view that science is the straightforward result of competent theorisation, observation and experimentation. The very well-received first edition generated much debate, reflected in a substantial new Afterword in this second edition, which seeks to place the book in what have become

known as 'the science wars'.

The Golem and the Jinni Helene Wecker, 2013-04-23

"An intoxicating fusion of fantasy and historical fiction. . . . Wecker's storytelling skills dazzle. —Entertainment Weekly A marvelous and absorbing debut novel about a chance meeting between two supernatural creatures in turn-of-the-century immigrant New York. Chava is a golem, a creature made of clay by a disgraced rabbi knowledgeable in the ways of dark Kabbalistic magic. She serves as the wife to a Polish merchant who dies at sea on the voyage to America. As the ship arrives in New York in 1899, Chava is unmoored and adrift until a rabbi on the Lower East Side recognizes her for the creature she is and takes her in. Ahmad is a jinni, a being of fire born in the ancient Syrian desert and trapped centuries ago in an old copper flask by a Bedouin wizard. Released by a Syrian tinsmith in a Manhattan shop, Ahmad appears in human form but is still not free. An iron band around his wrist binds him to the wizard and to the physical world. Chava and Ahmad meet accidentally and become friends and soul mates despite their opposing natures. But when the golem's violent nature overtakes her one evening, their bond is challenged. An even more powerful threat will emerge, however, and bring Chava and Ahmad together again, challenging their very existence and forcing them to make a fateful choice. Compulsively readable, *The Golem and the Jinni* weaves strands of Yiddish and Middle Eastern literature, historical fiction and magical fable, in a wondrously inventive tale that is mesmerizing

and unforgettable.

Golem, Caligari, Nosferatu - A Chronicle of German Film Fantasy Rolf Giesen, 2022-02-02

Nightmares and children's stories, fairies, witches and warlocks, giants, dragons and talking animals, golems, living statues, doppelgänger, vanishing shadows and the incarnation of the Devil, Nosferatu, the iconic vampire, epitome of the Spanish Flu that followed WWI, robots, alchemists and mad scientists, occultism and stories of the supernatural, miracle weapons, rockets and spaceships, aliens, zombies and post-apocalyptic fiction. Paul Wegener, Conrad Veidt, Fritz Lang, F. W. Murnau, Paul Leni, Werner Herzog, Klaus Kinski, Udo Kier, Roland Emmerich - these are the names usually associated with the German Cinema of the Fantastic. But there are more—many more. This book is the first attempt to chronicle German film fantasy, year by year: birthdays, dying days, special events and film premieres of fairy tales, animation, science fiction, and horror - from its origin till nowadays. DR. ROLF GIESEN has written 60 books, mostly devoted to animation, VFX, horror, fantasy and science fiction. He lectured in Germany and China and amassed a huge collection of movie artifacts stored at Deutsche Kinemathek Berlin and Filmmuseum Dusseldorf.
