Imperfect Courage Jessica Honegger, 2018-08-14 Want to make a move but scared to leave your comfort zone? Go anyway. "Jessica's perspective of global sisterhood and the power of lifting each other up in the midst of fear and scarcity is exactly what we need today. This book is both an invitation and a challenge to bravely show up for ourselves, for the people we love, and for the strangers that we will one day call family. I say, Amen!" —Brené Brown, Ph.D., Author of the #1 New York Times bestseller *Braving the Wilderness* In *Imperfect Courage*, the founder of the popular fair trade jewelry brand Noonday Collection shares her story of starting the rapid-growing business that impacts over 4,500 artisans in vulnerable communities across the globe—and invites readers on a journey of transformation, challenging them to trade their comfort zones for a life of impact and adventure. In 2015, Inc. magazine recognized Noonday Collection as one of the fastest-growing companies in America. But years earlier, as Jessica Honegger stood at a pawn-shop counter in Austin, Texas, and handed over her grandmother's gold jewelry, her goal was much more personal: to fund the adoption of her Rwandan son, Jack, by selling artisan-made jewelry. This first step launched an unexpected side-hustle that would grow into Noonday Collection. Jessica embarked on this new journey and teamed up with her first artisan partner, Jalia, a Ugandan jewelry maker. She saw the meaningful impact Noonday brought to Jalia's community and knew it was the right move. Fear crept into Jessica's heart as she realized her success, or failure, meant the same for Jalia. But refusing to let fear hinder her goals, Jessica found the necessary (if imperfect) courage she needed along the way--the courage to leave comfort and embrace a life of risk and impact. Discover Your Imperfect Courage In *Imperfect Courage*, Jessica takes you by the hand and invites you to trade your comfort zone for a life of impact and meaning. • First, she invites you to draw a circle of compassion around yourself and leads you through some soul-searching aimed at setting you free from shame. • Next, she challenges all of us to come together, dare to be vulnerable with one another, and commit to building a culture of collaboration. • Finally, Jessica calls on you to broaden your circle of compassion to embrace the entire globe--and to bring your beautifully imperfect courage to a world that needs you.

In Search of Al Howie Jared Beasley, 2019-10-08 The story of Al Howie is a remarkable and at times unbelievable adventure into the heart of the longest races in the world with one of modern history's most eccentric ultra-marathon runners. If you ran 7295 kilometres across Canada in 72 days, wearing three-ounce racing flats, then two weeks later took on the longest certified race on Earth and broke the world record (which happened to be your own), what would you be? Likely an alien. If you won 24-hour races and three-, six-, and seven-day races several times a year in your mid-40s, and ran marathons just for training, what would they call you? Crazy for sure. If you were forever broke and shipped your clothes on buses in order to run free of baggage for thousands of kilometres just to get to races, you'd be institutionalized. And if you did all these things and were institutionalized for the last 15 years of your life, you would be Al Howie. Al Howie was an eccentric among the extreme runners in the ultra-marathon world, and his life was as enigmatic as his runs. Based on interviews with Howie himself during his final two years (he died in 2016), Jared Beasley's book takes the reader into the amazing and complex world of an astounding figure in modern sports history.

Operation Margarine Katie Skelly, 2014 What is Operation Margarine? Two bad girls. One was locked up. One was locked out. They swap the city for the desert but trouble still follows. The road has never been the same.--Page 4 of cover.

Diane Arbus Arthur Lubow, 2016-06-07 The definitive biography of the beguiling Diane Arbus, one of the most influential and important photographers of the twentieth century, a brilliant and absorbing exposition that links the extraordinary arc of her life to her iconic photographs. Diane Arbus brings to life the full story of one of the greatest American artists of the twentieth century, a visionary who revolutionized photography and altered the course of contemporary art with her striking, now iconic images. Arbus comes startlingly to life on these pages, a strong-minded child of unnerving originality who grew into a formidable artist and forged an intimacy with her subjects that has inspired generations of artists. Arresting, unsettling, and poignant, her photographs stick in our minds. Why did these people fascinate her? And what was it about her that captivated them? It is impossible to understand the transfixing power of Arbus's photographs without understanding her life story. Arthur Lubow draws on exclusive interviews with Arbus's friends, lovers, and colleagues, on previously unknown letters, and on his own profound critical understanding of photography, to explore Arbus's unique perspective. He deftly traces Arbus's development from a wealthy, sexually precocious free spirit into first a successful New York fashion photographer, and then a singular artist who coaxed hidden truths from her subjects. Lubow reveals that Arbus's profound need not only to see her subjects but to be seen by them drove her to forge unusually close bonds with these people, helping her discover the fantasies, pain, and heroism within each of them. Diane Arbus is the definitive biography of this unique, hugely influential artist. This magnificently absorbing, sensitive treatment of a singular personality brushes aside the clichés that have long surrounded Arbus and her work to capture a brilliant portrait of this seminal artist whose work has immeasurably shaped art and modern culture. Lubow's Diane Arbus finally does justice to Arbus, and brings to life the story and art of one of the greatest American artists in history. Diane Arbus includes a 16-page black-and-white photo insert.
