Susan Horner, John Swarbrooke

Marketing Tourism, Hospitality and Leisure in Europe Susan Horner, John Swarbrooke, 1996 This text looks at marketing from a European perspective. In addition to case studies, it considers differences in consumer behaviour between European countries. The text is supported by student exercises and adopts a student-centered learning approach.

Business Travel and Tourism John Swarbrooke, Susan Horner, 2012-05-23 'Business Travel and Tourism' provides a comprehensive, international overview of business tourism from both a theoretical and practical perspective. With the use of case studies from around the world, 'Business Travel and Tourism' explores a broad range of issues, including: * The global business tourism market * The design of business tourism facilities * The role of the destination in business travel and tourism * The social, economic, and environmental impacts of business tourism * The ethical dimension of business tourism * The marketing of business tourism products * The impact of new technologies on the business tourism market * How to organise successful conferences, exhibitions, and incentive travel packages Case studies include Disneyland Paris, Hong Kong, Amsterdam RAI International Exhibition and Congress Centre, Hilton, Page and Moy Marketing, Lufthansa, Air France, and Legoland UK. 'Business Travel and Tourism' is the first text to offer a comprehensive overview of the growing but neglected area of business tourism. With the use of a wide range of up-to-date case studies and major practical exercises to help

students to broaden and deepen their understanding of this area of tourism, it is an invaluable text for all students on travel and tourism courses at degree and BTEC/HND level, or those taking tourism options in leisure, business studies, hospitality management or geography.

Our Reasonable Faith Herman Bavinck, 1956 Our Reasonable Faith is an accessible digest of the author's famous four volume Reformed Dogmatics and clearly presents the fundamental doctrines of Biblical theology. A practical handbook of theology, it is an outstanding and comprehensive statement of Christian faith and doctrine. Fully supported by Scriptural references, this book provides students, teachers, pastors, and lay readers with a readable, thorough, and systematic presentation of God's revelation.
