*The Silence of Dogs in Cars* Martin Usborne, 2020 Hauntingly beautiful photographs of dogs in cars As a child, photographer Martin Usborne was once left in a car. This was not for long, but he wondered if anyone would come back. Around the same age he fell in love with dogs - they could not speak, just as he felt he was silent in that car. Thirty years later the two experiences came together in this cinematic and darkly humorous project that looks at the way humans are able to silence the animals they love best. No dogs were harmed in the making of this project.
