Santa Claus' Daughter: A Musical Christmas Burlesque in Two Acts Everett Elliott,F. W. Hardcastle,2022-06-02 Santa Claus' Daughter is a humorous musical about Santa Claus and his daughter Kitty Claus. The play starts in a large hall at Santa's residence in the North Pole with him preparing for a night out to deliver gifts for Christmas. Things take a turn when his daughter Kitty announces she wants to move to the land of mortals, where she might have plenty of men to choose between. After a series of unexpected events, Kitty finds a man for her, but she must make a difficult choice to be with him. She remains confused till the end about whether to leave with this man or stay where she belongs. It's a pleasing Christmas read with delightful characters and a fun plot.

Santa Claws Mary Conover Mellon Professor in the History of Architecture Nicholas Adams,Nicholas Adams,1991-10-24 Cory is puzzled about how he had Chrissie's gold bracelet. There were no human footprints around Chrissie's body only animal prints.

Santa Claws Gabriela Harding,2016-03-10 Will Christmas ever be the same again? Gabriela Harding's debut children's novel, Santa Claws, is set in the London suburbs and the wilderness of the High Arctic. It is a Christmas adventure narrated by Honey, who presents readers with festive terrors and an evil Santa. It's Christmas Eve and Honey is home alone. Well, alone if she doesn't count the boring company of her little brother, Teddy, and her grandmother, who is a little too fond of sherry. She doesn't think Christmas can get any worse. But when Honey and Teddy are brutally kidnapped from their own home, this festive season soon becomes the worst Christmas ever... After waking up in a freezing land of horrors, they are forced into hard labour in a factory of nasty toys amidst evil dwarves and the evil Santa Claws. Honey and her brother fear for their lives in a world of child-eating dogs, murderous chefs and secret passages dripping with all things icky. Worse still, Santa Claws turns out to be a cannibal with a very special dish in mind for the New Year's celebrations: his own brother, the real Santa Claus. Can Honey and Teddy save Santa from the cooking pot and free themselves from a life of whip-cracking dwarves and slave labour? Santa Claws is aimed at children between 11-14 who enjoy mystery and fantasy fiction with traces of dark humour.

Santa Claws (The Dragon Story) (Christmas Special) Mycah Realms,2022-12-01 Kurtiss Branta is the Sand Dragon spy for the king and queen of Iceberg Kingdom, a cold, tundra-like area of land much like the North Pole. The citizens know him as the tough, never-back-down, trust-no-one type of dragon. Which could very well be why he's the royal spy. He's stopped many terrorists, prevented wars, and kept the kingdom running smoothly with no fighting or misbehaving in any violent way. So when he successfully captured a group of three Fire Dragon terrorists, he took them to the law with pride

and never gave them any thought of compassion. But little did he know that this year, his heart was going to change more than he ever thought possible. You see, Wintfes, the annual winter festival to celebrate the Coldest of Days, was never his thing. It made no sense to him why the Ice Dragons chose to celebrate the freezing weather, give out presents, spread unconditional love, and decorate a large pine tree full of colorful lights. Why should he care about it when he could just continue his life and scoff it away completely? But after he fights with a young Ice Dragon named Holly, the queen punishes him by assigning him a present giving task. He gives the festival more thought and apologizes to Holly for his outlandish behaviour. But an evil arises as the three terrorists escape. Ramrage, the leader of the group, skillfully causes him to betray the kingdom entirely and almost ruin Wintfes for all of Iceberg Kingdom. Will Kurtiss be able to stop the terrorists, change his heart, and become a gentle present-giver all before Wintfes is over? Or will his new adventure put him through the test, and prove that his kind heart may not exist at all?

From Four Royal Persian Stars to Jesus and the Sun Eric Norland,2013-09 Roughly five thousand years ago, the Persians noticed four stars were located at specific locations along the ecliptic at which the sun would pass in front of during the four seasons. These four stars and their constellations became integrated into the lore and mythology of religion. The royal Persian stars then became intertwined with the story of Jesus Christ, the Holy Roman Catholic Church, and St. Peter's Basilica. In *From Four Royal Persian Stars to Jesus and the Sun*, author Eric Norland presents a primer on modern astronomy to show how this relationship developed. A world traveler and amateur astronomer, Norland delivers an explanation about the core of the Christian religion. He discusses the astronomy-related misunderstandings people had long ago, shows how these beliefs became the foundations of Christian religion, and provides an account of how many other religions found their inspiration. With a host of graphics and examples, *From Four Royal*

Persian Stars to Jesus and the Sun digs into the core of religion and explains its early connection to astronomy.
