A Journey Down Melody Lane Raju Bharatan,2010-09-01 The Hindi film song has held millions spellbound for nearly eight decades. In this unputdownable 'labour of love', India's leading film song historian, Raju Bharatan, delves deep into his treasure trove to tell us how singing is all about romancing, how composing is all about feelings, how the twain, stardom and songdom, do meet to make the vintage film number a part of the nation's psyche. He reconstructs song happenings over the last sixty years or so to condense the emotion and passion going into legendary star hook-ups, showing us how with the pairing comes the vibe, with the vibe comes the tune, and with the tune unfolds cinema that is a 'Madhuballad' all the way. This volume also describes the creative inputs of music directors, lyricists and singers that go into the making of a Hindi film song. It is a compendium that no one can afford to miss! Raju Bharatan is popularly recognized as the last word on film music in India - as the only one physically there 'on the scene' through the decades. His knowledge of Hindustani cinesangeet is matched only by his grip on Indian cricket. He now packs fifty years of musical lore into a work sure to command a niche on your bookshelf.

Guru Dutt: An Unfinished Story Yasser Usman,2021-01-07 Guru Dutt's filmography has some names which have long been considered as some of the best films to have ever been made in India. His masterpiece *Pyaasa* (1957) was featured in TIME magazine's All-Time 100 Movies list in 2005. His films are still celebrated and revered by viewers, critics and students of cinema the world over, not only for their technical brilliance but also for the eternal romanticism and their profound take on the emptiness of life and the shallowness of material success. He was Indian cinema's Don Juan and Nietzsche rolled into one. But while much has been said and written on the film-maker and his art, little is known about his life behind the screens. This richly layered account takes a deep dive into the journey of a lonesome, troubled genius who was endlessly being pulled in contrary directions throughout his life. A child prodigy, who actually began as a dancer learning from the great Uday Shankar, an unconventional film-maker who desired commercial success without ever compromising on artistic satisfaction, a self-made entrepreneur who hated numbers yet single-handedly ran a film studio juggling the roles of a producer, director, actor, financier - all this while struggling silently with a deeply troubled personal life, at the centre of which was his tumultuous marriage with Geeta Dutt. Guru had it all - love, family, money, fame and validation from his audience. His untimely death by suicide, that too after multiple failed attempts, had shocked the entire film industry. But what led to that fateful night when he tipped his hat and said his final goodbye? Best-selling Bollywood biographer Yasser Usman explores the man and the myth Guru Dutt in this definitive biography of a nonconformist star, uncovering the extraordinary lives of the rich and the famous as well the incredible toll it takes on the emotional and mental health of a human being. With cameos from close friends and colleagues Dev

Anand, Waheeda Rehman, Johnny Walker, S.D. Burman and most significantly Dutt's sister, noted painter Lalitha Lajmi, a short but compassionate, ambitious and ultimately tragic life reveals itself in the pages of this book. This is a gripping, meticulously researched and moving portrait of an unfinished life – a tale of unrequited love, unresolved relationships and unmatched cinematic talent.

Some Like It Hot at the Picture House by the Sea Holly Hepburn, 2017-07-31

The brilliant new series from the bestselling author of The Star and Sixpence series. Perfect for all fans of Cathy Bramley. The little picturehouse by the sea is the Palace at Polwhipple – a lovely art deco cinema, nestled in front of azure Cornish seas. But it is long past its heyday now, and its only saving grace is Ferelli's, the family run ice-cream concession in the foyer, which is widely known as the best ice cream for miles. So when Ferdie, the owner of Ferelli's, falls ill, his granddaughter Gina drops everything to come and help out. But when she arrives she is dismayed by the state of the cinema, which she remembers fondly from summer holidays when she was little, and she is determined to give it the makeover it deserves. Along with local builder Ben Pascoe, she sets about reviving the Palace to its former glory. But the cinema needs more than a lick of paint. Its very future is under threat from a developer with greed in his eyes. Can Gina save the place before it is too late?

Middle-earth Envisioned

Brian J. Robb, Paul Simpson, 2013-10-23 Examines artistic interpretations of Tolkien's fantasy world, including movie stills, theatrical performances, games, and comic books, and features the lost art of Mary Fairburn, whose paintings were favored by Tolkien himself.

Hobbits, Elves and Wizards

Dr. Michael N. Stanton, 2015-06-02 Middle Earth, Gandalf, Frodo, Bilbo: The places and characters that sprang from the mind of J.R.R. Tolkien will live forever in the imaginations of millions of readers. In Hobbits, Elves, and Wizards, Michael Stanton, a scholar of science fiction and fantasy literature, offers an extraordinary encounter with The Lord of

the Rings. Believing that there is no epic of contemporary literature to match *The Lord of the Rings*, Stanton delves critically into the richness of the story. He explores the intricacies of its dialogue and illuminates the idiosyncratic nature of its characters. He looks at places, dreams, notions of time and history. Eschewing academic jargon, Stanton provides an intriguing look at Tolkien's fantasyscape that ultimately shows how all of these parts meld into a singularly compelling work of art that lives and breathes. For those who have read and loved *The Lord of the Rings*, Stanton embarks on an exploration of Tolkien's genius, painting a rich and wonderful critical portrait of the world he created, a portrait that no one who truly hopes to understand Tolkien's vision will want to be without.

Picturing Tolkien Janice M. Bogstad, Philip E. Kaveny, 2011-09-07 This group of new critical essays offers multidisciplinary analysis of director Peter Jackson's spectacularly successful adaptations of J.R.R. Tolkien's *Lord of the Rings* trilogy: *The Fellowship of the Ring* (2001), *The Two Towers* (2002) and *The Return of the King* (2003). Part One of the collection, *Techniques of Structure and Story*, compares and contrasts the organizational principles of the books and films. Part Two, *Techniques of Character and Culture*, focuses on the methods used to transform the characters and settings of Tolkien's narrative into the personalities and places visualized on screen. Each of the sixteen essays includes extensive notes and a separate bibliography. Instructors considering this book for use in a course may request an examination copy [here](#).

Spectacular Digital Effects Kristen Whissel, 2014-02-05 By developing the concept of the digital effects emblem, Kristen Whissel contributes a new analytic rubric to cinema studies. An effects emblem is a spectacular, computer-generated visual effect that gives stunning expression to a film's key themes. Although they elicit feelings of astonishment and wonder, effects emblems do not interrupt narrative, but are continuous with story and characterization and highlight the narrative stakes of a film. Focusing on spectacular digital visual effects in live-action films made between 1989 and 2011, Whissel identifies and examines four effects emblems: the illusion of gravity-defying vertical movement, massive digital multitudes or swarms, photorealistic digital creatures, and morphing plasmatic figures. Across films such as *Avatar*, *The Matrix*, the *Lord of the Rings* trilogy, *Jurassic Park*, *Titanic*, and *Crouching Tiger, Hidden Dragon*, these effects emblems heighten the narrative drama by contrasting power with powerlessness, life with death, freedom with constraint, and the individual with the collective.
