Gregory A. Freeman

**Troubled Water** Gregory A. Freeman, 2009-09-15 The gripping account of the riot aboard the USS Kitty Hawk—and the first mutiny in U.S. Naval history In 1972, the United States was embroiled in an unpopular war in Vietnam, and the USS Kitty Hawk was headed to her station in the Gulf of Tonkin. Its five thousand men, cooped up for the longest at-sea tour of the war, rioted--or, as *Troubled Water* suggests, mutinied. Disturbingly, the lines were drawn racially, black against white. By the time order was restored, careers were in tatters. Although the incident became a turning point for race relations in the Navy, this story remained buried within U.S. Navy archives for decades. With action pulled straight from a high-seas thriller, Gregory A. Freeman uses eyewitness accounts and a careful and unprecedented examination of the navy's records to refute the official story of the incident, make a convincing case for the U.S. navy's first mutiny, and shed new light on this seminal event in American history.

**Sailing Ships of New England 1606-1907** George Francis Dow, John Robinson, 2007-03-17 Gathered from museums and private collections, the hundreds of images here are a reminder of a time when sailing was central to the life and growth of New England. Including paintings and photographs of vessels built, owned, or commanded by New England men, these illustrations will fascinate anyone who imagines harbors filled with tall ships. Some of the pieces reproduced were completed in the ports of Marseilles, Genoa, Leghorn, Trieste, Smyrna, and Hong Kong; also included is the oldest known painting of a New England vessel, the ship *Bethe*, of Boston, painted in 1748. An extensive introduction discusses a wide range of vessels, and there are sailors' histories, adventure stories, and tales of maritime disaster. With more than 300 illustrations, this book will appeal to both historians and casual lovers of nautical life. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**Act of Betrayal** Edna Buchanan, 2014-04-27 As a hurricane bears down on Miami, a crime reporter confronts the mystery of her own father's past: "[An] irresistible series" (Kirkus Reviews). When Miami crime reporter Britt Montero reports a missing teenager, she discovers that the case may be related to a string of unsolved disappearances. As Britt delves into the baffling case, an old mystery opens new wounds: she unexpectedly meets two men who knew her deceased father—who was executed long ago in a Cuban jail. Through them, Britt learns that he left a diary identifying the man who betrayed him. But the diary isn't easily possessed: Anyone who finds it seems to be marked for murder. At the height of a terrifying category five hurricane, Britt needs to face the man who

betrayed her father in order to uncover more than one truth, but her hunger for justice may turn her into the next victim. From the Edgar Award–nominated and Pulitzer Prize–winning author of *The Corpse Had a Familiar Face*, this compelling crime thriller “deftly captures the matter-of-fact quality of the police beat” (The New York Times). “[An] extremely likable heroine.” –Publishers Weekly

**The Practice** Seth Godin, 2020-11-03 From the bestselling author of *Linchpin*, *Tribes*, and *The Dip* comes an elegant little book that will inspire artists, writers, and entrepreneurs to stretch and commit to putting their best work out into the world. Creative work doesn't come with a guarantee. But there is a pattern to who succeeds and who doesn't. And engaging in the consistent practice of its pursuit is the best way forward. Based on the breakthrough Akimbo workshop pioneered by legendary author Seth Godin, *The Practice* will help you get unstuck and find the courage to make and share creative work. Godin insists that writer's block is a myth, that consistency is far more important than authenticity, and that experiencing the imposter syndrome is a sign that you're a well-adjusted human. Most of all, he shows you what it takes to turn your passion from a private distraction to a productive contribution, the one you've been seeking to share all along. With this book as your guide, you'll learn to dance with your fear. To take the risks worth taking. And to embrace the empathy required to make work that contributes with authenticity and joy.

*On the Good Ship Lollipop* Horst Bredekamp, James S. Ackerman, Irving Lavin, 2019-03-04 The Fondation Louis Vuitton by Frank O. Gehry rises from the Bois de Boulogne as a new landmark in the Parisian skyline. Gehry's dynamic architecture is both glittering and multifaceted: is it a sailing vessel, an iceberg, or a sea monster? It fascinates with its wealth of references and, at the same time, escapes any clear-cut definition. Three outstanding representatives of different generations of art history, James S. Ackerman (†), Irving Lavin, and Horst Bredekamp have together paid a visit to the Fondation Louis Vuitton. They explore the building in three richly illustrated essays that try to fathom the floating architecture of the magician Gehry in the context of both art and architectural history.

**Hawksong** Amelia Atwater-Rhodes,2008-12-23 DANICA SHARDAE IS an avian shapeshifter, and the golden hawk's form in which she takes to the sky is as natural to her as the human one that graces her on land. The only thing more familiar to her is war: It has raged between her people and the serpiente for so long, no one can remember how the fighting began. As heir to the avian throne, she'll do anything in her power to stop this war—even accept Zane Cobriana, the terrifying leader of her kind's greatest enemy, as her pair bond and make the two royal families one. Trust. It is all Zane asks of Danica—and all they ask of their people—but it may be more than she can give.
