Jazz Baby Lisa Wheeler,2007 Baby and his family make some jazzy music.

Doc Frank Adams,Burgin Mathews,2012-09-04 Autobiography of jazz elder statesman Frank “Doc” Adams, highlighting his role in Birmingham, Alabama’s, historic jazz scene and tracing his personal adventure that parallels, in many ways, the story and spirit of jazz itself. Doc tells the story of an accomplished jazz master, from his musical apprenticeship under John T. “Fess” Whatley and his time touring with Sun Ra and Duke Ellington to his own inspiring work as an educator and bandleader. Central to this narrative is the often-overlooked story of Birmingham’s unique jazz tradition and community. From the very beginnings of jazz, Birmingham was home to an active network of jazz practitioners and a remarkable system of jazz apprenticeship rooted in the city’s segregated schools. Birmingham musicians spread across the country to populate the sidelines of the nation’s bestknown bands. Local musicians, like Erskine Hawkins and members of his celebrated orchestra, returned home heroes. Frank “Doc” Adams explores, through first-hand experience, the history of this community, introducing readers to a large and colorful cast of characters—including “Fess” Whatley, the legendary “maker of musicians” who trained legions of Birmingham players and made a significant mark on the larger history of jazz. Adams’s interactions with the young Sun Ra, meanwhile, reveal life-changing lessons from one of American music’s most innovative personalities. Along the way, Adams reflects on his notable family, including his father, Oscar, editor of the Birmingham Reporter and an outspoken civic leader in the African American community, and Adams’s brother, Oscar Jr., who would become Alabama’s first black supreme court justice. Adams’s story offers a valuable window into the world of Birmingham’s black middle class in the days before the civil rights movement and integration. Throughout, Adams demonstrates the ways in which jazz professionalism became a source of pride within this community, and he offers his thoughts on the continued relevance of jazz education in the twenty-first century.

I Am Jazz Jessica Herthel,Jazz Jennings,2014-09-04 The story of a transgender child based on the real-life experience of Jazz Jennings, who has become a spokesperson for transkids everywhere This is an essential tool for parents and teachers to share with children whether those kids identify as trans or not. I wish I had had a book like this when I was a kid struggling with gender identity questions. I found it deeply moving in its simplicity and honesty.—Laverne Cox (who plays Sophia in “Orange Is the New Black”) From the time she was two years old, Jazz knew that she had a girl's brain in a boy's body. She loved pink and dressing up as a mermaid and didn't feel like herself in boys' clothing. This confused her family, until they took her to a doctor who said that Jazz was transgender and that she was born that way. Jazz's story is based on her real-life experience and she tells it in a simple, clear way that will be appreciated by picture book readers, their parents, and teachers.

Jazz Day Roxane Orgill,2016 A collection of poems recounts the efforts of Esquire magazine graphic designer Art Kane to photograph a group of famous jazz artists in front of a Harlem brownstone.

Jazz Day Roxane Orgill,2019-03-19 What happens when you invite as many jazz musicians as you can to pose for a photo in 1950s Harlem? Playful verse and glorious artwork capture an iconic moment for American jazz. When Esquire magazine planned an issue to salute the American jazz scene in 1958, graphic designer Art Kane pitched a crazy idea: how about gathering a group of beloved jazz musicians and photographing them? He didn’t own a good camera, didn’t know if any musicians would show up, and insisted on setting up the shoot in front of a Harlem brownstone. Could he pull it off? In a captivating collection of poems, Roxane Orgill steps into the frame of Harlem 1958, bringing to life the musicians’ mischief and quirks, their memorable style, and the vivacious atmosphere of a Harlem block full of kids on a hot summer’s day. Francis Vallejo’s vibrant, detailed, and wonderfully expressive paintings do loving justice to the larger-than-life quality of jazz musicians of the era. Includes bios of several of the fifty-seven musicians, an author’s note, sources, a bibliography, and a foldout of Art Kane’s famous photograph.

Los Angeles's Central Avenue Jazz Sean J. O'Connell,2014-05-26 From the late 1910s until the early 1950s, a series of aggressive segregation policies toward Los Angeles’s rapidly expanding African American community inadvertently led to one of the most culturally rich avenues in the United States. From Downtown Los Angeles to the largely undeveloped city of Watts to the south, Central Avenue became the center of the West Coast jazz scene, nurturing homegrown talents like Charles Mingus, Dexter Gordon, and Buddy Collette while also hosting countless touring jazz legends such as Duke Ellington, Louis Armstrong, and Billie Holiday. Twenty-four hours a day, the sound of live jazz wafted out of nightclubs, restaurants, hotel lobbies, music schools, and anywhere else a jazz combo could squeeze in its instruments for nearly 50 years, helping to advance and define the sound of

America’s greatest musical contribution.

Milwaukee Jazz Joey Grihalva,2019 Milwaukee's jazz scene has forever stood in the shadow of Chicago's illustrious institution, but it stands strong. Cream City has produced a wealth of talent, attracted top-notch transplants, and hosted legends like Duke Ellington, Dizzy Gillespie, Herbie Hancock, Billie Holiday, and Wynton Marsalis. From the heyday of the 1940s and 1950s to the renaissance of the 1970s, from the streets to the classrooms, from grand ballrooms to outdoor festivals, from swing to bebop, from smoky bars to dimly lit clubs like the Flame, Thelma's Back Door, and the Jazz Gallery, Milwaukee has been a hotbed of improvised music, providing a noteworthy contribution to the story of jazz in America.

Includes a brief biography of each musician.
