Cold Moon Over Babylon (Valancourt 20th Century Classics) Michael McDowell, 2015 Welcome to Babylon, a typical sleepy Alabama small town, where years earlier the Larkin family suffered a terrible tragedy. Now they are about to endure another: fourteen-year-old Margaret Larkin will be robbed of her innocence and her life by a killer who is beyond the reach of the law. But something strange is happening in Babylon: traffic lights flash an eerie blue, a ghostly hand slithers from the drain of a kitchen sink, graves erupt from the local cemetery in an implacable march of terror ... And beneath the murky surface of the river, a shifting, almost human shape slowly takes form. Night after night it will pursue the murderer. And when the full moon rises over Babylon, it will seek a terrible vengeance ...

Hail to the Chin Bruce Campbell, Craig Sanborn, 2017-08-15 New York Times bestseller

Introduction by New York Times bestselling author and famous minor television personality John Hodgman One of my dad's favorite jokes about getting older was: "I went out for coffee when I was twenty-one and when I got back I was fifty-eight!" I get what he meant now. Time flies. My first book, *If Chins Could Kill: Confessions of a B Movie Actor*, was published back in 2001 and it chronicles the adventures of a "mid-grade, kind of hammy actor (my words), cutting his teeth on exploitation movies far removed from mainstream Hollywood. This next book, an "Act II" if you will, could be considered my "maturing years" in show business, when I began to say "no" more often and gravitated toward self-generated material. Taking stock in the overall quality of my life, I fled Los Angeles and moved to a remote part of Oregon to renew, regroup and reload. If that sounds tame, the journey from *Evil Dead* to *Spider-Man* to *Burn Notice* was long, with plenty of adventures/mishaps along the way. I never pictured myself hovering above Baghdad in a Blackhawk helicopter, facing a pack of wild dogs in Bulgaria, or playing an aging Elvis Presley with cancer on his penis - how can you predict this stuff? The sheer lunacy of show business is part of the fun for me and I hope you'll come along for the ride. - Bruce "Don't Call Me Ash" Campbell

Demon Theory Stephen Graham Jones, 2010-05-22 When med student Hale is called home by his ailing mother on Halloween night, he and a group of friends are trapped in an inescapable cycle of violence.

Never Trust a Scoundrel Gayle Callen, 2008-03-25 A pact with the devil . . . Miss Grace Banbury was in shock. Her mother put her up as a prize in a high stakes card game, and now the gentleman who won is ready to claim her! But Grace has other plans. She just needs the dastardly rogue to go along with it . . . A notorious rake from a scandalous family, Daniel Throckmorton has no use for blushing virgins. Yet there's no denying the attraction for the beauty standing before him,

proposing an enticing wager: He will use all his charm and wit to seduce her into his bed . . . and she only has to resist. If she succeeds, she wins enough funds to secure her own future. If he wins . . . she'll be his. Daniel has never been so tempted—and he has no intention of losing . . .

Autumn Lauds Joe Nazare, 2014-10-14 Autumn. The liminal season, threshold between summer's end and winter's austere onset. A time of mounting darkness and blazing lights, of deadening leaves and livening spirits. AUTUMN LAUDS: POEMS FOR THE HALLOWEEN SEASON celebrates this exceptional time of year and the cherished holiday that falls at its center. The collection is divided into two sections of thirty-one poems each; the first, Miscellaneous Praise, invokes the sights and scenes, the rituals and events in which so many take delight and find fright. A legendized region by the name of Sleepy Hollow is revisited, as is a lonesome October nightscape out of Poe, and due homage is paid to the undisputed king of the October Country. The second section, Angry Villager Anthology, gathers the dramatic monologues of the people of Grantwood, who have finally (on the penultimate eve of October) captured the monster that has been bedeviling their town all month long. Now the blood-lusting mob plans to parade the creature through the streets, and then end the procession with a public execution in the town square. En route to their destination, the angry villagers fill in the back story of the monster's misdeeds but at the same time expose the dark heart of their own community.

And the Cat Says-- Susan L. Helwig, 2013 A love-you-love-you-not daisy petal game for the 21st century. Weave in some strange haircuts, flying carpets and two sets of twins. Oh, and did we mention the horses?

Tense Bees and Shell-shocked Crabs Michael Tye, 2017 What is it like 'on the inside' for nonhuman animals? Do they feel anything? Most people happily accept that dogs, for example, share many experiences and feelings with us. But what about simpler creatures? Fish? Honeybees? Crabs? Turning to the artificial realm, what about robots? This work presents answers to these questions.
