The Mirror of Pharos J S Landor, 2017-10-24 An action-packed, high concept, time-travelling adventure. Full of animal magic and with an epic wolf character. Linked to a website with 'Meet the Character' profiles, book excerpt and background stories. Jack Tideswell's parents died in a tragic diving accident while exploring the underwater ruins of the Pharos lighthouse in Egypt. So Jack wants nothing to do with adventure. Until, that is, a seagull delivers a strange disc – addressed to him in his own handwriting – and he's catapulted briefly into another time. In the blink of an eye, all kinds of magic are let loose, and Jack finds himself aboard an ocean liner in the throes of a Titanic-like disaster. It all links back to Pharos, the seventh wonder of the world. An ancient power needs to be restored. Can Jack learn to navigate time before it's too late to save the one person who can help him unravel the secrets of the disc? Whether he likes it or not, there's no more hiding away. And no looking back. Especially when Alpha is watching. A wolf who sees all there is to see... For

readers aged 10 plus, *The Mirror of Pharos* is a contemporary fantasy with the inventiveness of Philip Reeve's sci-fi, the excitement of J.K. Rowling's plots and the timeless quality of a Philippa Pearce classic. 'A wonderful mix of magic and reality that reminds me of the early books in the Harry Potter series.' *The Bookbag*

The Pharos Lighthouse In Alexandria Andrew Michael Chugg, 2024-03-12 This comprehensive and insightful book brings scientific rigor to the problems of reconstructing the Pharos Lighthouse, one of the Seven Wonders of the Ancient World, and understanding how it functioned as the archetypal lighthouse in antiquity, when it was described as a "second Sun". Conceived by Alexander the Great and designed by Sostratus, the Pharos lighthouse stood as an iconic landmark of Alexandria for sixteen centuries until felled by a calamitous earthquake in the fourteenth century. The study of this great lighthouse has been neglected relative to other ancient Wonders such as the Great Pyramid of Giza. This book reconstructs the tower, its lustrous light, stunning statues and astounding story in diligent detail through archaeological evidence and surviving antique texts and images, providing a fresh evaluation of the Pharos, its history, and its legacy. The Roman writer Achilles Tatius termed the Pharos a "second Sun"; this expression is explained and explored here for the first time, and has dramatic implications for the nature of the Pharos' light. The volume also explores how the creation of the Pharos was a key stimulus for Alexandrian science and astronomy in antiquity. *The Pharos Lighthouse in Alexandria* provides a fascinating new study of this monument of interest to students and scholars of Hellenistic art, architecture, and science, and readers seeking to learn more about one of the Seven Wonders of the Ancient World.

The Pharos Objective David Sakmyster, 2010-07-06 Driven by visions of his dead father, Professor Caleb Crowe reluctantly joins the Morpheus Initiative, a team of remote-viewing archaeologists determined to locate the remains of the seventh Wonder of the Ancient World; the Pharos Lighthouse, beneath which the legendary treasure of Alexander the Great is rumored to be hidden. Crowe's quest spans two thousand years of visionary history that connects the ashes of Herculaneum and the lost Library of Alexandria with a secret government program and ancient society called The Keepers. To discover a threshold guarded by deadly traps and forgotten prophecies is one thing, but facing the truth about himself is something else altogether.

The Cambridge Introduction to Theatre Directing Christopher Innes, Maria Shevtsova, 2013-05-02 This Introduction is an exciting journey through the different styles of theatre that twentieth-century and contemporary directors have created. It discusses artistic and political values, rehearsal methods and the diverging relationships with actors and designers, treatment of dramatic material and approaches to audiences. Offering a compelling analysis of theatrical practice, Christopher Innes and Maria Shevtsova explore the different rehearsal and staging principles and methods of such earlier groundbreaking figures as Stanislavsky, Meyerhold and Brecht, revising standard perspectives on their work, as well as analysing a diverse range of innovative contemporary directors, including Ariane Mnouchkine, Lev Dodin, Peter Brook, and Peter Sellars. While tracing the different roots of directorial practices across time, and discussing their artistic, cultural and political significance, the authors provide significant examples of the major directorial approaches and reveal comprehensive patterns in the craft of directing and the

influence and collaborative relationships of directors--

Pharos Alice Thompson, 2014-03-18 Set in the early nineteenth century, *Pharos* is a dazzling ghost story from award-winning author Alice Thompson. A young woman is washed up on the shores of Jacob's Rock, a remote lighthouse island off the coast of Scotland. She does not know who she is or how she got there. She has no memory. The keeper of the lighthouse and his assistant take her in and feed and clothe her. But this mysterious woman is not all that she seems, and neither is the remote and wind-swept island. Eerily reminiscent of *Turn of the Screw* and *The Others*, *Pharos* is a breathless tale of the supernatural.

Pharos Joseph Lo Bianco, 2021-10 Shining a light on the state of the Greek language in the Australian diaspora, *Pharos: The vitality and presence of Modern Greek in contemporary Australia* presents the case for renewed engagement with Greek language teaching and learning. *Pharos* provides a detailed analysis of evidence-based issues and challenges facing Modern Greek, and delivers key policy approaches and future directions to ensure the ongoing vitality of this locally endangered language.

Pharos, the Egyptian Guy Boothby, 2020-07-31 Reproduction of the original: *Pharos, the Egyptian* by Guy Boothby

The Golden Mean, 1993-08 The Griffin & Sabine and continued in Sabine's Notebook concludes as the mystery of the two artists deepens and the content of each letter or postcard ultimately reveals the secrets behind their spirited, imaginative union. Full color throughout.
