**Pilgrims and Puritans** Christopher Collier,James Lincoln Collier,2012-09-01 History is dramatic—and the renowned, award-winning authors Christopher Collier and James Lincoln Collier demonstrate this in a compelling series aimed at young readers. Covering American history from the founding of Jamestown through present day, these volumes explore far beyond the dates and events of a historical chronicle to present a moving illumination of the ideas, opinions, attitudes, and tribulations that led to the birth of this great nation. In *Pilgrims and Puritans*, the authors begin in the year 1620 in England and end in New England in the year 1676. The book recounts the religious, political, and social history of the Massachusetts Bay Colony and its influence on our lives today. The narrative follows various groups of settlers from their departure from England through arrival in the New World and their often violent conflicts with the native peoples of the Americas. The authors examine a number of issues that arose in the new society that was founded and the rise and fall of the city on a hill.

Television Opera Jennifer Barnes,2003 This book contrasts the buoyant initial intentions of television's policy makers and creative advisers with the subsequent inability (for various reasons) to deliver as intended. The decline in the relationship between television and its commissioned operas is charted through three case studies: Menotti's *Amahl and the Night Visitors* (NBC), Britten's *Owen Wingrave* (BBC), and Gerald Barry's *The Triumph of Beauty and Deceit* (Channel 4) - the first a live broadcast, the second a video recording, and the third a filmed opera made for television.--Jacket.

*Peanut Butter* Cornnell Clarke,2016-11 Catch the buzz on one of the hottest college girls in erotic comics and get the complete journal of Molly's extreme naughtiness, all in beautifully painted

colour, from graduating high school on up! Collects the entire series, volumes 1-8.

*The Real Fidel Castro* Leicester Coltman, 2008-10-01 Rhetoric during and after the Cold War years has painted starkly contrasting portraits of Cuba's Fidel Castro: an unblemished idealist on the one hand, a ruthless dictator on the other. This insightful book, the most intimate and dispassionate biography of the revolutionary leader to date, shows that neither assessment is true. Leicester Coltman, British ambassador to Cuba in the early 1990s, came as close to personal friendship with Castro as any foreigner was permitted. With frequent contact and regular conversations, Coltman was in a unique position to observe the dictator's personality in both public and private situations. Here he presents a close-up view of the man who for half a century has been loved, admired, feared, and hated, but seldom really understood. Coltman chronicles the events of the Cuban leader's extraordinary life from the political activism of his university days in Havana to periods of exile, imprisonment, and guerilla warfare alongside Che Guevara, to the uncertainties of his old age. Drawing on personal observation and archival sources in Cuba and abroad, Coltman explores the contradiction between the private character and the public reputation, and highlights the complexities of the consummate actor who continues to play a crucial role on the international stage.

*Yes, the Year of the Mask, 2020* Henry Sunderland, 2020

**The Making of the Original Rankin/Bass Holiday Classic**  
Rick Goldschmidt, 2001

**The Enchanted World of Rankin/Bass** Rick Goldschmidt, 2016-11-24 Arthur Rankin, Jr. and Jules Bass are best-known for producing some of the most popular animated holiday TV specials ever aired, including the longrunning Rudolph The Red-Nosed Reindeer, Frosty The Snowman, The Year Without a Santa Claus and The Hobbit. They have also brought us animated feature films including Mad Monster Party and The Last

Unicorn, and cartoon series such as ThunderCats, The Jackson Five, and SilverHawks. This definitive, authorized history and celebration of Rankin/Bass animation documents every one of their productions with rare photographs, production stills, concept drawings and memorabilia, along with extensive commentary by Arthur Rankin, Jr. and dozens of the artists, actors and animators he worked with. The 20th Anniversary Edition contains pages of New and Rare Content.

**The Vanishing Vision** James Day, 2021-01-08 This spirited history of public television offers an insider's account of its topsy-turvy forty-year odyssey. James Day, a founder of San Francisco's KQED and a past president of New York's WNET, provides a vivid and often amusing behind-the-screens history. Day tells how a program producer, desperate to locate a family willing to live with television cameras for seven months, borrowed a dime—and a suggestion—from a blind date and telephoned the Louds of Santa Barbara. The result was the mesmerizing twelve-hour documentary *An American Family*. Day relates how Big Bird and his friends were created to spice up Sesame Street when test runs showed a flagging interest in the program's live-action segments. And he describes how Frieda Hennock, the first woman appointed to the FCC, overpowered the resistance of her male colleagues to lay the foundation for public television. Day identifies the particular forces that have shaped public television and produced a Byzantine bureaucracy kept on a leash by an untrusting Congress, with a fragmented leadership that lacks a clearly defined mission in today's multimedia environment. Day calls for a bold rethinking of public television's mission, advocating a system that is adequately funded, independent of government, and capable of countering commercial television's lowest-common-denominator approach with a full range of substantive programs, comedy as well as culture, entertainment as well as information. This title is part of UC Press's Voices Revived program, which commemorates University of California

Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1995.

**Punk** Billy Ingram, 2012-06-30 Billy Eye covered the Punk, New Wave and East L.A. underground music scene in Los Angeles for *Data-Boy* magazine, a Los Angeles gay publication that began in 1968. These rock columns appeared between 1980 and 1983, detailing a tumultuous environment where Fear, Black Flag, Red Wedding, Missing Persons, Red Hot Chili Peppers, Los Illegals, and The Stains banged away in smoky clubs like The Starwood, Brave Dog, Al's Bar, Vex and Cathay De Grande. It was a world almost no one else was writing about at the time. Take a close look at two bands that were popular in Los Angeles in the early 1980s-the city's first openly gay group, underground post-punkers Red Wedding, and Missing Persons, the first superstars of a newly launched MTV. This book explores what it was like to live openly gay in the 1970s and early 1980s, the parallax between brutal police suppression, rampant gay bashing, the widening acceptance of queer culture, and the discovery of AIDS. And then there's the sorted sordid world of pornography and prostitution the author finds himself confronted with. When one of your clients is accused of bludgeoning four people to death in one of the bloodiest crime scenes history maybe it's time to reassess your life. You would think... It's a filthy, sordid tale the whole family can enjoy!

**Christmas in the Crosshairs** G. Q. Bowler, Gerry Bowler, 2017 Christmas, a global phenomenon adored by billions and a backbone of international trade, is the biggest single event on the planet. For Christians it is the second-most sacred date on the calendar. But whether one celebrates it or not, it engages billions of people who are caught up in its commercialism, music, sentiment, travel, and frenetic busyness. Since its controversial invention in the Roman Empire, Christmas has struggled with paganism, popular culture, fierce Christian opposition to its celebration, its abolition in Scotland and New England, and its neglect and near-death experience in the 1700s, only to be

miraculously reinvented in the 1800s. The twentieth century saw it opposed by Bolsheviks, twisted by Hitler, and appropriated by every special interest group in the industrialized world. Lately it has been caught up in the cultural struggles between the left and the right in America, often misinterpreted as a war on Christmas, when the fight is really over whether religion in general will be allowed a public face. Gerry Bowler tells the fascinating story of the tug-of-war over Christmas, replete with cross-dressing priests, ranting Puritans, atheist witches, the League of the Militant Godless, aesthetic terrorists in Quebec and rap-singing Santa killers in Spain.

*Stories Behind the Great Traditions of Christmas* Ace Collins, 2003 Examines the stories behind the customs and traditions of Christmas including Advent wreaths, holly, Nativity scenes, Yule logs, caroling, and Santa Claus

**The Last Christmas Show**, 1974

**The Origins of Christmas** Joseph F. Kelly, 2014-10-14 When was Christmas first celebrated? How did December 25 become the date for the feast? How did the Bible's "magi from the East" become three kings named Melchior, Caspar, and Balthasar who rode camels from three different continents to worship the newborn Christ? How did the Feast of the Nativity generate an entire liturgical season from Advent to Candlemas? Why did medieval and Renaissance artists portray Joseph as an old man? When did the first Christmas music appear? And who was the real Saint Nicholas? These and many other questions are answered in this revised and expanded edition of *The Origins of Christmas*. The story of the origins of Christmas is not well known, but it is a fascinating tale. It begins when the first Christians had little interest in Christ's Nativity, and it finishes when Christmas had become an integral part of Christian life and Western culture. *The Origins of Christmas* covers a variety of topics in a concise and accessible style, and is suitable for group discussions.

**A Visit from St. Nicholas** Clement Clarke Moore, 1848 T'was

the night before Christmas, when all through the house Not a creature was stirring-not even a mouse. This timeless poem is so well known to children and so often recited by adults it is virtually a part of our common heritage. Written on Christmas Eve in 1822-in a horse-drawn sleigh with jingling bells according to legend-it evokes the excitement and good cheer of Christmas Eve like no other work of American literature. Paired with Thomas Nast's drawings of St. Nicholas, from which we derive the classic image of Santa Claus, this lovely edition may well become the quintessential American Christmas book for children of all ages.
