Executing Windows Command Line Investigations Chet Hosmer,Joshua Bartolomie,Rosanne Pelli,2016-06-11 The book Executing Windows Command Line Investigations targets the needs of cyber security practitioners who focus on digital forensics and incident response. These are the individuals who are ultimately responsible for executing critical tasks such as incident response; forensic analysis and triage; damage assessments; espionage or other criminal investigations; malware analysis; and responding to human resource violations. The authors lead readers through the importance of Windows CLI, as well as optimal configuration and usage. Readers will then learn the importance of maintaining evidentiary integrity, evidence volatility, and gain appropriate insight into methodologies that limit the potential of inadvertently destroying or otherwise altering evidence. Next, readers will be given an overview on how to use the proprietary software that accompanies the book as a download from the companion website. This software, called Proactive Incident Response Command Shell (PIRCS), developed by Harris Corporation provides an interface similar to that of a Windows CLI that automates evidentiary chain of custody and reduces human error and documentation gaps during incident response. Includes a free download of the Proactive Incident Response Command Shell (PIRCS) software Learn about the technical details of Windows CLI so you can directly manage every aspect of incident response evidence acquisition and triage, while maintaining evidentiary integrity

Breathe in Jesus and Other Poems Dr. Victoria Z. Veloria,2015-10-09 Breathe in Jesus and Other Poems is a collection of stories in poetry form that revolves within and around the writers life and those near herher family and circle of friends. It is the reflection of life itselfits beauty and bliss, wounds and scars brought by trials, and Gods own way of revealing Himself, lighting the path and directing those who seek Him. It is in the spirit of sharing and witnessing to the Lords glory and grace that events are unfolded and not on personal note to conceal what the general public may consider private. For it is said, Whoever boasts should boast in the Lord (2 Corinthians 10:17). Breathe in Jesus is meant to inspire the broken-hearted and those who suffer or are still undergoing persecution and loss in different degrees or measure. Not until one sees others suffering or loss could he understand himself and his situation, not until he is shown the manifestation of Gods intervention would enable him to reflect too and be able to see what the Lord has in store for him, and not until he calls on Him could he find God and be blessed by Him! It is on this motive that this book is written, for indeed, the Word of the Living God rules the human heart and makes it breathe in Jesus!
