This Is Not a Book About Benedict Cumberbatch

Tabitha Carvan,2022-05-31 Why We Can't Sleep meets Furiously Happy in this hilarious, heartfelt memoir about one woman's midlife obsession with Benedict Cumberbatch, and the liberating power of reclaiming our passions as we age, whatever they may be. Tabitha Carvan was a new mother, at home with two young children, when she fell for the actor Benedict Cumberbatch. You know the guy: strange name, alien face, made Sherlock so sexy that it became one of the most streamed shows in the world? The force of her fixation took

everyone—especially Carvan herself—by surprise. But what she slowly realized was that her preoccupation was not about Benedict Cumberbatch at all, as dashing as he might be. It was about finally feeling passionate about something, anything, again at a point in her life when she had lost touch with her own identity and sense of self. In *This Is Not a Book About Benedict Cumberbatch*, Carvan explores what happens to women's desires after we leave adolescence...and why the space in our lives for pure, unadulterated joy is squeezed ever smaller as we age. She shines a light onto the hidden corners of fandom, from the passion of the online communities to the profound real-world connections forged between Cumberbatch devotees. But more importantly, she asks: what happens if we simply decide to follow our interests like we used to—unabashedly, audaciously, shamelessly? After all, Carvan realizes, there's true, untapped power in finding your "thing" (even if that thing happens to be a British-born Marvel superhero) and loving it like your life depends on it.

Wolves in Sheep Clothing Mellissa

Hill, 2011-12-12 Mellissa develops a strong relationship with Celeste and becomes inseparable with her after a very short time, considering her to be the best friend she ever had or would ever have. They shared everything together over the course of nine years, including weddings and babies and secrets. When Tabatha, Mellissa's sister, tells her she is moving to the small town Mellissa lives in so they can be together, Mellissa is ecstatic and so excited to have her

sister with her. Mellissa opens up her entire life to Tabatha, inviting her to events and introducing her to everybody she knew. After a couple of months of Tabatha's constant mood swings, Mellissa becomes exhausted trying to keep up with her sister's demands and is always so overwhelmed with the guilt that maybe her sister regrets the move completely. One day, after Mellissa's suspicions that Celeste and Tabatha are a lot closer than she thinks and she believes she is being lied to, she comes across something that proves her suspicions and also rips out her heart. The truth is revealed and there's no turning back from that moment, as the aftermath of the destruction between the entire circle of friends and the destruction of Tabatha's and Mellissa's family will become forever irreparable. Two years of the most unimaginable drama you have ever heard of and Mellissa is left behind to pick all the pieces of her broken life—from the destruction her sister caused within two months of moving to be with her.

The Milkman Tabatha Kiss, 2018-04-10 From USA Today and Wall Street Journal bestselling author, Tabatha Kiss... The neglected housewife. The irresistible milkman. We all know the story... but you've never heard it like this before! Nathaniel Scott is back. I never looked twice at him in high school. Now, five years later, he's the town's new milkman. Handsome, charming, and so eager to please. He's that tall glass of milk I've always craved. But the home I've made belongs to another man. A man who refuses to give me what I need. I never thought I could be that woman. The kind who wrecks her own life for selfish pleasures but I'll

do whatever it takes to feel alive again. The milkman is coming. And I'm leaving my back door unlocked. The Milkman tells the story of a scorned housewife who has an affair with the milkman. If anything about that offends you, then this book wasn't written for you (and that's okay!). It's steamy, sweet, and oh-so-taboo. Stand-alone. No cliffhanger. All the HEA you could ask for.
