Saltpie Tim Tingle, 2014-01-01 Bee stings on the backside!

That was just the beginning. Tim was about to enter a world of the past, with bullying boys, stones and Indian spirits of long ago. But they were real spirits, real stones, very real memories... In this powerful family saga, author Tim Tingle tells the story of his family's move from Oklahoma Choctaw country to Pasadena, TX. Spanning 50 years, *Saltpie* describes the problems encountered by his Choctaw grandmother—from her orphan days at an Indian boarding school to hardships encountered in her new home on the Gulf Coast. Tingle says, “Stories of modern Indian families rarely grace the printed page. Long before I began writing, I knew this story must be told.” Seen through the innocent eyes of a young boy, *Saltpie* — a 2011 Skipping Stones honor book, WordCraft Circle 2012 Children's Literature Award-winner, and winner of the 2011 Paterson Prize for Books for Young People in the category of Grades 4-6 — is the story of one family's efforts to honor the past while struggling to gain a foothold in modern America. Tim Tingle, a member of the Choctaw Nation of Oklahoma, is a sought-after storyteller for folklore festivals, library conferences, and schools across America. At the request of Choctaw Chief Pyle, Tim tells a

story to the tribe every year before Pyle's State of the Nation Address at the Choctaw Labor Day Gathering. Tim's previous and often reprinted books from Cinco Puntos Press—Walking the Choctaw Road and Crossing Bok Chitto—received numerous awards, but what makes Tim the proudest is the recognition he receives from the American Indian communities. Karen Clarkson, a Choctaw tribal member, is a self-taught artist who specializes in portraits of Native Americans. She did not start painting until after her children had left home; she has since been widely acclaimed as a Native American painter. She lives in San Leandro, California.

Graveyard Fields Steven Tingle, 2021-08-10 Full of grit and small town secrets, Tingle's debut is a searing look at the effects of crime for fans of David Joy and Michael Farris Smith. Davis Reed is plagued by the three A's: anger, alcohol, and anxiety. A former

Charleston police officer, turned private detective, Davis hopes to gain some respect, self and otherwise, by writing a book. His subject: the true story of a B-25 bomber that crashed on Cold Mountain in western North Carolina just after the end of World War II. From the comfort of a mountain cabin in Cruso, NC Davis spends his days popping anti-anxiety pills, drinking copious amounts of home brewed beer, and not writing a book. But when he discovers a set of keys on a mountain trail, he becomes curious, then obsessed, about finding the rightful owner. With the help of his friend Dale Johnson, a 275 pound local deputy who is full time ornery and part time clever, and Dale's cousin Floppy, a motor mouthed mechanic with a penchant for conspiracy theories and kleptomania, Davis works to uncover the mystery of the keys while navigating a world of small town secrets, shady characters, 80's heavy metal, and murder. But Davis has his own secrets and even though he's escaped to the mountains some bad business in Charleston is beginning to catch up with him. For an anxiety riddled man looking for peace and quiet Davis somehow stumbles into more chaos and crossfire than any amount of beer and pills can alleviate.

The Treacherous Tingling Tanglelow Trial Greg

McGoon, 2019-10-20 Fiction. Young Adult. Greg McGoon brings us the third book in THE TANGLELOWS series. This tale is an exploration of love--an emotion that can be confusing to children when their thoughts and feelings are in conflict. Beautifully illustrated by Jessa Orr, the simple verse underscores the importance of exploration on the path to understanding complex emotions.

Tingle Nancy Alvarez, 2019-08-13 Though sensuality is the center of this novel, 'Tingle' also explores the lives and histories of its main characters - Michael, a black librarian in New York City and Sara, a woman who has recently lost her husband of over

fifteen years. The two meet at the library, where he has been suggesting novels for her to read for several years. When he notices that she seems sad, he learns that her husband has passed away. He immediately suggests they go for coffee when he gets off work that afternoon. And so it begins, much to the surprise of both of them. He has never even dated a white woman, and she never thought she would begin to love another man. Their shared sensuality is the door into something much deeper than either expected. The author couldn't help exploring racial aspects in the novel, as well as the sexual and personal ones.

Stone River Crossing Tim Tingle, 2019 From the award-winning author of *How I Became a Ghost*, a tale of unlikely friendship and miracles. When Martha Tom helps Lil Mo and his family escape from the plantation across the river, it's just the beginning of a Choctaw adventure of a lifetime. Martha Tom knows better than to cross the Bok Chitto River to pick blackberries. The Bok Chitto is the only border between her town in the Choctaw Nation and the slave-owning plantation in Mississippi territory. The slave owners could catch her, too. What was she thinking? But crossing the river brings a surprise friendship with Lil Mo, a boy who is enslaved on the other side. Then Lil Mo discovers that his mother is about to be

sold and the rest of his family left behind. But Martha Tom has the answer: cross the Bok Chitto and become free. Crossing to freedom with his family seems impossible with slave catchers roaming, but then there is a miracle--a magical night where things become unseen and souls walk on water. By morning, Lil Mo discovers he has entered a completely new world of tradition, community, and ... a little magic. But as Lil Mo's family adjusts to their new life, danger waits just around the corner. In an expansion of his award-winning picture book *Crossing Bok Chitto*, acclaimed Choctaw storyteller Tim Tingle offers a story that reminds readers that the strongest bridge between cultures is friendship.

Space Raptor Butt Trilogy Chuck Tingle, 2016-07-11 With his genre-defining work, *Space Raptor Butt Invasion*, Chuck Tingle proved that even gay dinosaur erotica could be nominated for a Hugo Award, the most prestigious honor in science fiction. Nobody could have expected what would happen when the story continued. Collected here is the entire trilogy of Chuck Tingle's history making *Space Raptor Butt* series. SPACE RAPTOR BUTT INVASION Space can be a lonely place, especially when you're stationed by yourself

on the distant planet Zorbus. In fact, Lance isn't quite sure that can last the whole year before his shuttle pod arrives, but when a mysterious visitor appears at Lance's terraforming station, he quickly realizes that he might not be so alone after all. Soon enough, Lance becomes close with this mysterious new astronaut, a velociraptor. Together, they form an unlikely duo, which quickly begins to cross the boundaries of friendship into something much, much more sensual. It's not gay if it's a man and a dinosaur, is it?

SPACE RAPTOR BUTT REDEMPTION

After a year stationed on planet Zorbus, astronaut Lance Tanner and his raptor lover Orion return home to find that they are not greeted as heroes, but as villains. Unbeknownst to Lance, his space travels have been funded by the villainous Scoundrels Inc, a corporation that has deep ties to the illegal trade of unicorn tears and a destructive mining project at the core of the earth. Now Lance is on trial for a number of false charges; from having connections to the wicked Scoundrels, to being too strange for space. The opposing lawyer argues that space is only for serious astronauts, and that love between a raptor and a man is giving space travel a bad name. Lance is arguing that there's room to be weird in space. More importantly, Lance is arguing for the idea of love itself; that just

because something comes out of darkness doesn't mean it can't become a beacon of light. Of course, this all culminates in a hardcore dinosaur on astronaut pounding that will have your jaw on the courtroom floor! SPACE RAPTOR BUTT ASCENSIONS Soon after blasting off on their mission to find refuge for the people of Earth 1 on the dinosaur inhabited Earth 2, Orion and his space raptor lover Lance find a spaceship stow away, the notorious CEO of Scounrels Inc, Vam Dox. Vam claims that his intentions are pure, but it's hard to trust such a sad, strange man. After landing in Hugona, the planet capital of Earth 2, our heroes restrain Vam Dox and head off to secure an important diplomatic relationship with the pterodactyl president, but that's when all hell breaks loose. Soon, Vam Dox is storming the capital with a band of rabid dogs, and Lance and Orion are wrongly taking the blame! Fortunately, Lance and Orion know that the only cure for evil this strong is to prove their love in a hardcore gay encounter at the steps of the capital building. When the smoke clears, will Vam Dox be revealed as the super villain that he claims to be, or a meek, lonesome manbaby who is starved for attention?

Not Pounded By Anything Chuck Tingle, 2019-06-09 Across the wide world of the Tingleverse, one thing is clear: love is real. But,

Whether asexual or just not feeling it at the moment, this collection of completely sexless tales is perfect for the desires of any readers who are looking for a non-sexual trip through the alternate timelines of Dr. Chuck Tingle.

Soon enough, the handsome man is having several platonic encounters with a Unicorn Butt Cop, his bigfoot boss, and a shirtless dinosaur librarian. Eventually, Ken finds himself on a dinner date with the muscular dinosaur, feasting on a home cooked meal as the two enjoy each other's presence. But is their connection simply friendship? Or something romantic? One thing's for sure, it's definitely not sexual; and that's okay!
