**Straight** Chuck Tingle,2021-05-08 When a strange tear in the cosmos appears within Earth's annual path, the consequences are disastrous. For one night a year, the vast majority of humans now undergo a frightening mental change, transforming into hateful, rage-fueled zombies who will stop at nothing to satiate their desire for brutality. While not much is understood about this horrific mass hysteria, the demographic it effects is very specific: cisgender straight people. A few years after the first of these tragic events, four friends from across the queer spectrum look for safety in solitude, hunkering down in a remote desert cabin for what is now known as Saturation Day. With a vaccine available for straight people to curb their violent episodes, some predict the worst is over. Others aren't so sure. As night falls, it becomes clear that survival isn't guaranteed this Saturation Day. This is the first horror novella from two-time Hugo Award finalist Chuck Tingle.

**Saltypie** Tim Tingle,2014-01-01 Bee stings on the backside! That was just the beginning. Tim was about to enter a world of the past, with bullying boys, stones and Indian spirits of long ago. But they were real spirits, real stones, very real memories... In this powerful family saga, author Tim Tingle tells the story of his family's move from Oklahoma Choctaw country to Pasadena, TX. Spanning 50 years, Saltypie describes the problems encountered by his Choctaw grandmother—from her orphan days at an Indian boarding school to hardships encountered in her new home on the Gulf Coast. Tingle says, "Stories of modern Indian families rarely grace the printed page. Long before I began writing, I knew this story must be told." Seen through the innocent eyes of a young boy, Saltypie — a 2011 Skipping Stones honor book, WordCraft Circle 2012 Children's Literature Award-winner, and winner of the 2011 Paterson Prize for Books for Young People in the category of Grades 4-6 — is the story of one family's efforts to honor the past while struggling to gain a foothold in modern America. Tim Tingle, a member of the Choctaw Nation of Oklahoma, is a sought-after storyteller for folklore festivals, library conferences, and schools across America. At the request of Choctaw Chief Pyle, Tim tells a story to the tribe every year before Pyle's State of the Nation Address at the Choctaw Labor Day Gathering. Tim's previous and often reprinted books from Cinco Puntos Press—Walking the Choctaw Road and Crossing Bok Chitto—received numerous awards, but what makes Tim the proudest is the recognition he receives from the American Indian communities. Karen Clarkson, a Choctaw tribal member, is a self-taught artist who specializes in portraits of Native Americans. She did not start painting until after her children had left home; she has since been widely acclaimed as a Native American painter. She lives in San Leandro, California.

**Graveyard Fields** Steven Tingle,2021-08-10 Full of grit and small town secrets, Tingle's debut is a searing look at the effects of crime for fans of David Joy and Michael Farris Smith. Davis Reed is plagued by the three A's: anger, alcohol, and anxiety. A former Charleston police officer, turned private detective, Davis hopes to gain some respect, self and otherwise, by writing a book. His subject: the true story of a B-25 bomber that crashed on Cold Mountain in western North Carolina just after the end of World War II. From the comfort of a mountain cabin in Cruso, NC Davis spends his days popping anti-anxiety pills, drinking copious amounts of home brewed beer, and not writing a book. But when he discovers a set of keys on a mountain trail, he becomes curious, then obsessed, about finding the rightful owner. With the help of his friend Dale Johnson, a 275 pound local deputy who is full time ornery and part time clever, and Dale's cousin Floppy, a motor mouthed mechanic with a penchant for conspiracy theories and kleptomania, Davis works to uncover the mystery of the keys while navigating a world of small town secrets, shady characters, 80's heavy metal, and murder. But Davis has his own secrets and even though he's escaped to the mountains some bad business in Charleston is beginning to catch up with him. For an anxiety riddled man looking for peace and quiet Davis somehow stumbles into more chaos and crossfire than any amount of beer and pills can alleviate.

gay dinosaur erotica could be nominated for a Hugo Award, the most prestigious honor in science fiction. Nobody could have expected what would happen when the story continued. Collected here is the entire trilogy of Chuck Tingle's history making Space Raptor Butt series. SPACE RAPTOR BUTT INVASIONSpace can be a lonely place, especially when you're stationed by yourself on the distant planet Zorbus. In fact, Lance isn't quite sure that can last the whole year before his shuttle pod arrives, but when a mysterious visitor appears at Lance's terraforming station, he quickly realizes that he might not be so alone after all. Soon enough, Lance becomes close with this mysterious new astronaut, a velociraptor. Together, they form an unlikely duo, which quickly begins to cross the boundaries of friendship into something much, much more sensual. It's not gay if it's a man and a dinosaur, is it? SPACE RAPTOR BUTT REDEMPTIONAfter a year stationed on planet Zorbus, astronaut Lance Tanner and his raptor lover Orion return home to find that they are not greeted as heroes, but as villains. Unbeknownst to Lance, his space travels have been funded by the villainous Scoundrels Inc, a corporation that has deep ties to the illegal trade of unicorn tears and a destructive mining project at the core of the earth. Now Lance is on trial for a number of false charges; from having connections to the wicked Scoundrels, to being too strange for space. The opposing lawyer argues that space is only for serious astronauts, and that love between a raptor and a man is giving space travel a bad name. Lance is arguing that there's room to be weird in space. More importantly, Lance is arguing for the idea of love itself; that just because something comes out of darkness doesn't mean it can't become a beacon of light. Of course, this all culminates in a hardcore dinosaur on astronaut pounding that will have your jaw on the courtroom floor! SPACE RAPTOR BUTT ASCENSIONSoon after blasting off on their mission to find refuge for the people of Earth 1 on the dinosaur inhabited Earth 2, Orion and his space raptor lover Lance find a spaceship stow away, the notorious CEO of Scounrels Inc, Vam Dox. Vam claims that his intentions are pure, but it's hard to trust such a sad, strange man. After landing in Hugona, the planet capital of Earth 2, our heroes restrain Vam Dox and head off to secure an important diplomatic relationship with the pterodactyl president, but that's when all hell breaks loose. Soon, Vam Dox is storming the capital with a band of rabid dogs, and Lance and Orion are wrongly taking the blame! Fortunately, Lance and Orion know that the only cure for evil this strong is to prove their love in a hardcore gay encounter at the steps of the capital building. When the smoke clears, will Vam Dox be revealed as the super villain that he claims to be, or a meek, lonesome manbaby who is starved for attention?

Could Harriet and Snabe really be characters in a parody romance novel? Soon enough, these two are discovering they have more similarities than differences: both trans, both strong, and both hoping to create a new spell that will change the world. But with the addition of two devious sentient motorcycles to the mix, Dellatrix and Braco, things start to get complicated. **Tingle** Nancy Alvarez,2019-08-13 Though sensuality is the center of this novel, 'Tingle' also explores the lives and histories of its main characters - Michael, a black librarian in New York City and Sara, a woman who has recently lost her husband of over fifteen years. The two meet at the library, where he has been suggesting novels for her to read for several years. When he notices that she seems sad, he learns that her husband has passed away, He immediately suggests they go for coffee when he gets off work that afternoon. And so it begins, much to the surprise of both of them. He has never even dated a white woman, and she never thought she would begin to love another man. Their shared sensuality is the door into something much deeper than either expected. The author couldn't help exploring racial aspects in the novel, as well as the sexual and personal ones.

Now Harriet is ready to stage her comeback magic show, affectionally titled The Theater of Love. Of course, this plan is easier said than done. A mega corporation named Just Kidding Recreation holds sway over all Las Vegas entertainment, using lawsuits and intimidation to squash the competition, and while a hypnotist serpent named The Great Magini insists she's there to help, it quickly becomes apparent her plans are much more sinister. Can trans wizard Harriet Porber thwart the dastardly plots of JK Recreation and The Great Magini? Maybe not on her own, but with a group of likeminded friends by her side, Harriet is about to discover the fourth-wall breaking strength of whole communities speaking truth to power and standing up against hate in the name of love.
