The Love of a Lycan jikanyotomare,webnovel,2020-12-18 Download Webnovel and chereads to read The Love of a Lycan A year ago Raine was discharged from mental institution and had to live in the orphanage. It wasn't the best place. At least not for someone like her. Until one faithful night she met him. *** He stopped the car. The clutched on the blanket tightened as Raine wonder if she did something wrong. She could feel it when Torak reached out his hand at her. Will he hit me? Raine shivered with that thought. Torak pulled back the hoodie off her head and gently tucked her hair behind her ear. Don't. He said firmly, I want to see you, don't hide yourself... ***** "The spirit of the guardian angel will breathe new life into human child. Three guardian angels will be born into terrestrial world once again and the three of you will be their protectors." "Protectors!?" Jedrek snapped. In the end, he stopped walking and turned his back to look at the moon goddess from far distance away, his eyes glistening red with anger. His wolf was livid. "Why do you think we will help?" Kace asked while narrowing his black obsidian eyes, his wolf took control of him. He was the youngest among the three and the less temperamental among them. The three of them were cursed by Selene because of their ferocious action to gain supreme power and authority. The moon goddess didn't bless them with a mate as a punishment of their atrocious way and forced them to involve in this deadly war with the demons. "You will turn us into a slave for those sickly creatures!?" Torak asked incredulously. "Aren't you afraid that we will snap them into two?" The guardian angel was so fragile and they as lycanthropes didn't appreciate the weaknesses. "No, you will not." Selene said patiently. "You will not be their slave nor hurt them, you will cherish them in every way possible." Jedrek laughed menacingly upon hearing this, they didn't care about the resurrected of the beast, once they crossed their territory, with or without the guardian angel he would tear their body apart. "I will be the last person they will see, once I find them." He was referring to both the guardian angel and the demon. But, the next voice from Selene was laced with mirth when she spoke. "You will not hurt your mate." ===== Session 1 (chapter 1 - 394) : Torak Donovan - Raine (completed). Surviving the Storm Montana Fox,2020-06-04 Sometimes the only choice you have is to run for your life!Sometimes there are only downsides to being born into an alpha family. After the violent murder of my mother, life as I knew it fell apart as quickly as a building being smashed by a wrecking ball. My father and older brother turned to alcohol and violence as a way of coping, which led to them becoming extremely abusive. After putting up with their abuse for close to a decade my twin brother decided enough is enough. With no other option but to run for my life, I wound up on the other side of the world and living the life of a rogue as I continually tried to evade being captured and forcibly returned to my not so loving pack and family. I desperately tried to make a life for myself staying away from other packs, as they tend to hunt and kill rogues as a rule wanting to stop problems before they start.But I find myself in a bit of a dilemma when I meet my mate and realise he is not only a highly respected alpha but also a world-renowned rogue killer!

Women Aren't Supposed to Fly Harriet Hall, 2008-03-24 When Harriet Hall graduated from medical school in 1970 and entered the Air Force, she was in a distinct minority. As the second woman ever to do an Air Force internship, she had to fight for acceptance. Even a patient's 3 year old daughter proclaimed, Oh, Daddy! That's not a doctor, that's a lady. She was refused a residency, paid less than her male counterparts, couldn't live on base, and couldn't claim her husband as a dependent because he wasn't a wife. After six years as a general medical officer in Franco's Spain, she became a family practice specialist and a flight surgeon, doing everything from delivering babies to flying a B-52. She earned her pilot's license despite being told Women aren't supposed to fly, and eventually retired from the Air Force as a full colonel. She is witness to an era when society was beginning to accept women in traditionally male jobs but didn't entirely like the idea yet. A somewhat warped sense of humor kept her afloat, and it spices the stories she tells about her own experiences and the patients and colleagues she encountered.

You Get PAID for This? Peter Dyer, 2018-10-19 Adventures on mountains, oceans, rivers and in caves. This is Peter's story of leaving the smoky terraced streets of London to begin a career in outdoor adventure. It's not all plain sailing; there's a sea rescue, an avalanche and colleagues who are killed on a tragic mountaineering expedition. And yet, this remains a celebration of the great outdoors and a reflection of Peter's desire to share that love with others.

I Must Return Home Bright Igbinigun, 2017-12-28 I Must Return Home and other poems are carefully selected songs of love, activism, deception, lamentation and hope. This collection is designed to reshape the menace in our political system. Indeed, it is a political satire, in which the author laments the vagaries and political disillusion which has resulted into political apathy on the part of the electorate using Nigeria as a case study. His hammer also falls on poverty and the economic quagmire of his nation.
