**Russian Alphabet Colouring Book** FUEL, 2016 From Sputnik to Gorbachev: an intricately detailed graphic exploration of Russian history that only you can complete This coloring book for all ages marks the first publication of the graphic works of Russian artist Amanita. His fantastical images form a unique world: they are like modern variations of illustrated manuscripts, packed full with elements of Soviet and post-Soviet cultures. The book also works as an introduction to the Russian alphabet. Every drawing depicts a word beginning with each letter from the Cyrillic alphabet, also shown in English, giving a light-hearted guide as to how the letters look and sound. The subjects of Amanita's illustrations are wide-ranging: from political leaders (Lenin, Gorbachev) to inanimate objects (Tupolev aircraft, Sputnik, Tsars, cosmonauts) and Constructivism, these classic Soviet themes are interwoven from one page to the next, all rendered in an abundance of detail. Amanita's amazing and skillful images define a previously unimagined graphic landscape that takes the humble coloring book into a new dimension. Russian Alphabet Colouring Book is the perfect gift book. Alexander Erashov was born in Ermak, Kazakhstan, in 1972. The pseudonym Amanita (a red-and-white spotted mushroom) is a reference to the black-white-red palette of his artworks.

**Not Made by Slaves** Bronwen Everill,2020-09-01 How abolitionist businesses marshaled intense moral outrage over slavery to shape a new ethics of international commerce. "East India Sugar Not Made By Slaves." With these words on a sugar bowl, consumers of the early nineteenth century declared their power to change the global economy. Bronwen Everill examines how abolitionists from Europe to the United States to West Africa used new ideas of supply and demand, consumer credit, and branding to shape an argument for ethical capitalism. Everill focuses on the everyday economy of the Atlantic world. Antislavery affected business operations, as companies in West Africa, including the British firm Macaulay & Babington and the American partnership of Brown & Ives, developed new tactics in order to make "legitimate" commerce pay. Everill explores how the dilemmas of conducting ethical commerce reshaped the larger moral discourse surrounding production and consumption, influencing how slavery and freedom came to be defined in the market economy. But ethical commerce was not without its ironies; the search for supplies of goods "not made by slaves"—including East India sugar—expanded the reach of colonial empires in the relentless pursuit of cheap but "free" labor. *Not Made by Slaves* illuminates the early years of global consumer society, while placing the politics of antislavery firmly in the history of capitalism. It is also a stark reminder that the struggle to ensure fair trade and labor conditions continues.

*Oathmark* Joseph A. McCullough,2020-04-30 Empires have fallen, and the land is broken. The great oathmarks that once stood as testaments to the allegiances and might of nations have crumbled into ruin. In this lost age, fealty and loyalty are as valuable as gold and as deadly as cold iron, and war is ever-present. Created by Joseph A. McCullough, designer of *Frostgrave* and *Frostgrave: Ghost Archipelago*, *Oathmark* is a mass-battle fantasy wargame that puts you in command of the fantasy army you've always wanted, whether a company of stalwart dwarves or a mixed force with proud elves, noble men, and wild goblins standing shoulder-to-shoulder in the battle-line. Fight through an integrated campaign system and develop your realms from battle to battle, adding new territories, recruiting new troop types, and growing to eclipse your rivals... or lose what you fought so hard to

gain and fall as so many would-be emperors before you.

**Schubert's Winter Journey** Ian Bostridge, 2015-01-27 An exploration of the world's most famous and challenging song cycle, Schubert's Winter Journey (Winterreise), by a leading interpreter of the work, who teases out the themes—literary, historical, psychological—that weave through the twenty-four songs that make up this legendary masterpiece. Completed in the last months of the young Schubert's life, Winterreise has come to be considered the single greatest piece of music in the history of Lied. Deceptively laconic—these twenty-four short poems set to music for voice and piano are

performed uninterrupted in little more than an hour—it nonetheless has an emotional depth and power that no music of its kind has ever equaled. A young man, rejected by his beloved, leaves the house where he has been living and walks out into snow and darkness. As he wanders away from the village and into the empty countryside, he experiences a cascade of emotions—loss, grief, anger, and acute loneliness, shot through with only fleeting moments of hope—until the landscape he inhabits becomes one of alienation and despair. Originally intended to be sung to an intimate gathering, performances of *Winterreise* now pack the greatest concert halls around the world. Drawing equally on his vast experience performing this work (he has sung it more than one hundred times), on his musical knowledge, and on his training as a scholar, Bostridge teases out the enigmas and subtle meanings of each of the twenty-four lyrics to explore for us the world Schubert inhabited, his biography and psychological makeup, the historical and political pressures within which he became one of the world’s greatest composers, and the continuing resonances and affinities that our ears still detect today, making Schubert’s wanderer our mirror.

**Come from Away** Genevieve Graham,2018-04-24 From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker’s three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours

swirl about “wolf packs” of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone’s throw from Grace’s window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. Come from Away is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.
