If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27
Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The Himmler Brothers Katrin Himmler, 2012-05-31 Katrin Himmler's cool but meticulous examination of the Himmler story reveals – in all its dark complexity – the gulf between the 'normality' of bourgeois family life and the horrors perpetrated by one member. This riveting family memoir provides essential new information on the private life and background of one of the twentieth-century's most notorious killers – not a lone evil executioner, but a middle-class family man, loved and fully supported by his respectable German family. It also offers a unique account of one woman's courageous attempt to deal with her chilling inheritance. 'It is part of the creeping discomfort in reading her book to realise the incredibly ordinary middle-class background of these three sons of a rather pompous provincial headmaster and to see how, right until the end, he was almost able to convince himself it hadn't happened like it had' Sunday Times 'You get a vivid sense of a particular kind of German conservatism - Roman Catholic, monarchist - and of how, weirdly, it found an outlet in the upstart, part-pagan thuggery of Nazism' Independent 'One can only admire her bravery . . .

In a way, Katrin Himmeler's book is not a story about the past, but one about the present. The most interesting details are the ones she gives of her own quest' Daily Telegraph

Papa! Philippe Corentin,1997 Papa! Papa! There's a monster in my bed! But just who exactly is the monster in this story? Children and parents alike will giggle as they learn that monsters come in all different shapes and sizes.
