Blood in Their Eyes Grif Stockley, Brian K. Mitchell, Guy Lancaster, 2020-05-04 On September 30, 1919, local law enforcement in rural Phillips County, Arkansas, attacked black sharecroppers at a meeting of the Progressive Farmers and Household Union of America. The next day, hundreds of white men from the Delta, along with US Army troops, converged on the area "with blood in their eyes." What happened next was one of the deadliest incidents of racial violence in the history of the United States, leaving a legacy of trauma and silence that has persisted for more than a century. In the wake of the massacre, the NAACP and Little Rock lawyer Scipio Jones spearheaded legal action that revolutionized due process in America. The first edition of Grif Stockley's Blood in Their Eyes, published in 2001, brought renewed attention to the Elaine Massacre and sparked valuable new studies on racial violence and exploitation in Arkansas and beyond. With contributions from fellow historians Brian K. Mitchell and Guy Lancaster, this revised edition draws from recently uncovered source material and explores in greater detail the actions of the mob, the lives of those who survived the massacre, and the regime of fear and terror that prevailed under Jim Crow.
