Cats on Film Anne Billson, 2018-12-16 This is the budget version of CATS ON FILM, with black and white photos instead of colour ones. What is a Catguffin? Why should you be wary of a Catzilla? What is the difference between a Catagonist and a Heropuss? Who or what is a Modesty Cat, and why

does *The Third Man* have such problems with kitten continuity? All these questions and many others are answered in *CATS ON FILM*, the definitive work of feline film scholarship, in which critic and novelist Anne Billson explores the many and varied narrative functions of cats by examining their appearances in one hundred films, from blockbusters to art films, foreign films to cult oddities, rom-coms to horror movies. Meet Clovis, Ulysses, Jezebel, Pyewacket, Pumpkin and a clowder of other celebrated film felines, learn how the White Cat of Evil launched his career as Blofeld's lapcat in the James Bond franchise, and thrill to *My Day By Jones*, in which the cat's eye view of *Alien* is finally revealed. *CATS ON FILM*. No cat-loving film fan can afford to be without it.

Financial Optimization Stavros A. Zenios, 1993 The use of formal mathematical models and optimization in finance has become common practice in the 1980s and 1990s. This book clearly presents the exciting symbiosis between the fields of finance and management science/operations research. Prominent researchers present the state of the art in financial optimization, while analysts from industry discuss the latest business techniques practised by financial firms in New York, London and Tokyo. The book covers a wide range of topics: portfolio management of equities and fixed income investments, the pricing of complex insurance, mortgage and other asset-backed products, and models for risk-management and diversification.

The Battle of Buffalo Wallow James R. Odrowski, 2020-12-26 In World War II, the U.S. Army's 44th General Hospital found themselves at ground-zero of the Japanese counterattack on the island of Leyte. As Japanese infantry infiltrated and enemy paratroopers dropped around them, the 44th's officers

faced a life-or-death decision. With over 200 patients, the Japanese surrounding them, and no option to retreat, they had to act fast. Should they uphold their oath to "do no harm"? Or do they arm the medical staff and defend themselves and their patients? Do they risk violation of the Geneva Convention or risk death or imprisonment at the hands of the Japanese? But without authorization to obtain arms, how would they defend themselves? Could the 44th hold out until infantry support arrived? Their fate would be determined in what was called "The Battle of Buffalo Wallow". This book tells the previously unknown and controversial story of the 44th General Hospital, experienced medical professionals who were asked to perform actions over and above their expected duties. In World War II, the Philippine island of Leyte became the stage for a key battle between the United States and Japan. U.S. General Douglas MacArthur's 6th Army invaded Leyte on October 20th, 1944. Soon afterwards, the Army's 44th General Hospital landed to care for casualties. Untrained in combat, they were sent inland to the village of Burauen, very close to the front lines of fighting. The hospital tents were set up between three airfields that were recently taken from the Japanese. But, as the U.S. infantry advanced westward, they left the 44th and other service units behind, mostly unprotected. In a desperate move, the Japanese determined to make Leyte the decisive battle they hoped would turn the tide of the War. To counter the American advance, Japanese General Yamashita devised a bold plan. The first step would be a combined infantry and paratrooper attack to retake the airfields on Leyte. Subsequently, the attack placed the 44th and their patients in great peril. Their courage and dedication would be tested in the heat of battle. After the War, the Surgeon General of the Army called the 44th "the finest that ever served."

I Think You're Totally Wrong David Shields, Caleb Powell, 2015-09-01 Caleb Powell always wanted to become an artist, but he overcommitted to life; his former professor David Shields always wanted to become a human being, but he overcommitted to art. The stay-at-home dad (three young girls) and the workaholic writer (eighteen books) head to the woods to spend four days together in a cabin, arguing life vs. art. *I Think You're Totally Wrong* is an impassioned, funny, probing, fiercely inconclusive, nearly-to-the-death debate. Shields and Powell talk about everything—marriage, family, sports, sex, happiness, drugs, death, betrayal, and (of course) writers and writing—in the name of exploring and debating their central question: the lived life versus the examined life. There are no teachers or students here, no interviewers or interviewees, no masters of the universe—only a chasm of uncertainty, in a dialogue that remains dazzlingly provocative and entertaining from start to finish. James Franco's film adaptation of *I Think You're Totally Wrong*, starring the authors, premiered in 2015.

Stiff Lips Anne Billson, 1996 No-one believes in ghosts, even in WWII, but strange things are going on in Hampshire Place. Sophie's in love with a writer who killed himself years before. At Halloween, as the midnight hour approaches, it's time for the boy to get the girl. Forever.

Leyte 1944 Clayton K. S. Chun, 2015-07-20 The loss of the Philippines in 1942 was the worst defeat in American military history. General Douglas MacArthur, the 'Lion of Luzon', was evacuated by order of the President just before the fall, but he vowed to return, and in August 1944 he kept his word when he led what, at the time, was the largest amphibious assault of the Pacific War on the island of Leyte. This is the full story of that fateful battle, one of the most ferocious campaigns of World War II and one of huge strategic and symbolic significance. In the face of stubborn Japanese resistance, including the first systematic use of Kamikaze attacks, the US forces ground slowly forwards before another amphibious assault took the vital position of Ormoc in the last decisive battle of the campaign. Based on extensive research in the US Army's Military History Institute, along with other archival and veteran sources, this important study sheds new light on the operation that saw the US finally return to the Philippines and in doing so placed another nail firmly in the coffin of the Japanese Empire.

The Coming Thing Anne Billson, 2017-05-02 'She's going to die. I think we both know that. What's coming out of her is too big, too powerful, and it's going to tear her apart. I just hope it doesn't tear me apart as well...' Your best friend gets all the attention. Now she's pregnant with the Antichrist, religious maniacs are trying to kill her, and she wants to get an abortion. How do you compete with that, persuade her to keep the baby, and at the same time hold down your job as a bookshop assistant while trying not to think too

much about decapitated Chihuahuas and the unpleasantness at the clinic? It's not easy. From the acclaimed author of *Suckers*, *Stiff Lips* and *The Ex* comes an everyday story of female friendship versus suave assassins, pushy tabloid reporters, and the End of Days.

Death in the Jungle Gary R. Smith, Alan Maki, 2011-05-18 *SNAKES, VIPERS, CROCS, SHARKS, AND THE VC* With 257 combat missions in Vietnam under his belt, Gary Smith is a living witness to the realities of Naval Special Warfare. He worked with some of the toughest and most highly motivated men in the world, executing missions in the murderous terrain of Rung Sat Special Zone and Dung Island. The key to their success: go where no ordinary soldier would go and no VC would expect them. Though death reigned as king in the jungles of Vietnam, Gary Smith considered it a privilege and an honor to serve under the officers and with the men of Underwater Demolition Team Twelve and SEAL Team 1. Because he and his teammates, trained to the max, gave each other the courage to attain the unattainable

The Doctrine of Justification Arthur W. Pink, 2016-09-25 With the topic of justification by either the church or by God such an issue in the time of the reformation it is not surprising that some writers still find issue with it today. This book outlines a puritan view that justification puts you in a state of righteousness before God and that only God can make this change in the life and continued life of the believer.

Japanese Paratroop Forces of World War II Gordon L. Rottman, Akira Takizawa, 2012-09-20 For the first time in English, this book offers a concise but fact-packed account of the organization, equipment, and all operations of Japan's small but elite wartime parachute forces. Correcting and amplifying previous accounts based on wartime intelligence, it traces the Imperial

Army's Raiding Regiments and the Imperial Navy's parachute-trained Yokosuka 1st & 3rd Special Naval Landing Forces from the first trials units, through their successful assaults in early 1942, to the last desperate battles and raids of 1944-45. The text is illustrated with rare photographs, and meticulously reconstructed color artwork of the men and their gear.
