Cassils Heather Cassils, David Getsy, Julia Steinmetz, 2015 Cassils is a performance artist and body builder who uses their own body in a sculptural fashion, thereby interrogating feminism, body art, and gay male aesthetics. Together, their body of work and physical body stretch and play with the boundaries between binary conceptions of gender, and between vulnerability and strength. Applying extreme techniques uncommon to the realm of contemporary art, such as bodybuilding, stunts, and martial arts, transgender physiques emerge that physically question notions of violence and resistance from a transgendered perspective, illustrated here through several compelling works--Artist's web site (viewed on September 16, 2015).

And at Barksdale Academy, the pressure is on every year for one pup to be named Best in Show. Nova, Duke, Harley, and Peanut have never won

Best in Show... which is okay with them! But they have to work together to pass their Agility Exam, because either the whole pack passes or the whole pack fails. Solace Lost Jennifer Collins, 2018-03 During times of war, no one goes unscathed. By Ultner, even in times of peace, few can escape suffering. Ardia is on the brink of civil war, though most citizens are woefully unaware of this fact. Fenrir de Trenton, a disgraced guardsman-turned-ineffective-criminal, is accustomed to taking orders. So much so that, despite the danger, he finds himself neck-deep in the politicking of his current superiors as well as the rulers of the country. The fact that Fenrir's father

would rather see him dead doesn't help matters. Emma Dram, a handmaiden of the great Lady Escamilla, hates Fenrir with a fiery passion and with good reason: he lopped off most of her hand. Nonetheless, she finds herself in close proximity to her former lover as she seeks to serve her lady liege in fomenting her own rebellion. Hafgan Iwan is a Wasmer, a race reviled by humans, who serves the same masters as Fenrir. His efforts to assimilate with human culture only earn him the derision of his own race, and he seeks to find belonging amidst the escalating conflict. Meanwhile, Merigold Hinter, a serving girl with an unusual power, lives a simple existence, hoping for love, adventure, and to see the world. Her life should be untouched by political maneuvering and war. However, her world becomes a crucible; how much can one woman bear before breaking? A story of love lost and family destroyed, of bigotry and belonging, of suffering and strength, and of religion and magic, SOLACE LOST grows from a character-driven tale to something grand in scale, perhaps even involving the gods, themselves.
