**Hoot and Peep** Lita Judge, 2016-03-01 In the night skies above Paris, an adorable young owl teaches her older brother about the power of imagination—and the unconditional love between siblings. Hoot the owl is very excited for his little sister, Peep, to join him on the cathedral rooftops. She's finally old enough to learn all his big brother owl wisdom: First, owls say hooo. Second, they always say hooo. Lastly, they ONLY say hooo! But why would Peep say hooo when she could say schweeepty peep or dingity dong? Why would she speak when she could sing? As she explores the breathtaking Parisian cityscape, Peep discovers so many inspiring sights and sounds—the ring of cathedral bells, the slap of waves on stone—that she can't help but be swept up in the magic of it all. Hoot doesn't understand Peep's awe, until he takes a pause to listen . . . and realizes that you're never too old to learn a little something new. From the beloved author/illustrator of the classic picture book *Red Sled*, this gorgeous read aloud celebrates the wonder found in little things—and in the hearts of dreamers, young and old.

Everybody, that is, except the colony of cute but endangered owls that live on the building site of the new restaurant. Can the awkward new kid and his feral friend prank the pancake people out of town? Or is the owls' fate cemented in pancake batter? Welcome to Carl Hiaasen's Florida—where the creatures are wild and the people are wilder!

**Hoot Owl, Master of Disguise** Sean Taylor, 2016-03 A laugh-out-loud page turner from Sean Taylor with wickedly hilarious graphic art from Jean Jullien. This is the funniest picture book I have read in a long time David Walliams From masterful storyteller Sean Taylor and exciting, celebrated graphic artist Jean Jullien, comes the laugh-out-loud tale of Hoot Owl. Hoot Owl is no ordinary owl - oh no! - he's a master of disguise! And he will use his expert camouflage powers to trick his unsuspecting prey into succumbing to him! Tiny animals of the night ... beware! But, somehow, Hoot Owl's prey keeps escaping... Hmmm, perhaps he isn't quite as masterful as he believes. Will he ever succeed in catching himself some dinner? Hilarity, ridiculousness and very bad costume changes abound in this wildly inventive new title.

**Pepo and Lolo are Friends** Ana Martín Larrañaga, 2004 Although they sometimes get mad at each other, Pepo the pig and Lolo the chicken do things together. They are good friends.
