**A Brother's Price** Wen Spencer,2005-07-05 In a world where male children are rare, a man is a valuable commodity—to be sold to the highest bidder... It isn't easy being the oldest boy in a house run by women—especially for Jerin Whistler. The grand-matriarchs of his clan are descended from soldiers, spies, and thieves. That's partly what's kept their family alive in the wilderness. But it also means Jerin's doomed to marry the girls next door—a fate he's convinced is worse than death. But Jerin gets in even worse trouble when, in the process of a daring rescue, he falls in love with a royal princess who's as high above his station as it's possible to be. Ren knows that Jerin is too far below her class to be an appropriate match for her and her royal sisters. But then she hears rumors of a long-held Whistler family secret—one that might provide a way for them to finally be together. Unfortunately, she still has four sisters to convince. And that's before Jerin even comes to the capital—where simmering political tensions will threaten not just their love, but all their lives... “Don't plan on getting anything else done if you start a Wen Spencer novel; they are exceedingly hard to put

down!"—Nebula Award-Winning Author Catherine Asaro

Finding Sisu Katja Pantzar, 2019-04-04 Finnish-born writer Katja Pantzar was raised and educated in Canada, where the consumerist and materially obsessed culture left her feeling empty and unhappy. When she received treatment for depression in her mid-20s, the doctor treating her simply prescribed medication and sleeping pills, no thought given to her lifestyle. After moving to Finland, Katja discovered sisu: the Finnish approach to well being defined by a special kind of resilience, grit and courage. She embraced this way of living and experienced a dramatic turnaround in her health and happiness. Simple, functional exercise (as simple as riding her bike to work), the Nordic diet, spending time in nature and water together with a more courageous outlook, all served to transform Pantzar's life: her anxieties, fatigue and pain left behind in the sea. In *Finding Sisu*, Pantzar offers an honest (no place is perfect - Finland is not an exception) and uplifting account of her physical and psychological health transformation from a slightly lethargic depressive into an energetic optimist. She examines the link between sisu and the Nordic reputation for excellent wellbeing and overall life satisfaction, and looks at the ways in which we, too, can apply sisu to our lives - wherever we may be. *Finding Sisu* is a personal but also practical approach to the power of this 500-year-old philosophy and how it can help us all to lead healthier, happier - and braver lives.
