Three Hens and a Peacock Lester L. Laminack, 2017-04-18 A hilarious read-aloud favorite about some foolish farm animals who decide to trade roles—and discover just how hard it is to do someone else's job, from award-winning author Lester L. Laminack and celebrated illustrator Henry Cole. The Tuckers' farm is a peaceful place where everyone has a job and no one complains. That is, until a hapless peacock falls off the back of a passing truck and stirs things up. Soon, customers are flocking to the farm to see what all the fuss is about. But the hens don't like the newcomer getting attention while they do all the hard work. When a wise old hound sees the problem, he helps orchestrate a job swap. What follows is the riotous tale of three hens who get in way over their feathered heads, and one very distressed peacock who just can't figure out how to lay an egg. Lester L. Laminack has created a comical look at envy, finding your strength, and what happens when we underestimate the value of others' work. Henry Cole's delightful illustrations heighten the story's humor and will have readers of all ages laughing out loud.

Birds Carme Lemniscates, 2019-03-12 Brilliant graphic illustrations and a gentle, thought-provoking text pay homage to birds and their wonder-inspiring ways. Birds are like thoughts. They come, stay awhile . . . and then fly away. Birds come in all shapes, sizes, and colors. They like to chat with one another as they fly high and low in the sky. Birds make music, with songs that are like the loving words of a friend, and we are lucky enough to enjoy those sweet melodies. But best of all, birds are capable of flying wherever they please — they just let their hearts guide them. And we can do that, too, if we use our imaginations. In a lyrical ode to our winged friends, the creator of *Trees* turns her eye to a diverse class of creatures that has much to teach about transcending the barriers that lie between us.
