-  **My Heart** Corinna Luyken, 2019-01-08 From the author-illustrator of The Book of Mistakes comes a gorgeous picture book about caring for your own heart and living with kindness and empathy. My heart is a window. My heart is a slide. My heart can be closed...or opened up wide. Some days your heart is a puddle or a fence to keep the world out. But some days it is wide open to the love that surrounds you. With lyrical text and breathtaking art, My Heart empowers all readers to listen to the guide within in this ode to love and self-acceptance.
-  **My Heart Is Like a Zoo** Michael Hall, 2009-12-22 A heart can be hopeful, or silly, or happy. A heart can be rugged, or snappy, or lonely. A heart holds every different feeling, and debut author-artist Michael Hall captures each one with a delicate touch. For each feeling, the bold, graphic artwork creates an animal out of heart shapes, from eager as a beaver to angry as a bear to thoughtful as an owl. An accessible and beautiful debut, My Heart Is Like a Zoo is everything a classic picture book should be: honest, sincere, and speaking directly to even the very youngest child. Ages: 0 - 5
-  **My Map Book** Sara Fanelli, 1995-07-20 In each spread of this bold and humorous picture book, available for the first time since 1995, children can examine their place in the world around them through detailed and engaging maps. Twelve beautifully illustrated maps such as Map of My Day and Map of My Tummy will fascinate children. When finished reading the book, children can unfold the jacket -- it turns into a poster-size map!

LEARN TO ASK BETTER, MORE HELPFUL QUESTIONS OF YOUR WORK SO THAT YOU CAN CREATE STRONGER AND MORE POWERFUL PHOTOGRAPHS.

Photographers often look at an image—one they’ve either already created or are in the process of making—and ask themselves a simple question: “Is this a good photograph?” It’s an understandable question, but it’s really not very helpful. How are you supposed to answer that? What does “good” even mean? Is it the same for everyone?

What if you were equipped to ask better, more constructive questions of your work so that you could think more intentionally and creatively, and in doing so, bring more specific action and vision to the act of creating photographs? What if asking stronger questions allowed you to establish a more effective approach to your image-making? In *The Heart of the Photograph: 100 Questions for Making Stronger, More Expressive Photographs*, photographer and author David Duchemin helps you learn to ask better questions of your work in order to craft more successful photographs—photographs that express and connect, photographs that are strong and, above all, photographs that are truly yours.

From the big-picture questions—What do I want this image to accomplish?—to the more detail-oriented questions that help you get there—What is the light doing? Where do the lines lead? What can I do about it?—David walks you through his thought process so that you can establish your own. Along the way, he discusses the building blocks from which compelling photographs are made, such as gesture, balance, scale, contrast, perspective, story, memory, symbolism, and much more. *The Heart of the Photograph* is not a theoretical book. It is a practical and useful book that equips you to think more intentionally as a photographer and empowers you to ask more helpful questions of you and your work, so that you can produce images that are not only better than “good,” but as powerful and authentic as you hope them to be.
