**Works on Paper** Michael Holroyd,2013-12-31 Works on Paper is a selection by one of today's leading biographers from his lectures, essays, and reviews written over the last quarter of a century—mainly on the craft of biography and autobiography, but also covering what Michael Holroyd describes as his enthusiasms and alibis. Opening with a startling attack on biography, which is answered by two essays on the ethics and values of non-fiction writing, the book goes on to examine the work of several contemporary biographers, the place of biography in fiction and of fiction in biography, and the revelations of some extravagant autobiographers, from Osbert Sitwell to Quentin Crisp—to which he adds some adventures of his own, in particular an important and unpublished piece The Making of GBS, a riveting story of internecine literary warfare. The book ends with a series of satires, celebrations, apologies and polemics which throw light not only on Michael Holroyd's progress as a biographer, but also his record as an embattled campaigner in the field of present-day literary politics.

Add the next, and the next, and the next—it’s an activity that’s utterly absorbing as you watch a “painting” emerge from a flat black-and-white illustration to a dazzling image with color, body, spirit. **Saints Around the World** Meg Hunter-Kilmer,2021-08-16 The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant—impossibly holy or dull or unlike us in race and age and state in life. In Saints Around the World, you’ll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is written not only to capture the imagination but also to speak about God’s tremendous love and our call to be saints. There are stories in Saints Around the World for when you feel like life isn’t fair, when people are being unkind to you, when you’ve made a terrible mistake, when you’re struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God. Whether you’re checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you’ll find countless stories in this book that remind you how very possible holiness is.

**Walking Without Skin - A Journey of Healing** Ricky Woods,Lizz Huesmann,2020-10-15 Walking Without Skin is compelling reading. An authentic narrative voice reflects the arduous journey of Lois Wagner through a series of life crises emanating from her violent attack and rape at her Cape Town office one New Year's weekend, culminating years later in her finding the courage to attend her attacker's parole hearing to forgive him, and in so doing setting herself free. Brutally honest but poignant, there are occasional glimpses of the woman Lois was before this terrible event: active, athletic, adventurous, with a strong circle of friends. Her subsequent decline into depression, overeating and -drinking and withdrawal from all her previous business leadership roles finds her betrayed by her business partner, unemployed, and facing an enormous backlog of bills. Determined to discover meaning in the midst of the horror, Lois begins to write Walking Without Skin, and to connect with women in similar situations. She writes letters, lobbies those with influence, uses the media to focus on the rape crisis situation in the country. Walking Without Skin simply had to be written. Lois needed to tell her story -to put this trauma behind her. Her learning and growth can support others who have experienced the hurt, but have not yet found the healing and freedom that comes from forgiveness.

**Body of Clay, Soul of Fire** Matthew Welch,Richard Bresnahan,2001 Body of Clay, Soul of Fire will delight art lovers, potters, and collectors, as well as everyone who is interested in Japanese and Benedictine traditions. Richard Bresnahan is a preeminent American potter and an ambassador for the natural environment. Reared on a farm in North Dakota, he graduated from Saint John's University in Collegeville, Minnesota, and apprenticed as a potter in Japan. Returning to Saint John's, where he is an artist in residence, he built a massive wood-burning kiln, which, with its innovative flame flues and water channels, dwarfs all other North American kilns. By digging his own clay, using local seeds and hulls as glazing materials, and firing with deadfall, Bresnahan also practices a brand of environmentalism worthy of his Benedictine surroundings.
