Dark City Eddie Muller, 2021-07-20 This revised and expanded edition of Eddie Muller's *Dark City* is a film noir lover's bible, taking readers on a tour of the urban landscape of the grim and gritty genre in a definitive, highly illustrated volume. *Dark City* expands with new chapters and a fresh collection of restored photos that illustrate the mythic landscape of the imagination. It's a place where the men and women who created film noir often find themselves dangling from the same sinister heights as the silver-screen avatars to whom they gave life. Eddie Muller, host of Turner Classic Movies' *Noir Alley*, takes readers on a spellbinding trip through treacherous terrain: Hollywood in the post-World War II years, where art, politics, scandal, style -- and brilliant craftsmanship -- produced a new approach to moviemaking, and a new type of cultural mythology.

The Riders Tim Winton, 2014-08-04 An exploration of marriage and the rich relationship that can exist between father and daughter, *The Riders* is a gorgeously wrought novel from the award-winning author Tim Winton. After traveling through Europe for two years, Scully and his wife Jennifer wind up in Ireland, and on a mystical whim of Jennifer's, buy an old farmhouse which stands in the shadow of a castle. While Scully spends weeks alone renovating the old house, Jennifer returns to Australia to liquidate their assets. When Scully arrives at Shannon Airport to pick up Jennifer and their seven-year-old daughter, Billie, it is Billie who emerges--alone. There is no note, no explanation, not so much as a word from Jennifer, and the shock has left Billie speechless. In that instant, Scully's life falls to pieces. *The Riders* is a superbly written and a darkly haunting story of a lovesick man in a vain search for a vanished woman. It is a powerfully accurate account of marriage today, of the demons that trouble relationships, of resurrection found in the will to keep going, in the refusal to hold on, to stand still. *The Riders* is also a moving story about the relationship between a loving man and his tough, bright daughter.

Multilingualism and Applied Comparative Linguistics (Volume II) Frank Boers, Jeroen Darquennes, Koen Kerremans, 2009-10-02 In February 2006 the first international conference on Multilingualism and Applied Comparative Linguistics (MACL) was held in Brussels, Belgium. The aim of the MACL conference was to bring together scholars from various branches of applied linguistics with a shared interest in cross-linguistic and cross-cultural communication. The conference thus fostered an exchange of knowledge and expertise among researchers from various disciplines, including educational linguistics, cultural linguistics, terminography, translation studies and studies of specialised languages. The present book is the second of two volumes containing a selection from the approximately 120 papers that were presented at that three-day event. The book comprises five chapters, reflecting different research perspectives on cross-linguistic and cross-cultural communication. The first chapter covers research articles on metaphors and planned languages. The second chapter comprises articles dealing with language attitudes, language proficiency and language practices in cross-linguistic and cross-cultural, communicative contexts. Chapter three features articles in the field of discourse-analysis research. In the fourth chapter research is presented that pertains to terminology and specialised languages. Finally, chapter five deals

with translation studies.

The Private Lives of Trees Alejandro Zambra, 2023-02-14 The second novel by the internationally celebrated writer Alejandro Zambra, a “short and strikingly original” (The New Yorker) book about the stories we spin for ourselves and our loved ones—now reissued by Penguin Veronica is late, and Julián is increasingly convinced she won't ever come home. To pass the time, he improvises a story about trees to coax his stepdaughter, Daniela, to sleep. He has made a life as a literature professor, developing a novel about a man tending to a bonsai tree on the weekends. He is a narrator, an architect, a chronicler of other people's stories. But as the night stretches on before him, and the hours pass with no sign of Veronica, Julián finds himself caught up in the slipstream of the story of his life—of their lives together. What combination of desire and coincidence led them here, to this very night? What will the future—and possibly motherless—Daniela think of him and his stories? Why tell stories at all? The second novel by acclaimed Chilean writer Alejandro Zambra, *The Private Lives of Trees* overflows with his signature wit and his gift for crafting short novels that manage to contain whole worlds.

Walking on Dry Land Denis Kehoe, 2011-02-24 Ana knows little about her birth mother: she knows that she gave Ana away. She has a photograph, too, found in her Father's belongings when she was a teenager. It might be her mother, but there are two women in it and she doesn't know whether it is a clue or not. She also knows her mother's name, but Solange Mendes is a common name in Angola, so it, like Ana, could belong to anyone. The only thing she knows for sure is that now Helena, her Father's wife and the woman who brought her up in Lisbon, is dead, she must find Solange. Luanda, Angola, is a long way from Ana's adopted home in Dublin, but she knows it's the only place to begin her search, so she visits her brother, Tiago, and his family, so frozen by the project ahead of her that she makes no plans, has no ideas, and doesn't even confess to him her real reasons for the trip. As the narrative switches between Ana's search and Helena and Jose's relationship, beginning with their first meeting in a cafe in 1960s Lisbon, *Walking On Dry Land* builds a delicate portrait of how a family secret can lie undisturbed for a lifetime.

The Pendragon Legend Antal Szerb, 2007-08-31 An absolute treat, deliciously ludic, to be read with a big smile on your face throughout.—Nicholas Lezard, Guardian AT THE END-OF-LONDON-SEASON soiree, the young Hungarian scholar-dilettante Janos Batky is introduced to the Earl of Gwynedd, a reclusive eccentric who is the subject of strange rumours. Invited to the family seat, Pendragon Castle in North Wales, Batky receives a mysterious phone-call warning him not to go. But he does, and finds himself in a bizarre world of mysticism and romance, animal experimentation, and planned murder. His quest to solve the central mystery takes him down strange byways—old libraries and warehouse cellars, Welsh mountains and underground tombs.

Elegy for April Benjamin Black, 2010-04-13 Quirke—the hard-drinking, insatiably curious Dublin pathologist—is back, and he's determined to find his daughter's best friend, a well-connected young doctor April Latimer has vanished. A junior doctor at a local hospital, she is something of a scandal in the conservative and highly patriarchal society of 1950s Dublin. Though her family is one of the most respected in the city, she is known for

being independent-minded; her taste in men, for instance, is decidedly unconventional. Now April has disappeared, and her friend Phoebe Griffin suspects the worst. Frantic, Phoebe seeks out Quirke, her brilliant but erratic father, and asks him for help. Sober again after intensive treatment for alcoholism, Quirke enlists his old sparring partner, Detective Inspector Hackett, in the search for the missing young woman. In their separate ways the two men follow April's trail through some of the darker byways of the city to uncover crucial information on her whereabouts. And as Quirke becomes deeply involved in April's murky story, he encounters complicated and ugly truths about family savagery, Catholic ruthlessness, and race hatred. Both an absorbing crime novel and a brilliant portrait of the difficult and relentless love between a father and his daughter, this is Benjamin Black at his sparkling best.

Emergency Sex (And Other Desperate Measures) Andrew Thomson, Heidi Postlewait, Kenneth Cain, 2011-05-31 What it's really like on the frontline of humanitarian aid It's the early 1990s and three young people are looking to change their lives, and perhaps also the world. Attracted to the ambitious global peacekeeping work of the UN, Andrew, Ken and Heidi's paths cross in Cambodia, from where their fates are to become inextricably bound. Over the coming years, their stories interweave through countries such as Rwanda, Bosnia, Somalia and Haiti - war-torn, lawless places where the intervention of the UN is needed like nowhere else. Driven by idealism, the three struggle to do the best they can, caught up in an increasingly tangled web of bureaucracy and ineffectual leadership. As disillusionment sets in, they attempt to keep hold of their humanity through black humour, revelry and 'emergency sex'. Brutal and moving in equal measure, *Emergency Sex (And Other Desperate Measures)* explores pressing global issues while never losing a sense of the personal. Deeply critical of the West's indifference to developing countries and the UN's repeated failure to intervene decisively, the book provoked massive controversy on its initial publication. Kofi Annan called for the book to be banned, and debate was sparked about the future direction of the UN. Brilliantly written and mordantly funny, it is a book that continues to make waves.

What Does China Think? Mark Leonard, 2008-09-04 An invigorating book about the debates raging within China. We all know about the fast pace of change in this country. This book brings us the ideas being fought over in the country itself - from democracy to the idea of a 'peaceful rise'. It challenges all of our assumptions about China.

The Afterparty Leo Benedictus, 2012 A brilliantly clever, truly mind-bending satire about truth, lies, and the dark underbelly of 21st century celebrity life. This book is different. You've really never read a book like this before. It's the story of an April night that never happened. A night that changes everything for nerdy Michael, a Fleet Street worker ant, when he agrees to take his boss's invitation to an A-list party at a London club. Inside, reclusive movie star Hugo Marks is announcing his re-entrance to society. And the last thing Hugo needs is Mellody, his junkie supermodel wife, deciding now's the time to swan-dive off the wagon. Or drop-dead-gorgeous pop pup Calvin, hoping he can screw himself into their league. Yet not one of them sees the real crisis coming. The moment that will tangle their four lives into an intricate disaster. It happens at the afterparty. But then,

perhaps you knew that already.

Corpus-based Approaches to Construction Grammar Jiyoung Yoon, Stefan Th. Gries, 2016-09-08 This volume brings together empirical Construction Grammar studies to (i) promote cross-fertilization between researchers interested in constructional approaches on various languages, and (ii) further the growing trend towards empirically rigorous research that takes seriously a commitment not only to usage-based theories, but also to usage-based methodologies. Accordingly, the chapters in this volume comprise a range of studies not based on synchronic contemporary English but include Dutch, old English, Italian, and Spanish. This volume also features studies from a wider range of statistical sophistication: some chapters use more traditional frequency- and attestation-based approaches, some chapters use inferential statistical techniques to explore lexically specific preferences and patterns in constructional slots, and some chapters use multifactorial hypothesis-testing techniques or multivariate exploratory tools to discover patterns in corpus data that a mere eye-balling or simple statistical tools would not uncover.

The Solid Mandala Patrick White, 2011-01-11 This is the story of two people living one life. Arthur and Waldo Brown were born twins and destined never to grow away from each other. They spent their childhood together. Their youth together. Middle-age together. Retirement together. They even shared the same girl. They shared everything - except their view of things. Waldo, with his intelligence, saw everything and understood little. Arthur was the fool who didn't bother to look. He understood.
