Shadow of the Xel'naga Gabriel Mesta, 2002-01-19 Far in the future, 60,000 light-years from Earth, a loose confederacy of Terran exiles are locked in battle with the enigmatic Protoss and the ruthless Zerg Swarm. Each species struggles to ensure its own survival among the stars in a war that will herald the beginning of mankind's greatest chapter -- or foretell its violent, bloody end.

Bhekar Ro: a bleak, backwater world on the fringe of the Terran Dominion, where every day is a struggle to survive for its handful of human colonists. It is a veritable wasteland -- one speck of dust among many in the vast, dark sea of space. But when the most violent storm in recent memory unearths an unfathomable alien artifact, Bhekar Ro becomes the greatest prize in the Terran Sector -- the Holy Grail of the Zerg, the Protoss, and Humanity alike -- as forces from the three great powers converge to claim the lost secrets of the most powerful species the universe has ever known.

shadow of the xel'naga An original tale of space warfare novels set in the world of the bestselling computer game!

fi adventure, gamers are drawn to StarCraft's iconic central characters, Sarah Kerrigan and Jim Raynor, and its thrilling storyline chronicling the battle between the scrappy Terrans, mystifying Protoss and terrifying Zerg swarm. A visually distinctive, in-world overview of the entire StarCraft franchise, this unique book unveils new details about the wide range of combat forces and technology employed by each of the three primary races within the game universe. Starcraft Simon Furman, 2011 Betrayed by Tamsen Cauley, the man who let them out of prison, the War Pigs split up and thought to live out their days separately, hiding from friends and foes alike. Two years later they get an offer: if they kill Jim Raynor, Cauley will wipe the War Pigs' slates clean. They know they can't

trust him, but sticking together offers a slim chance of survival now that they've been found. And the Dominion may hate Raynor, but that doesn't make him a hero-- does it?--Jacket

StarCraft II: Heaven's Devils William C. Dietz, 2010-04-06 One marine squad, led by young upstart Jim Raynor and giant Tychus Findlay, are prepared to battle a corrupt government as it works for interplanetary domination in this action-packed thriller set in the StarCraft universe. For the poor, hardworking citizens of the Confederacy's fringe worlds, the Guild Wars have exacted a huge toll. Swayed by the promise of financial rewards, a new batch of recruits joins the fight alongside a slew of mysteriously docile criminals—and a few dubious military leaders. Eighteen-year-old Jim Raynor, full of testosterone and eager to make things right at home, ships off to boot camp, but he soon discovers that the official mission is not what he's really fighting for. For the first time ever, StarCraft enthusiasts will learn the origins of the enduring friendship between Jim Raynor and the streetwise soldier Tychus Findlay. Watch as they battle on the front lines of a fierce interplanetary war and bear witness to the Confederacy's rank corruption—corruption so reprehensible that it rains immeasurable death and destruction upon the government's own people.

Kittens Mini ,2003-05 Small, cute, and full of life, kittens are a joy to watch. At a young age kittens display a remarkable amount of curiosity and intelligence. This BrownTrout 2004 calendar has captured kittens at their best.

Girl Waits With Gun Amy Stewart,2015-09-01 NATIONAL BESTSELLER. The first in the Kopps Sisters Novel Series, *Girl Waits with Gun* is an enthralling novel based on the forgotten true story of one of the nation's first female deputy sheriffs. Constance Kopp doesn't quite fit the mold. She towers over most men, has no interest in marriage or domestic affairs, and has been isolated from

the world since a family secret sent her and her sisters into hiding fifteen years ago. One day a belligerent and powerful silk factory owner runs down their buggy, and a dispute over damages turns into a war of bricks, bullets, and threats as he unleashes his gang on their family farm. When the sheriff enlists her help in convicting the men, Constance is forced to confront her past and defend her family – and she does it in a way that few women of 1914 would have dared. A New York Times Editors' Choice “A smart, romping adventure, featuring some of the most memorable and powerful female characters I've seen in print for a long time. I loved every page as I followed the Kopp sisters through a too-good-to-be-true (but mostly true!) tale of violence, courage, stubbornness, and resourcefulness.”—Elizabeth Gilbert
