Mass Observation

Imperial Wine Jennifer Regan-Lefebvre, 2024-04-23 A fascinating and approachable deep dive into the colonial roots of the global wine industry. Imperial Wine is a bold, rigorous history of Britain's surprising role in creating the wine industries of Australia, South Africa, and New Zealand. Here, historian Jennifer Regan-Lefebvre bridges the genres of global commodity history and imperial history, presenting provocative new research in an accessible narrative. This is the first book to argue that today's global wine industry exists as a result of settler colonialism and that imperialism was central, not incidental, to viticulture in the British colonies. Wineries were established almost immediately after the colonization of South Africa, Australia, and New Zealand as part of a civilizing mission: tidy vines, heavy with fruit, were symbolic of Britain's subordination of foreign lands. Economically and culturally, nineteenth-century settler winemakers saw the British market as paramount. However, British drinkers were apathetic towards what they pejoratively called colonial wine. The tables only began to turn after the First World War, when colonial wines were marketed as cheap and patriotic and started to find their niche among middle- and working-class British drinkers. This trend, combined with social and cultural shifts after the Second World War, laid the foundation for the New World revolution in the 1980s, making Britain into a confirmed country of wine-drinkers and a massive market for New World wines. These New World producers may have only received critical acclaim in the late twentieth century, but Imperial Wine shows that they had spent centuries wooing, and indeed manufacturing, a British market for inexpensive colonial wines. This book is sure to satisfy any curious reader who savors the complex stories behind this commodity chain.

Istanbul: An Islamic History Guide Muhammad Wajid Akhter, 2024-01-28 Experiencing a city without knowing the history is like watching a blockbuster movie without a story – all sets and visuals, but devoid of dialogue, plot, and drama. We are travelling more than ever, but the story telling has not kept up. An amazing city like Istanbul becomes just another mosque, another palace and yet another sultan. This book aims to bring to life the stories behind the locations. Each story is accompanied by a lesson that can be applied to our lives. Why does a chain hang over the entrance to the Blue Mosque? Why do the chandeliers of Grand Mosques often have an ostrich egg at their centre? Who was Fatih and what made him special? This is a guidebook that prioritises the history of the locations and lessons we can learn from the past. If you want to experience Istanbul in a way that is a feast for the heart and mind as much as it is for the eyes and stomach, read on.

Yankel's Tavern Glenn Dynner, 2014 In *Yankel's Tavern*, Glenn Dynner investigates the role of Jews in tavern-keeping in the Kingdom of Poland between 1815 and the uprising of 1863-4 and its aftermath.

The English Spy: an Original Work, Characteristic, Satirical, and Humorous Charles Molloy Westmacott, 1825

Empire of Salons Helen Pfeifer, 2022-03-29 A history of the Ottoman incorporation of Arab lands that shows how gentlemanly salons shaped culture, society, and governance. Historians have typically linked Ottoman imperial cohesion in the sixteenth century to the bureaucracy or the sultan's court. In *Empire of Salons*, Helen Pfeifer points instead to a critical but overlooked factor: gentlemanly salons. Pfeifer demonstrates that salons—exclusive assemblies in which elite men displayed their knowledge and status—contributed as much as any formal institution to the empire's political stability. These key laboratories of Ottoman culture, society, and politics helped men to build relationships and exchange ideas across the far-flung Ottoman lands. Pfeifer shows that salons played a central role in Syria and Egypt's integration into the empire after the conquest of 1516–17. Pfeifer anchors her narrative in the life and network of the star scholar of sixteenth-century Damascus, Badr al-Din al-Ghazzi (d. 1577), and she reveals that Arab elites were more influential within the empire than previously recognized. Their local knowledge and scholarly expertise competed with, and occasionally even outshone, that of the most powerful officials from Istanbul. Ultimately, Ottoman culture of the era was forged collaboratively, by Arab and Turkophone actors alike. Drawing on a range of Arabic and Ottoman Turkish sources, *Empire of Salons* illustrates the extent to which magnificent gatherings of Ottoman gentlemen contributed to the culture and governance of empire.

All the Restaurants in New York John Donohue, 2019-05-14 "An emotional trip down memory lane for those of us who count our favorite restaurants as cherished personalities and members of our family." —Danny Meyer, founder of Shake Shack From romantic spots like Le Bernardin to beloved holes-in-the-wall like Corner Bistro, John Donohue renders people's favorite restaurants in a manner that captures the emotional pull a certain place can have on the hearts of New Yorkers. *All the Restaurants in New York* is a collection of these drawings, characterized by their appealingly loose and gently distorted lines. These transportive images are intentionally spare, leaving the viewer room to layer on their own meaning and draw connections to their own memories of a place, of a time, of an atmosphere. Featuring an eclectic mix of 100 restaurants—from Minetta Tavern to Frankies 457 and River Café—this charming collection of drawings is accompanied by interviews with the owners, chefs, and loyal patrons of these much-loved restaurants. "I love John's spare, romantic, quirky portrayals of iconic New York restaurants so much that I purchased over a dozen of his prints to hang around my office. These places come to define our lives in New York—that job right next to Balthazar, that boyfriend who lived above Prune, that interview that took place at '21' . . . They deserve this spotlight, this tribute." —Amanda Kludt, Editor in Chief, Eater "John Donohue is the Rembrandt of New York City's restaurant facades. His collection is an invaluable, evocative guide to the ever-changing, slowly vanishing landscape of the city's great dining scene. It belongs on the bookshelf of every devout chowhound and fresser." —Adam Platt, Restaurant Critic, New York magazine

Montana Watering Holes Joan Melcher, 2009-10-14 In many small towns across Montana, the local bar is also the only restaurant and is an important part of community life. In larger towns and cities, gems from Montana's Wild West past are still found. This book celebrates the quirky, unusual, and downright fun and entertaining saloons across the state. *Montana Watering Holes* features more than fifty of the best spots to stop for a drink (or a burger) scattered across Montana. From big-city spots like the Rhino in Missoula (with its 150 beers on tap) to the famous cheeseburgers at the bar in Pony (pop. 50), community spirit and tradition abound in the nineteenth- and early-twentieth-century buildings that have served as saloons, restaurants, and gathering places throughout the Treasure State. This book describes the best of the best, offering geographic diversity, anecdotes, and sidebars on local characters from the past. It is illustrated with archival and contemporary black-and-white photographs.

The Pub and the People Mass Observation, 2011-11-03 Mass Observation was founded in 1937 with the aim of researching the everyday lives of ordinary people in Britain. One of its best-loved publications is *The Pub and the People* (1943), a unique study of one of Britain's best-loved pastimes, describing how people behaved in pubs, what and how much they drank, and the decor and layout of the average pre-war alehouse. Alongside sociological interest it offers amusing insights into an era when supping pints was only for the roughest customers, and beer was considered helpful not only to general health ('There is no bad ale, so Grandma said') but also (contra the porter in *Macbeth*) to the act of love. 'The authors of this book have unearthed much curious information.' George Orwell, Listener 'Anyone with an interest in the history of beer and pubs in Britain ought to read it.' Boak and Bailey's Beer Blog

The Stork Club Bar Book Lucius Beebe, 2015-05-07

Cafe Royal Cocktail Book Frederick Carter, Jared McDaniel Brown, Tarling W. J., 2008-05-01 Originally published in 1937 by the United Kingdom Bartenders Guild, *Cafe Royal Cocktail Book* compiled by William J Tarling offers a rare glimpse into the wide array of drinks offered in London bars between the two world wars. Tarling, head bartender at the Cafe Royal during had two goals. He wanted to extend this resource to consumers. He also wanted to raise funds for the United Kingdom Bartenders Guild Sickness Fund and the Cafe Royal Sports Club Fund. Thus, he drew from the recipes previously compiled for *Approved Cocktails*, and added more of his own. He also collected many more original recipes from his contemporaries. The result was an outstanding and timely book. It did more than gather recipes, it captured a boom time in the history of cocktails, glass by glass. Sadly, there was only one printing and it became an unobtainable rarity, locking away a time capsule of drinks and knowledge. Reproduced in collaboration with the UKBG, Exposition Universelle des Vins et Spiritueux, and Mixellany Limited, this facsimile edition unlocks that knowledge for a new generation of consumers and bartenders around the world. Within these pages are some of the earliest known recipes for drinks made with tequila and vodka as well as memorable concoctions made with absinthe and other recently revived ingredients—an essential addition to every cocktail book library.

Forced Founders Woody Holton, 2011-01-20 In this provocative reinterpretation of one of the best-known events in American history, Woody Holton shows that when Thomas Jefferson, George Washington, and other elite Virginians joined their peers from other colonies in declaring independence from Britain, they acted partly in response to

grassroots rebellions against their own rule. The Virginia gentry's efforts to shape London's imperial policy were thwarted by British merchants and by a coalition of Indian nations. In 1774, elite Virginians suspended trade with Britain in order to pressure Parliament and, at the same time, to save restive Virginia debtors from a terrible recession. The boycott and the growing imperial conflict led to rebellions by enslaved Virginians, Indians, and tobacco farmers. By the spring of 1776 the gentry believed the only way to regain control of the common people was to take Virginia out of the British Empire. Forced Founders uses the new social history to shed light on a classic political question: why did the owners of vast plantations, viewed by many of their contemporaries as aristocrats, start a revolution? As Holton's fast-paced narrative unfolds, the old story of patriot versus loyalist becomes decidedly more complex.

If I Ran for President Catherine Stier,2007-01-01 Library Media Connection Editor's Choice Award Imagine starring in commercials and traveling in your own campaign bus! Or seeing your face on bumper stickers and T-shirts! If you ran for president, you would get to do these and other fun things, but you would also have to do a lot of hard work. You would study the nation's problems, tell the American people about your platform, select a running mate, and debate your opponents on live television. Finally, in November, Election Day would arrive. You would keep your fingers crossed and wait for the results—will you be the next president of the United States? A multicultural cast of children imagines what it would be like to run for president. The entertaining yet informative text is a good conversation starter for discussions on the election process. A note about this process accompanies the story.

Twelve Caesars Mary Beard,2021-10-12 The story of how images of Roman autocrats have influenced art, culture, and the representation of power for more than 2,000 years. What does the face of power look like? Who gets commemorated in art and why? And how do we react to statues of politicians we deplore?

America Walks into a Bar Christine Sismondo,2011-10-01 When George Washington bade farewell to his officers, he did so in New York's Fraunces Tavern. When Andrew Jackson planned his defense of New Orleans against the British in 1815, he met Jean Lafitte in a grog shop. And when John Wilkes Booth plotted with his accomplices to carry out an assassination, they gathered in Surratt Tavern. In *America Walks into a Bar*, Christine Sismondo recounts the rich and fascinating history of an institution often reviled, yet always central to American life. She traces the tavern from England to New England, showing how even the Puritans valued a good Beere. With fast-paced narration and lively characters, she carries the story through the twentieth century and beyond, from repeated struggles over licensing and Sunday liquor sales, from the Whiskey Rebellion to the temperance movement, from attempts to ban treating to Prohibition and repeal. As the cockpit of organized crime, politics, and everyday social life, the bar has remained vital--and controversial--down to the present. In 2006, when the Hurricane Katrina Emergency Tax Relief Act was passed, a rider excluded bars from applying for aid or tax breaks on the grounds that they contributed nothing to the community. Sismondo proves otherwise: the bar has contributed everything to the American story. Now in paperback, Sismondo's heady cocktail of agile prose and telling anecdotes offers a resounding toast to taprooms, taverns, saloons, speakeasies, and the local hangout where everybody knows your name.

Alcohol in the Early Modern World B. Ann Tlusty,2021-05-06 This book examines how the profound religious, political, and intellectual shifts that characterize the early modern period in Europe are inextricably linked to cultural uses of alcohol in Europe and the Atlantic world. Combining recent work on the history of drink with innovative new research, the eight contributing scholars explore themes such as identity, consumerism, gender, politics, colonialism, religion, state-building, and more through the revealing lens of the pervasive drinking cultures of early modern peoples. Alcohol had a place at nearly every European table and a role in much of early modern experience, from building personal bonds via social and ritual drinking to fueling economies at both micro and macro levels. At the same time, drinking was also at the root of a host of personal tragedies, including domestic violence in the home and human trafficking across the Atlantic. *Alcohol in the Early Modern World* provides a fascinating re-examination of pre-modern beliefs about and experiences with intoxicating beverages.

The Imperial Saloon.jpg Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Imperial Saloon.jpg free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Imperial Saloon.jpg free PDF files of

magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Imperial Saloon.jpg free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Imperial Saloon.jpg. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Imperial Saloon.jpg any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Imperial Saloon.jpg Books

1. Where can I buy The Imperial Saloon.jpg books?
 - Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
 - Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
 - Hardcover: Sturdy and durable, usually more expensive.
 - Paperback: Cheaper, lighter, and more portable than hardcovers.
 - E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Imperial Saloon.jpg book to read?
 - Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
 - Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.
 - Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Imperial Saloon.jpg books?
 - Storage: Keep them away from direct sunlight and in a dry environment.
 - Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.
 - Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them?
 - Public Libraries: Local libraries offer a wide range of books for borrowing.
 - Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection?
 - Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections.
 - Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are The Imperial Saloon.jpg audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Imperial Saloon.jpg books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
