The Just Church Jim Martin, 2012-09-21 Are you ready for a new way to seek justice – an ancient way to know God? Finally, a practical guide on how to do justice and grow in discipleship –from those on the frontlines of the battle in the world’s darkest and most dangerous places. Jim Martin and International Justice Mission are experts not only at bringing rescue to victims of violence, sex trafficking, slavery, and oppression, but also, at bringing churches into the fight, through concrete steps that actually make a difference. Learn how to carry out one of the Bible’s core commands—to seek justice—in a way that amounts to more than mere words and good intentions. In the process, you’ll discover one of the most powerful tools to grow faith and deepen discipleship. In *The Just Church*, Martin shares tangible, accessible strategies to respond to God’s call to seek justice, defend the widow and orphan, and rescue the oppressed . . . whether in far-off places or right in your own community

Becoming a Just Church Adam L. Gustine, 2019-02-12 IVP Readers' Choice Award Stop outsourcing justice! Many local churches don't know what to do about justice. We tend to compartmentalize it as merely a strategy for outreach, and we often outsource it to parachurch justice ministries. While these organizations do good work, individual congregations are left disconnected from God's just purposes in the world. Adam Gustine calls the local church to be just and do justice. He provides a theological vision for our identity as a just people, where God's character and the pursuit of shalom infuses every aspect of our congregational DNA. As we grow in becoming just, the church becomes a prophetic alternative to the broken systems of the world and a parable of God's intentions for human flourishing and societal transformation. This renewed vision for the church leads us into cultivating a just life together—in community, discipleship, worship, and more—extending justice out into the world in concrete ways. Let's hold being and doing together, so we can become just, compassionate communities that restore shalom and bring hope to the world.

God of Justice Abraham George, Nikki A. Toyama-Szeto, 2015-06-02 Readers' Choice Award Winner The level of injustice in the world is staggering. The church can respond. International Justice Mission (IJM) has rescued thousands of people from oppression and violence. IJM also partners with thousands of churches to help them live out the mandate of Isaiah 1:17: to seek justice, rescue the oppressed and care for orphans and widows. Christians need to be equipped and mobilized to be the hands and feet of Jesus to those who are vulnerable and oppressed. The God of Justice is a twelve-session, discussion-based curriculum from IJM that explores the biblical narrative of justice throughout the whole of Scripture, from Genesis to Revelation. Through the participatory study of Scripture, Christians will explore God's call to engage in bringing about justice on earth. While coming to a deeper knowledge and understanding of biblical justice, participants will draw personal application for the pursuit of justice ministry in their individual lives and the wider church. Prepare to have your heart and mind engaged, to be instructed by Scripture, and to be challenged by real-life stories of people freed by the God of justice. This curriculum will help you and your church bring freedom, restoration and reconciliation to those in need. Discover how God reveals himself to those who join him on his justice journey!

True Story James Choung, 2022-05-03 There must be more to the Christian story. In this engaging narrative, James Choung weaves the tale of a search for a Christianity worth believing in. Disillusioned believer Caleb and hostile skeptic Anna wrestle with the plausibility of the Christian story in a world of pain and suffering. They ask each other tough questions about what Jesus really came to do and what Christianity is supposed to be about. Along the way, they discover that real Christianity is far bigger than anything they heard about in church. And the conversion that comes is not one that either of them expects. Join Caleb and Anna on their spiritual journeys as they probe Christianity from inside and out. Get past old clichés and simplistic formulas. And discover a new way of understanding and presenting the Christian faith that really matters in a broken world. First published in 2008, *True Story* introduced Choung's groundbreaking approach to explaining the gospel. Now with a new preface, it is part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. A new companion Bible study guide is also available.

Kumba Africa Sampson Ejike Odum, 2020-11-03 ‘KUMBA AFRICA’, is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven’t tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

The Next Evangelicalism Soong-Chan Rah,2009-08-20 2010 Golden Canon Leadership Book Award winner The future is now. Philip Jenkins has chronicled how the next Christendom has shifted away from the Western church toward the global South and East. Likewise, changing demographics mean that North American society will accelerate its diversity in terms of race, ethnicity and culture. But evangelicalism has long been held captive by its predominantly white cultural identity and history. In this book professor and pastor Soong-Chan Rah calls the North American church to escape its captivity to Western cultural trappings and to embrace a new evangelicalism that is diverse and multiethnic. Rah brings keen analysis to the limitations of American Christianity and shows how captivity to Western individualism and materialism has played itself out in megachurches and emergent churches alike. Many white churches are in crisis and ill-equipped to minister to new cultural realities, but immigrant, ethnic and multiethnic churches are succeeding and flourishing. This prophetic report casts a vision for a dynamic evangelicalism that fully embodies the cultural realities of the twenty-first century. Spiritual renewal is happening within the North American church, from corners and margins not always noticed by those in the center. Come, discover the vitality of the next evangelicalism.
