Telex Iran Gilles Peress, Ghulām Ḥusayn Sā'idī, 1997 Telex : Iran is an extraordinarily personal document of a public event. The photographs Gilles Peress took over a five-week period during the 1979/80 seizure of the American embassy in Tehran form neither a study nor an analysis. Peress didn't plan to go to Iran: the instant imagery, the caricatures of fanatics on his TV got to him. He felt the need to understand for himself the apparent madness about which the Western media could only generalize

8 Class Pets + 1 Squirrel ÷ 1 Dog = Chaos Vivian Vande Velde, 2014-01-24 Running into the school to escape a hungry owl was easy. But with the door locked and an angry dog chasing him, how will Twitch the squirrel get back out? He'll need a hand, of course. . . . and maybe a paw, a fin, and a wing, too. Can the classroom pets—including Sweetie the library rat, a snake named Angel, and the first graders' Green Eggs and Hamster—help Twitch get back to his cozy home in the trees? Each chapter is told in the voice of a different animal as the squirrel works his way through the school, visiting each classroom and trying to stay one step ahead of the principal's menacing dog, Cuddles. The different perspectives make this a perfect introduction to narrative point-of-view—and an extra-funny read-aloud. Lively black and white illustrations add to the humor, depicting Twitch's mad dash through the school and the chaos created by a band of class pets on the loose. With short, funny chapters, young readers will race through this novel to find out

what the pets do next. For more of Twitch's adventures, check out Squirrel in the House and Squirrel in the Museum.

The White Devil's Daughters Julia Flynn Siler, 2019 A revelatory history of the trafficking of young Asian girls that flourished in San Francisco during the first century of Chinese immigration (1848-1943), and the safe house on the edge of Chinatown that became a refuge for those seeking their freedom. From 1874, a house on the edge of San Francisco's Chinatown served as a gateway to freedom for thousands of enslaved and vulnerable young Chinese women and girls. Known as the Occidental Mission Home, it survived earthquakes, fire, bubonic plague, and violence directed against its occupants and supporters-- a courageous group of female abolitionists who fought the slave trade in Chinese women, challenging the corrosive, anti-Chinese prejudices of the time. Siler relates how the women who ran the house defied contemporary convention, even occasionally broke the law, by physically rescuing children from the brothels where they worked, or snatching them off the ships smuggling them in, and helped bring the exploiters to justice. She has also uncovered the stories of many of the girls and young women who came to the Mission and the lives they later led, sometimes becoming part of the home's staff themselves. A remarkable story of an overlooked part of our history, told with sympathy and vigor.--

The Great Movies III Roger Ebert, 2010-10-15 Roger Ebert has been writing film reviews for the Chicago Sun-Times for over four decades now and his

biweekly essays on great movies have been appearing there since 1996. As Ebert noted in the introduction to the first collection of those pieces, "They are not the greatest films of all time, because all lists of great movies are a foolish attempt to codify works which must stand alone. But it's fair to say: If you want to take a tour of the landmarks of the first century of cinema, start here. Enter *The Great Movies III*, Ebert's third collection of essays on the crème de la crème of the silver screen, each one a model of critical appreciation and a blend of love and analysis that will send readers back to the films with a fresh set of eyes and renewed enthusiasm—or maybe even lead to a first-time viewing. From *The Godfather: Part II* to *Groundhog Day*, from *The Last Picture Show* to *Last Tango in Paris*, the hundred pieces gathered here display a welcome balance between the familiar and the esoteric, spanning Hollywood blockbusters and hidden gems, independent works and foreign language films alike. Each essay draws on Ebert's vast knowledge of the cinema, its fascinating history, and its breadth of techniques, introducing newcomers to some of the most exceptional movies ever made, while revealing new insights to connoisseurs as well. Named the most powerful pundit in America by *Forbes* magazine, and a winner of the Pulitzer Prize, Roger Ebert is inarguably the most prominent and influential authority on the cinema today. *The Great Movies III* is sure to please his many fans and further enhance his reputation as America's most respected—and trusted—film critic.

127 Hours Aron Ralston, 2011-02-03 On Sunday April 27, 2003, 27-year old Aron Ralston set off for a day's hiking in the Utah canyons. Dressed in a t-shirt and shorts, Ralston, a seasoned climber, figured he'd hike for a few hours and then head off to work. 40 miles from the nearest paved road, he found himself on top of an 800-pound boulder. As he slid down and off of the

boulder it shifted, trapping his right hand against the canyon wall. No one knew where he was; he had little water; he wasn't dressed correctly; and the boulder wasn't going anywhere. He remained trapped for five days in the canyon: hypothermic at night, de-hydrated and hallucinating by day. Finally, he faced the most terrible decision of his life: braking the bones in his wrist by snapping them against the boulder, he hacked through the skin, and finally succeeded in amputating his right hand and wrist. The ordeal, however, was only beginning. He still faced a 60-foot rappell to freedom, and a walk of several hours back to his car - along the way, he miraculously met a family of hikers, and with his arms tourniqued, and blood-loss almost critical, they heard above them the whir of helicopter blades; just in time, Aron was rescued and rushed to hospital. Since that day, Aron has had a remarkable recovery. He is back out on the mountains, with an artificial limb; he speaks to select groups on his ordeal and rescue; and amazingly, he is upbeat, positive, and an inspiration to all who meet him. This is the account of those five days, of the years that led up to them, and where he goes from here. It is narrative non-fiction at its most compelling.

The Wednesday Sisters Meg Waite Clayton, 2009-05-05 NEW YORK TIMES BESTSELLER • Friendship, loyalty, and love lie at the heart of this beautifully written, poignant, and sweeping novel of five women who, over the course of four decades, come to redefine what it means to be family. "This generous and inventive book is a delight to read, an evocation of the power

of friendship to sustain, encourage, and embolden us. Join the sisterhood!"—Karen Joy Fowler, author of *The Jane Austen Book Club* For thirty-five years, Frankie, Linda, Kath, Brett, and Ally have met every Wednesday at the park near their homes in Palo Alto, California. Defined when they first meet by what their husbands do, the young homemakers and mothers are far removed from the Summer of Love that has enveloped most of the Bay Area in 1967. These "Wednesday Sisters" seem to have little in common: Frankie is a timid transplant from Chicago, brutally blunt Linda is a remarkable athlete, Kath is a Kentucky debutante, quiet Ally has a secret, and quirky, ultra-intelligent Brett wears little white gloves with her miniskirts. But they are bonded by a shared love of both literature—Fitzgerald, Eliot, Austen, du Maurier, Plath, and Dickens—and the Miss America Pageant, which they watch together every year. As the years roll on and their children grow, the quintet forms a writers circle to express their hopes and dreams through poems, stories, and, eventually, books. Along the way, they experience history in the making: Vietnam, the race for the moon, and a women's movement that challenges everything they have ever thought about themselves, while at the same time supporting one another through changes in their personal lives brought on by infidelity, longing, illness, failure, and success. Humorous and moving, *The Wednesday Sisters* is a literary feast for book lovers that earns a place among those popular works that honor the joyful, mysterious, unbreakable bonds between friends.

D'Vaughn and Kris Plan a Wedding Chencia C. Higgins, 2022-01-25 A NEW YORK TIMES BEST ROMANCE OF 2022 A TODAY SHOW BEST ROMANCE PICK FROM NEW YORK TIMES BESTSELLING AUTHOR JASMINE GUILLORY D'Vaughn and Kris have six weeks to plan their dream wedding. Their whole relationship is fake. Instant I Do could be Kris Zavala's big break. She's right on the cusp of really making it as an influencer, so a stint on reality TV is the perfect chance to elevate her

brand. And \$100,000 wouldn't hurt, either. D'Vaughn Miller is just trying to break out of her shell. She's sort of neglected to come out to her mom for years, so a big splashy fake wedding is just the excuse she needs. All they have to do is convince their friends and family they're getting married in six weeks. If anyone guesses they're not for real, they're out. Selling their chemistry on camera is surprisingly easy, and it's still there when no one else is watching, which is an unexpected bonus. Winning this competition is going to be a piece of wedding cake. But each week of the competition brings new challenges, and soon the prize money's not the only thing at stake. A reality show isn't the best place to create a solid foundation, and their fake wedding might just derail their relationship before it even starts. Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters.

Rescuing the Children Deborah Hodge, 2012-10-09 This important book tells the story of how ten thousand Jewish children were rescued out of Nazi Europe just before the outbreak of World War 2. They were saved by the Kindertransport – a rescue mission that transported the children (or Kinder) from Nazi-ruled countries to safety in Britain. Make Love the Bruce Campbell Way Bruce Campbell, 2015-10-01 What you're

reading right now is known as the cover copy, or "flap copy." This is where the 84,951 words of my latest book are cooked down to 350 words or less to capture your imagination/download. I pondered how to do that. Should I cut to the chase and reveal pivotal plot points like the one at the end of the book where the little girl on crutches points an accusing finger and shouts, the killer is Mr. Porter? No. I have too much respect for you as an intelligent consumer to attempt such an obvious ruse. But let's not play games here. You clicked your way to this page, so you either: A. Know who I am. B. Like the cool smoking jacket I'm wearing on the cover. Or: C. Thought this was a secret link to Ashley Madison. Is it a sequel to my autobiography *If Chins Could Kill: Confessions of a B Movie Actor*? Sadly, no, which made it much harder to write. Is it an autobiographical novel? Yes. I am the lead character in the story (coincidentally an actor), and I am a real person, and everything in the book actually happened - except for the stuff that didn't. The action revolves around my preparations for a pivotal role in the A-list relationship film, *Let's Make Love!* My Homeric attempt to break through the glass ceiling of B-grade genre fair is hampered by a vengeful studio executive and a production that becomes infected by something called the B-movie virus - symptoms of which include excessive use of cheesy special effects, slapstick, and projectile vomiting. From a violent fistfight with a Buddhist to a life-altering stint in federal prison, this novel has it all. And if the 84,951 words are too time-consuming, there are lots and lots of

cool graphics – all of which have been upgraded to vibrant color since the first publication. I hope you enjoy the book – and if you learn anything at all about making love, please share it with me! Regards, Bruce Go Ahead and Call Me Ash Campbell

Heart: A History Sandeep Jauhar, 2018-09-18 The bestselling author of *Intern and Doctored* tells the story of the thing that makes us tick For centuries, the human heart seemed beyond our understanding: an inscrutable shuddering mass that was somehow the driver of emotion and the seat of the soul. As the cardiologist and bestselling author Sandeep Jauhar shows in *Heart: A History*, it was only recently that we demolished age-old taboos and devised the transformative procedures that have changed the way we live. Deftly alternating between key historical episodes and his own work, Jauhar tells the colorful and little-known story of the doctors who risked their careers and the patients who risked their lives to know and heal our most vital organ. He introduces us to Daniel Hale Williams, the African American doctor who performed the world's first open heart surgery in Gilded Age Chicago. We meet C. Walton Lillehei, who connected a patient's circulatory system to a healthy donor's, paving the way for the heart-lung machine. And we encounter Wilson Greatbatch, who saved millions by inventing the pacemaker—by accident. Jauhar deftly braids these tales of discovery, hubris, and sorrow with moving accounts of his family's history of heart ailments and the patients he's treated over many years. He also confronts the limits of medical technology,

arguing that future progress will depend more on how we choose to live than on the devices we invent. Affecting, engaging, and beautifully written, *Heart: A History* takes the full measure of the only organ that can move itself.
