Rebel Skies Ann Sei Lin, 2024-02-13 Ann Sei Lin's enchanting and action-packed debut, first in a series, will sweep readers away to an aerial world of magic, danger and political intrigue. Perfect for fans of Elizabeth Lim, Kalynn Bayron and the films of Studio Ghibli. Kurara has never known any other life than being a servant onboard the Midori, a flying ship serving the military elite of the Mikoshiman Empire, a vast realm of floating cities. Kurara also has a secret — she can make folded paper figures come to life with a flick of her finger. But when the Midori is attacked and Kurara's secret turns out to be a power treasured across the empire, a gut-wrenching escape leads her to the gruff Himura, who takes her under his wing. Under Himura's tutelage, and with the grudging support and friendship of his crew, Kurara learns to hunt shikigami — wild paper spirits sought after by the Princess of Mikoshima. But what does the princess really want with the shikigami? Are they merely enchanted figures without will or thought, or are they beings with souls and minds of their own? As fractures begin to appear both across the empire and within Kurara's understanding of herself, Kurara will have to decide who she can trust. Her fate, and the fate of her friends — and even the world — may rest on her choice. And time is running out.

Goddess and Mythology Coloring Book Selina Fenech, 2016-07-13 Explore your inner goddess and discover peace and power through coloring with this goddess and mythology inspired coloring book by Selina Fenech. This coloring book features 25 goddesses, gods, and female characters from many world mythologies, ready to be brought to life with color! This book includes TWO full sets of the 25 artworks, for a total of 50 pages to color in. Page size is 8.5x11 inches, letter size. Images on one side only for easy removal and display. Images are framed within the page, not full bleed. These intricate designs are suitable for adults and experienced colorists. Parental discretion advised for younger artists as some artworks contain artistic/concealed nudity and sensual goddess imagery. Goddesses from all over the world, including Antheia, Aphrodite, Arianrhod, Athena, Blodeuwedd, Ceridwen, Coventina, Diana, Echo, Fidelma, Gaia, Guanyin, Horned God and Goddess, Ishtar, Isis, Lady of the Lake, Morrigan Triple Goddess, Nuwa, Oshun, Rhiannon, Selene, Shiva and Parvati, Tempestas, Valkyrie, Wiccan god and goddess. From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.
