**The Adventures of Gremlin** DuPre Jones,Edward Gorey,2013-06-15 In this fairly far-fetched fairy tale, a plucky little girl named Gremlin and her brother, Zeppelin, leave their childhood home - a woodsman's cottage, of course - in the kingdom of Etaoin and set out to see the world. Clambering through an enchanted forest and navigating pirate-infested seas en route to the Royal Palace (where a drastic change of circumstance awaits), they encounter a host of quirky characters beyond anything the Brothers Grimm ever imagined. Yes, there are knights (good and evil), a giant and the requisite fairy godmother. But there's also an inn full of doom-and-gloom beatniks, a peevish wombat, a poet whose limericks probe the meaning of life and a flightless parrot who spouts Latin. Anything but a fainthearted waif, Gremlin takes surprises and setbacks in stride, retaining her innocence and good humour all the while. DuPre Jones's witty, clever and decidedly grown-up text full of puns, double entendres, literary references and sly characterisations of human foibles - coupled with pen-and-ink illustrations by renowned artist Edward Gorey - makes The Adventures of Gremlin a devilishly fun read for adults, as well as a welcome update to the Gorey illustration canon.

**Drac and the Gremlin** Allan Baillie,1991 Drac, the Warrior Queen, is in terrible danger. And it's up to the Gremlin of the Groaning Grotto to help...

**Gremlins** Michael Teitelbaum,1984 Billy, Kate, and Gizmo get rid of all the evil gremlins except their leader, Stripe.

The Gremlins Roald Dahl,2006 Friendly little gremlins help a Royal Air Force fighter pilot in World War II.

**Taming Your Gremlin (Revised Edition)** Rick Carson,2009-10-06 This is a completely updated edition of the 1983 classic that introduced a powerful method for gaining freedom from self-defeating behaviors and beliefs. Rick Carson, creator of the renowned Gremlin-Taming™ Method, has revised the book to include fresh interactive activities, real-life vignettes we can all identify with, and new loathsome gremlins ripe for taming. Carson blends his laid-back style, Taoist wisdom, the Zen Theory of Change, and sound psychology in an easy-to-understand, unique, and practical system for banishing the nemesis within. Among the things you will learn are: Techniques for getting a sliver of light between the natural you and the monster of your mind. The extraordinary power of simply noticing and playing with options. Six keys to maintaining emotional balance amid upheaval.

Gremlins 2, the New Batch Michael Teitelbaum,1990 The ailing owner of Gizmo dies and the creature produces some gremlins before a new owner takes him over.

The Gremlin William W. Lougheed,1999-12 The Gremlin is a light-hearted account of the coming of age of twelve-year-old Upton Valentine. In 1970 Upton finds himself at a crossroads. He possesses a newly acquired independence, coupled with an evolving perception of his mostly dysfunctional friends, and a profound shift in emotions toward young Rebecca Stewart. But as summer commences, an overbearing father enters him in the Soap Box Derby, a professional mother announces the family's impending move to another town, and a bully from the past returns to torment the lad once again. Amid youthful summer shenanigans, Upton must cope daily with these unexpected diversions. As the summer unfolds, Upton develops a profound awareness through close interaction with his friends, family, a very special girl, and an unscrupulous bully, both on and off the trail to the derby. He succeeds in the onerous task of designing and building his racer, he witnesses the demise of the unscrupulous bully, and he comes to terms with the inevitable changes that life relentlessly imposes. As for the title, it was in 1970 that now defunct American Motors rolled out an amusingly bizarre little auto called Gremlin. In the story, a brash car dealer sponsors Upton's entry into the derby, with the strict requirement that the racer be called the Gremlin. That silly little auto surprisingly emerges as the catalyst that young Upton needs to rouse his spirit and bring about his poignant coming of age.

When Gordon is left all alone he promises to change his ways, but will he be able to keep that promise? Gordon's the naughtiest, as you'll soon see... No one outshines him for mischief and mess, In naughtiness terms he's up with the best. Cutting up socks, rearranging cupboards, stripping the leaves off plants, even tying all the electrical cords in knots. Gordon just loves to make mischief. That is until one morning when he finds that all the humans in his house have gone and he is all alone. So he makes a promise to be good from then on, if only the humans would come back. But if they do come back will he be able to keep his promise, or is being naughty just too much fun?
