Thomas Weisser,Yuko Mihara Weisser

A Japanese and English Dictionary James Curtis Hepburn,1867

From Mummies to Microchips Joyce Tyldesley,Nicky Nielsen,2020-05-21 This volume offers a detailed case study of the internationally acclaimed online programmes in Egyptology at the University of Manchester, UK. It distils over a decade of online teaching experience and student feedback, providing guidance for instructors developing their own online offerings. Today, many universities are actively encouraging their teaching staff towards the development of: • online programmes (programmes to be taught entirely online) and/or • online units (units to be incorporated into "blended" programmes taught partially online and partially face-to-face). Unfortunately, the staff tasked with the development of online learning rarely have access to the expertise that they need to help them utilise their teaching skills to their full potential. Technical assistance may be provided by the university e-learning department, but pedagogical and practical help – the support of colleagues with many years' experience teaching online – is lacking. Written by experts, the book provides an invaluable guide for those wishing – or being compelled – to establish their own online courses within the humanities.

Japanese Cinema Encyclopedia Thomas Weisser,Yuko Mihara Weisser,1997 Those familiar with the author's previous forays into the world of Hong Kong Cinema and Spaghetti Westerns will know pretty much what to expect here, and it falls far short of any dictionary definition of essential. Short, cursory capsule reviews, short on insight, style and cultural context and high on typographical and factual errors, accompanied by an arbitrary star rating from one to four. The main virtue of Weisser's self-published book is its rigorously completist approach. Even though it states that it is not the aim to include every single film from Japan ever released, with separate editions available for a more complete look at Horror, Science Fiction and Fantasy, and Sex Films, and one planned for animation (pleae check our subsiquent books [sic], Weisser writes in the intro for the fourth edition), this initial volume certainly covers a lot of films and does give quite a good indication as to how much is actually out there.

Spaghetti Westerns--the Good, the Bad and the Violent Thomas Weisser,2014-03-11 Spaghetti Westerns--mostly produced in Italy or by Italians but made throughout Europe--were bleaker, rougher, grittier imitations of Hollywood Westerns, focusing on heroes only slightly less evil than the villains. After a main filmography covering 558 Spaghetti Westerns, another section provides filmographies of personnel--actors and actresses, directors, musical composers, scriptwriters, cinematographers. Appendices provide lists of the popular Django films and the Sartana films, a listing of U.S.-made Spaghetti Western lookalikes, top ten and twenty lists and a list of the genre's worst.

A Life Less Ordinary John Hodge,1997 He's a down-on-his-luck janitor with aspirations of writing the great American trash novel. She's the spoiled, sharp-tongued boss's daughter, always looking for a creative way to spice up her boring life. Normally, these two would never meet, but a higher power has different plans for both of them. The major motion picture from 20th Century Fox starring Ewan McGregor, Cameron Diaz and Holly Hunter hits the box office in October.

Japanese Cinema Thomas Weisser,Yuko Mihara Weisser,1998 The largest, most complete English language listing of contemporary Japanese films. Every major theatrical film released in Japan between 1965-1998 is listed along with capsule reviews, background information, director and cast credits, and alternate titles.

Asian Cult Cinema Thomas Weisser,1997 This book includes hundreds of writings and reviews of cinemas as well as a director filmography.
