Site Fidelity: Stories Claire Boyles, 2021-06-15 Finalist for the 2022 Reading the West Debut Fiction Award Finalist for the 2022 Colorado Book Award for Literary Fiction Longlisted for the 2022 PEN/Robert W. Bingham Prize for Debut Short Story Collection Set in the western sagebrush steppe, *Site Fidelity* is a vivid, intimate, and deeply human exploration of life on the shifting terrain of our changing planet. Firmly rooted in the modern American West, *Site Fidelity* follows women and families who feel the instinctual, inexplicable pull of a home they must work to protect from the effects of economic inequity and climate catastrophe. A seventy-four-year-old nun turns to eco-sabotage to stop a fracking project. A woman delivers her own baby in a Nevada ghost town. A young farmer hides her chicken flock from the government during a bird flu epidemic. An ornithologist returns home to care for her rancher father and gets caught up trying to protect a breeding group of endangered Gunnison sage grouse. In lean, lyrical prose, Claire Boyles evokes the bleakness and beauty of our threatened western landscapes. Spanning the decades from the 1970s to a plausible near future, this knockout debut introduces unforgettable characters who must confront the challenges of caregiving and loss alongside the very practical impacts of fracking, water rights law, and other agricultural policies. *Site Fidelity* is a vivid, intimate, and deeply human exploration of life on the shifting terrain of our changing planet.

GodPretty in the Tobacco Field Kim Michele Richardson, 2021-03-30 A young woman in 1969 Kentucky imagines what life can be through the gorgeously designed, handmade paper fortunetellers she distributes to the townsfolk while she tries to deal with the prejudice and hardship faced by an African-American neighbor she befriends.

Home Remedies Xuan Juliana Wang, 2019-05-14 A FINALIST FOR THE NEW YORK PUBLIC LIBRARY YOUNG LIONS FICTION AWARD • SHORTLISTED FOR THE PEN/ROBERT W. BINGHAM PRIZE FOR DEBUT SHORT STORY COLLECTION • WINNER OF THE CALIFORNIA BOOK AWARDS GOLD MEDAL IN FIRST FICTION • WINNER OF THE JOHN ZACHARIS FIRST BOOK AWARD • LONGLISTED FOR THE STORY PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL “An urgent and necessary literary voice.”—Alexander Chee, *Electric Literature* “Tough, luminous stories.”—The New York Times Book Review “Spectacular.”—Vogue Xuan Juliana Wang's remarkable debut introduces us to the new and changing face of Chinese youth. From fuerdai (second-generation rich kids) to a glass-swallowing qigong grandmaster, her dazzling, formally inventive stories upend the immigrant narrative to reveal a new experience of belonging: of young people testing the limits of who they are, in a world as vast and varied as their ambitions. In stories of love, family, and friendship, here are the voices, faces and stories of a new generation never before captured between the pages in fiction. What sets them apart is Juliana Wang's surprising imagination, able to capture the innermost thoughts of her characters with astonishing empathy, as well as the contradictions of the modern immigrant experience in a way that feels almost universal. *Home Remedies* is, in the words of Alexander Chee, “the arrival of an urgent and necessary literary voice we've been needing, waiting for maybe, without knowing.” Praise for *Home Remedies* “A radiant new talent.”—Lauren Groff “These dazzling stories interrogate the fractures, collisions and glorious new alloys of what it means to be a Chinese millennial.”—Adam Johnson, author of the Pulitzer Prize-winning *The Orphan Master's Son* “*Home Remedies* doesn't read like a first collection; like Jhumpa Lahiri's *Interpreter of Maladies*, the twelve stories here announce the arrival of an exciting, electric new voice.”—Financial Times “Stylistically ambitious in a way rarely seen in prose fiction . . . Writing like this will never stop enlightening us. [Wang's] voice comes to us from the edge of a new world.”—Los Angeles Review of Books

Lincoln in the Bardo George Saunders, 2017-02-14 #1 NEW YORK TIMES BESTSELLER • WINNER OF THE MAN BOOKER PRIZE The “devastatingly moving” (People) first novel from the author of *Tenth of December*: a moving and original

father-son story featuring none other than Abraham Lincoln, as well as an unforgettable cast of supporting characters, living and dead, historical and invented Named One of Paste's Best Novels of the Decade • Named One of the Ten Best Books of the Year by The Washington Post, USA Today, and Maureen Corrigan, NPR • One of Time's Ten Best Novels of the Year • A New York Times Notable Book • One of O: The Oprah Magazine's Best Books of the Year February 1862. The Civil War is less than one year old. The fighting has begun in earnest, and the nation has begun to realize it is in for a long, bloody struggle. Meanwhile, President Lincoln's beloved eleven-year-old son, Willie, lies upstairs in the White House, gravely ill. In a matter of days, despite predictions of a recovery, Willie dies and is laid to rest in a Georgetown cemetery. "My poor boy, he was too good for this earth," the president says at the time. "God has called him home." Newspapers report that a grief-stricken Lincoln returns, alone, to the crypt several times to hold his boy's body. From that seed of historical truth, George Saunders spins an unforgettable story of familial love and loss that breaks free of its realistic, historical framework into a supernatural realm both hilarious and terrifying. Willie Lincoln finds himself in a strange purgatory where ghosts mingle, gripe, commiserate, quarrel, and enact bizarre acts of penance. Within this transitional state-called, in the Tibetan tradition, the bardo—a monumental struggle erupts over young Willie's soul. Lincoln in the Bardo is an astonishing feat of imagination and a bold step forward from one of the most important and influential writers of his generation. Formally daring, generous in spirit, deeply concerned with matters of the heart, it is a testament to fiction's ability to speak honestly and powerfully to the things that really matter to us. Saunders has invented a thrilling new form that deploys a kaleidoscopic, theatrical panorama of voices to ask a timeless, profound question: How do we live and love when we know that everything we love must end? "A luminous feat of generosity and humanism."—Colson Whitehead, The New York Times Book Review "A masterpiece."—Zadie Smith

Laptop from Hell Miranda Devine, 2021-11-30 As seen on Tucker Carlson Tonight! USA Today and Wall Street Journal Bestseller! The inside story of the laptop that exposed the president's dirtiest secret. When a drug-addled Hunter Biden abandoned his waterlogged computer at a Mac repair shop in Delaware in the spring of 2019, just six days before his father announced his candidacy for the United States presidency, it became the ticking time bomb in the shadows of Joe Biden's campaign. The dirty secrets contained in Hunter's laptop almost derailed his father's presidential campaign and ignited one of the greatest media coverups in American history. This is the unvarnished story of what's really inside the laptop and what China knows about the Bidens, by the New York Post journalist who brought it into the open. It exposes the coordinated censorship operation by Big Tech, the media establishment, and former intelligence operatives to stifle the New York Post's coverage, in a chilling exercise of raw political power three weeks before the 2020 election. A treasure trove of corporate documents, emails, text messages, photographs, and voice recordings, spanning a decade, the laptop provided the first evidence that President Joe Biden was involved in his son's ventures in China, Ukraine, and beyond, despite his repeated denials. This intimate insight into Hunter's dissolute lifestyle shows he was incapable of holding down a job, let alone being paid tens of millions of dollars in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world.

Navigating Ambiguity Andrea Small, Kelly Schmutte, Stanford d.school, 2022-04-19 A thought-provoking guide to help you lean in to the discomfort of the unknown to turn creative opportunities into intentional design, from Stanford University's world-renowned d.school. "Navigating Ambiguity reminds us not to run from uncertainty but rather see it as a defining moment of opportunity."—Yves Béhar, Founder and CEO, fuseproject A design process presents a series of steps, but in real life, it rarely plays out this neatly. Navigating Ambiguity underscores how the creative process isn't formulaic. This book shows you how to surrender control by being adaptable, curious, and unbiased as well as resourceful, tenacious, and courageous. Designers and educators Andrea Small and Kelly Schmutte use humor and clear steps to help you embrace uncertainty as you approach a creative project. First, they explain how the brain works and why it defaults to certainty. Then they show you how to let go of the need for control and instead employ a flexible strategy that relies on the balance between acting and adapting, and the give-and-take between opposing approaches to make your way to your goal. Beautiful cut-paper artwork illustrations offer ways to rethink creative work without hitting the usual roadblocks. The result is a more open and satisfying journey from assignment or idea to finished product.

Hart, 2012 A childhood that saw her abandoned on the doorstep of a convent and then abused by her adoptive parents left Christine Hart vulnerable and desperate to find somewhere that she belonged. Christine worked undercover for the British security services and then for a series of Fleet Street newspapers. The Manuscript Michael Stephen Fuchs, 2011-01-14 Two million dollars in a black bag. The meaning of life hidden on a deviously encrypted web site. And several dozen heavily armed guys with serious existential issues. The hunt is on for The Manuscript. The Manuscript is a philosophical cyber-thriller - a novel of huge ideas disguised as a blow-your-hair-back thrill ride. Its cast of unforgettable characters includes a gun-toting urban professional with a tragic weakness for Internet discussion groups; a former chemistry student and hacker turned wildly successful online narcotics dealer; a pair of slacker post-grads with big questions and rapidly escalating problems; a demonstrably unstoppable hitman; a dodgy federal agent with his hands in the cookie jar up to both elbows; a nameless cadre of menacing and well-armed mercenaries (possibly in the employ of one of the world's major religions); and an entire gang of Angry Young Taoists, serenely blasting hell out of all and sundry. What could bring a group like this together? Nothing less than the meaning of life - discovered in the remote highlands of South America by an infamous 19th-century explorer, and now said to be hidden in the vast out-of-bounds spaces at the far edge of a shadow Internet. This is the Manuscript. Caught up in a perilous race to recover and control it are a group of young people so beset by existential unease that they are willing to risk death to know the truth; and others, backed by powerful interests, who have little compunction about killing to keep it hidden. Get ready for an ungentle ride where a number of people will get enlightened, a few will get rich, and all too many will get dead. Along the way, be prepared for some uncommon commentary on the eternal verities, computer security, rules for gunfights, post-millennial information soot, and the possibility of human connection for a generation that believes in nothing - save what they read on the Net.

The Third Rainbow Girl Emma Copley Eisenberg, 2021-01-19 In the early evening of June 25, 1980, Vicki Durian, 26, and Nancy Santomero, 19, were killed in an isolated clearing in Pocahontas County, West Virginia. They were hitchhiking to a festival known as the Rainbow Gathering but never arrived. For thirteen years no one was

prosecuted for the 'Rainbow Murders,' though suspicion was cast on a succession of local men. In 1993, a local farmer was convicted, only to be released when a known serial killer and diagnosed schizophrenic named Joseph Paul Franklin claimed responsibility. With the passage of time, as the truth seemed to slip away, the toll became more inescapable--the unsolved murders were a trauma, experienced on a community scale. Emma Copley Eisenberg spent five years re-investigating these brutal acts, which once captured the national media's imagination, only to fall into obscurity. A one-time New Yorker who took a job in Pocahontas County, Eisenberg shows how a mysterious act of violence against a pair of middle-class outsiders, has loomed over all those involved for generations, shaping their identities, fates, and the stories they tell about themselves. In *The Third Rainbow Girl*, Eisenberg follows the threads of this crime through the complex history of Appalachia, forming a searing portrait of America and its divisions of gender and class, and of its violence

Endometriosis in Adolescents Ceana H. Nezhat, 2020-11-13 Adolescent endometriosis is a previously overlooked disease in children, the true prevalence of which is still unknown but has been estimated between 19-73%. There are numerous initial challenges faced by adolescents suffering from delayed or undiagnosed endometriosis apart from experiencing chronic pain, such as: school/work absenteeism, false diagnoses/treatments, erroneous physician referrals, unnecessary radiological studies, radiation exposure, and emergency room visits as well as early exposure to narcotic pain medications and subsequent drug tolerance, resistance or even addiction. This text presents a clear history of physician and patient understanding and awareness of endometriosis in adolescents. It lays the groundwork for this condition with background information on endometriosis in general followed by a more focused look at endometriosis in adolescents. Leading experts in the field provide chapters on the different locations where endometriotic lesions can present in adolescents as well as identified risk factors and concomitant diseases of which it is important to be aware. In addition to the clinical presentation, this book also provides information on breaking down existing barriers, such as stigma, and current activism and awareness of this condition. Adolescent Endometriosis is a first-of-its-kind text that focuses exclusively on endometriosis in the adolescent population. Written by experts in the field, this book is a comprehensive resource for clinicians in all medical disciplines that treat adolescent age girls.
