Kahlil Gibran

Playing Changes Nate Chinen,2019-07-23 One of the Best Books of the Year: NPR, GQ, Billboard, JazzTimes In jazz parlance, “playing changes” refers to an improviser’s resourceful path through a chord progression. In this definitive guide to the jazz of our time, leading critic Nate Chinen boldly expands on that idea, taking us through the key changes, concepts, events, and people that have shaped jazz since the turn of the century—from Wayne Shorter and Henry Threadgill to Kamasi Washington and Esperanza Spalding; from the phrase “America’s classical music” to an explosion of new ideas and approaches; from claims of jazz’s demise to the living, breathing scene that exerts influence on mass culture, hip-hop, and R&B. Grounded in authority and brimming with style, packed with essential album lists and listening recommendations, *Playing Changes* takes the measure of this exhilarating moment—and the shimmering possibilities to come.

The Secrets of the Heart Kahlil Gibran,2011-12-20 An early collection of Kahlil Gibran’s writings, showcasing the many styles of this prolific thinker, all profoundly beautiful Kahlil Gibran reveals his vision of the soul and understanding of the world—past, present, and future—in this rich sampling of more than twenty works. Prose tales, fables, and poems evoke the mystic East and form a world at once powerful, tender, joyous, and melancholy. This collection, penned when Gibran was still a young writer, reveals many of the themes and styles plumbed throughout his life, including his lifelong struggle against injustice in “The Crucified,” his heart-wrenching lament for a Lebanon shackled by tradition and politics in “My Countrymen,” and his masterful use of symbolism and simile in “The Secrets of the Heart.” A writer with infinite abilities, Gibran continually seeks true beauty, no matter the form.

The Dragon's Gift Terese Tse Bartholomew,John Johnston,Honolulu Academy of Arts,2008 The Dragon's Gift offers a rare opportunity to introduce, to the wider international audience, some of the most sacred Buddhist images of Bhutan. From the wealth of material surveyed, the organizers of the exhibition have selected over one hundred objects of superior aesthetic achievement and deep religious significance, the vast majority of which have never before been seen in the West. Nearly all of the works of art presented in this catalogue are from active temples and monasteries and remain in ritual use. Most of the items are painted or textile thangkas or gilt bronze sculptures which date primarily from the 17th to the 19th centuries - a golden age in the Buddhist arts of Bhutan. Ranging from depictions of Tantric deities to individualized portraits of Buddhist masters, the exhibition and catalogue present outstanding works of art with a wide iconographic scope. For the Buddhist people of Bhutan, these sacred items are conceived as supports along the journey to enlightenment, and are of vital spiritual significance. Complementing the presentation of sacred works of art is the documentation of the ancient Cham dances of Bhutan, to which the dance preservation team was given privileged entree. Having documented over three hundred hours of sacred and secular dances, they have made a first assay of one of the few surviving treasures of the trans-Himalayan movement tradition. These differing approaches to the visual and moving arts provide further insight into the unique experience of Buddhism in Bhutan. A brief sampling of the variety of extant dance lineages - some many centuries old - is included on the DVD contained within the catalogue.--Publisher's website.

Unveiling the Energy of Verbal Art: An Psychological Sojourn through Nagoya Castle Papercraft 300x300.jpg

In a global inundated with displays and the cacophony of quick communication, the profound energy and emotional resonance of verbal art often diminish into obscurity, eclipsed by the constant onslaught of sound and distractions.
