My Prizes Thomas Bernhard, 2010-11-23 A gathering of brilliant and viciously funny recollections from one of the twentieth century's most famous literary enfants terribles. Written in 1980 but published here for the first time, these texts tell the story of the various farces that developed around the literary prizes Thomas Bernhard received in his lifetime. Whether it was the Bremen Literature Prize, the Grillparzer Prize, or the Austrian State Prize, his participation in the acceptance ceremony—always less than gracious, it must be said—resulted in scandal (only at the awarding of the prize from Austria's Federal Chamber of Commerce did Bernhard feel at home: he received that one, he said, in recognition of the great example he set for shopkeeping apprentices). And the remuneration connected with the prizes presented him with opportunities for adventure—of the new-house and luxury-car variety. Here is a portrait of the writer as a prizewinner: laconic, sardonic, and shaking his head with biting amusement at the world and at himself. A revelatory work of dazzling comedy, the pinnacle of Bernhardian art.

The Ferocious Tyrannosaurus Rex Natalie Humphrey, 2021-07-15 The Tyrannosaurus rex was a deadly predator that is believed to have eaten nearly any prey it came across. Reaching more than 40 feet tall with a mouth full of razor-sharp teeth, the Tyrannosaurs rex was the king of dinosaurs. Through vivid illustrations of both what scientists believe these dinosaurs looked like and what their homes may have looked like, young readers will discover what life was like millions of years ago. With important facts about where the Tyrannosaurus rex was discovered and what is known about it, young readers will learn how the Tyrannosaurs rex ferociously ruled the Cretaceous era.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.
