Last Days: Zombie Apocalypse Ash Barker,2018-06-28 Last

Days: *Zombie Apocalypse* is a skirmish-scale miniatures game of survival horror. It pits players against each other in a nightmarish near-future where the dead have returned to life and are feasting on the living. Players build their own factions, representing desperate civilians, military personnel, or hardened survivors, and must explore, scavenge, and fight in order to survive another day. Rival gangs are only one of the dangers they face – mindless zombies wander the streets, driven by insatiable hunger and drawn by the sound of combat! A gang's ability to scavenge is as vital as their combat ability, and players must ensure that they have the resources to survive in this hostile world. Scenarios and campaigns allow you to develop your gang, gain experience and recruit new henchmen to build up your strength or replace the inevitable casualties of the zombie apocalypse.

From the Good Mountain James Rumford, 2012-09-18 What was made of rags and bones, soot and seeds? What took a mountain to make? For the answer, travel back to the fifteenth century—to a time when books were made by hand and a man named Johannes Gutenberg invented a way to print books with movable type. Written as a series of riddles and illustrated in the style of medieval manuscripts by an award-winning author and artist, *From the Good Mountain* will intrigue readers of all ages. On every page there is something surprising to learn about how the very thing you are holding in your hands came to be.

Where's My Mummy? Carolyn Crimi, 2009 One deep, dark night, as all of the monsters are preparing for bed, Little Baby Mummy bravely searches for his mother until he sees a truly terrifying creature.

Oathmark Joseph A. McCullough, 2020-04-30 Empires have fallen, and the land is broken. The great oathmarks that once stood as testaments to the allegiances and might of nations have crumbled into ruin. In this lost age, fealty and loyalty are as valuable as gold and as deadly as cold iron, and war is ever-present. Created by Joseph A. McCullough, designer of *Frostgrave*

and Frostgrave: Ghost Archipelago, Oathmark is a mass-battle fantasy wargame that puts you in command of the fantasy army you've always wanted, whether a company of stalwart dwarves or a mixed force with proud elves, noble men, and wild goblins standing shoulder-to-shoulder in the battle-line. Fight through an integrated campaign system and develop your realms from battle to battle, adding new territories, recruiting new troop types, and growing to eclipse your rivals... or lose what you fought so hard to gain and fall as so many would-be emperors before you.

Kawaii How to Draw Really Cute Fantasy Creatures Angela

Nguyen,2020-07 This fourth book in the 'Kawaii' series is packed

with adorable creatures from a range of cultures and mythologies. In the hands of author-teacher Angela Nguyen, even a three-headed dog is drawn in a style that will have any young artist cooing! This book teaches young readers what kawaii is all about and how to draw any mythical animal in an adorable style. There are clear step-by-step diagrams that are great for visual learners and make it super-easy to follow the instructions. The wonderful beasts are organized by the terrain in which they are found: air, water and land. There is also a section devoted to how young readers can create their own creatures: elephants with tiny wings, bunnies with unfeasibly large ears, and 'mash-ups' like giant bats. Angela has created 'feature spreads' showing imagined landscapes where some of these creatures might safely graze. Taking cuteness to the next level, this wonderful resource makes drawing instantly achievable and great fun.
