**The World Record Paper Airplane Book** Jeff Lammers, 2006-01-01 Presents step-by-step instructions for folding twenty different kinds of paper airplanes and provides illustrated papers for 112 planes.

*The Caesars Palace Coup* Sujeet Indap, Max Frumes, 2021-03-16 It was the most brutal corporate restructuring in Wall Street history. The 2015 bankruptcy brawl for the storied casino giant, Caesars Entertainment, pitted brilliant and ruthless private equity legends against the world's most relentless hedge fund wizards. In the tradition of *Barbarians at the Gate* and *The Big Short* comes the riveting, multi-dimensional poker game between private equity firms and distressed debt hedge funds that played out from the Vegas Strip to Manhattan boardrooms to Chicago courthouses and even, for a moment, the halls of the United States Congress. On one side: Apollo Global Management and TPG Capital. On the other: the likes of Elliott Management, Oaktree Capital, and Appaloosa Management. The Caesars bankruptcy put a twist on the old-fashioned casino heist. Through a \$27 billion leveraged buyout and a dizzying string of financial engineering transactions, Apollo and TPG—in the midst of the post-Great Recession slump—had seemingly snatched every prime asset of the company from creditors, with the notable exception of Caesars Palace. But Caesars' hedge fund lenders and bondholders had scooped up the company's paper for nickels and dimes. And with their own armies of lawyers and bankers, they were ready to do everything necessary to take back what they believed was theirs—if they could just stop their own infighting. These modern financiers now dominate the scene in Corporate America as their fight-to-the-death mentality continues to shock workers,

politicians, and broader society—and even each other. In *The Caesars Palace Coup*, financial journalists Max Frumes and Sujeet Indap illuminate the brutal tactics of distressed debt mavens—vultures, as they are condemned—in the sale and purchase of even the biggest companies in the world with billions of dollars hanging in the balance.

**What It Takes** Stephen A. Schwarzman, 2019-09-17  
NEW YORK TIMES BESTSELLER From Blackstone chairman, CEO, and co-founder Stephen A. Schwarzman, a long-awaited book that uses impactful episodes from Schwarzman's life to show readers how to build, transform, and lead thriving organizations. Whether you are a student, entrepreneur, philanthropist, executive, or simply someone looking for ways to maximize your potential, the same lessons apply. People know who Stephen Schwarzman is—at least they think they do. He's the man who took \$400,000 and co-founded Blackstone, the investment firm that manages over \$500 billion (as of January 2019). He's the CEO whose views are sought by heads of state. He's the billionaire philanthropist who founded Schwarzman Scholars, this century's version of the Rhodes Scholarship, in China. But behind these achievements is a man who has spent his life learning and reflecting on what it takes to achieve excellence, make an impact, and live a life of consequence. Folding handkerchiefs in his father's linen shop, Schwarzman dreamed of a larger life, filled with purpose and adventure. His grades and athleticism got him into Yale. After starting his career in finance with a short stint at a financial firm called DLJ, Schwarzman began working at Lehman Brothers where he ascended to run the mergers and acquisitions practice. He eventually partnered with his mentor and friend Pete Peterson to found Blackstone, vowing to create a new and different kind of financial

institution. Building Blackstone into the leading global financial institution it is today didn't come easy. Schwarzman focused intensely on culture, hiring great talent, and establishing processes that allow the firm to systematically analyze and evaluate risk. Schwarzman's simple mantra "don't lose money" has helped Blackstone become a leading private equity and real estate investor, and manager of alternative assets for institutional investors globally. Both he and the firm are known for the rigor of their investment process, their innovative approach to deal making, the diversification of their business lines, and a conviction to be the best at everything they do. Schwarzman is also an active philanthropist, having given away more than a billion dollars. In philanthropy, as in business, he is drawn to situations where his capital and energy can be applied to drive transformative solutions and change paradigms, notably in education. He uses the skills learned over a lifetime in finance to design, establish, and support impactful and innovative organizations and initiatives. His gifts have ranged from creating a new College of Computing at MIT for the study of artificial intelligence, to establishing a first-of-its-kind student and performing arts center at Yale, to enabling the renovation of the iconic New York Public Library, to founding the Schwarzman Scholars fellowship program at Tsinghua University in Beijing—the single largest philanthropic effort in China's history from international donors. Schwarzman's story is an empowering, entertaining, and informative guide for anyone striving for greater personal impact. From deal making to investing, leadership to entrepreneurship, philanthropy to diplomacy, Schwarzman has lessons for how to think about ambition and scale, risk and opportunities, and how to achieve success through the relentless pursuit of excellence.

Schwarzman not only offers readers a thoughtful reflection on all his own experiences, but in doing so provides a practical blueprint for success.

**Den of Thieves** James B. Stewart, 2012-11-20 A #1 bestseller from coast to coast, *Den of Thieves* tells the full story of the insider-trading scandal that nearly destroyed Wall Street, the men who pulled it off, and the chase that finally brought them to justice. Pulitzer Prize-winner James B. Stewart shows for the first time how four of the eighties' biggest names on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine—created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America's most expensive lawyers to bring this powerful quartet to justice. Based on secret grand jury transcripts, interviews, and actual trading records, and containing explosive new revelations about Michael Milken and Ivan Boesky, *Den of Thieves* weaves all the facts into an unforgettable narrative—a portrait of human nature, big business, and crime of unparalleled proportions.

Books for Living Will Schwalbe, 2017-09-05 From the author of the beloved New York Times best-selling *The End of Your Life Book Club*, an inspiring and magical exploration of the power of books to shape our lives in an era of constant connectivity. [A] gift, and one that keeps giving." —USA Today For Will Schwalbe, reading is a way to entertain himself but also to make sense of the world, and to find the answers to life's questions big and small. In each chapter, he discusses a particular book and how it relates to concerns we all share. These books span centuries and genres—from *Stuart Little* to *The Girl on the Train*, from *David Copperfield* to *Wonder*, from *Giovanni's Room* to *Rebecca*, and from 1984 to *Gifts*

from the Sea. Throughout, Schwalbe tells stories from his life and focuses on the way certain books can help us honor those we've loved and lost, and also figure out how to live each day more fully.

The Fourth Princess Eileen Maschger, 2018-11-26 No one is what they seem in this unpredictable adaptation of a classic fairytale. A rebellious Princess Josephine, known as the fourth princess throughout the kingdoms, becomes unexpected friends with a naive Prince Wendell. Their worlds are turned upside down as everything they thought they knew about their families turn out to be only the beginning. Through their encounters with a mad king, selfish queen, and a clever fool, their story shows that looking the part isn't always the same as acting the part.

**The Boston Stranglers** Susan Kelly, 2013-08-08 Was Albert DeSalvo Really the Boston Strangler? Handyman Albert DeSalvo confessed to eleven brutal rape/murders that terrorized Boston from 1962 to 1964. The repeat sex offender boasted he had raped an additional 2,000 women. His story became the subject of a bestselling book, a major Hollywood movie, and a Hulu docuseries. But DeSalvo was not The Boston Strangler. Author Susan Kelly's detailed investigation shows us the true DeSalvo—a pathological liar whose hunger for celebrity drove him to false confessions—and indicates that the stranglings were committed by more than one killer. Exploring stunning DNA findings, a shocking re-autopsy, expert profiling evidence, and other recent developments, she shows why this savage, unsolved case continues to fascinate and haunt us.

Of the Nature of Things T. Lucretius Carus, 2022-09-15 *Of the Nature of Things* is a first-century BCE didactic poem by the Roman poet and philosopher Lucretius to explain Epicurean philosophy to a Roman audience. In this work, T. Lucretius Carus presents the view that the world

can be described by the function of material forces and natural laws. So, one should not fear the gods or death.

Big Money Kenneth Vogel, 2014-06-03 Mark Hanna—the turn-of-the-century iron-and-coal-magnate-turned-operative who leveraged massive contributions from the robber barons—was famously quoted as saying: “There are two things that are important in politics. The first is money, and I can’t remember what the second one is.” To an extent that would have made Hanna blush, a series of developments capped by the Supreme Court’s 2010 Citizens United decision effectively crowned a bunch of billionaires and their operatives the new kings of politics. Big Money is a rollicking tour of a new political world dramatically reordered by ever-larger flows of cash. Ken Vogel has breezed into secret gatherings of big-spending Republicans and Democrats alike—from California poolsides to DC hotel bars—to brilliantly expose the way the mega-money men (and rather fewer women) are dominating the new political landscape. Great wealth seems to attach itself to outsize characters. From the casino magnate Sheldon Adelson to the bubbling nouveau cowboy Foster Friess; from the Texas trial lawyer couple, Amber and Steve Mostyn, to the micromanaging Hollywood executive Jeffrey Katzenberg—the multimillionaires and billionaires are swaggering up to the tables for the hottest new game in politics. The prize is American democracy, and the players’ checks keep getting bigger.

**When the Wolves Bite** Scott Wapner, 2018-04-24 The inside story of the clash of two of Wall Street's biggest, richest, toughest, most aggressive players--Carl Icahn and Bill Ackman--and Herbalife, the company caught in the middle With their billions of dollars and their business savvy, activist investors Carl Icahn and Bill Ackman have the ability to move markets with the

flick of a wrist. But what happens when they run into the one thing in business they can't control: each other? This fast-paced book tells the story of the clash of these two titans over Herbalife, a nutritional supplement company whose business model Ackman questioned. Icahn decided to vouch for them, and the dispute became a years-long feud, complete with secret backroom deals, public accusations, billions of dollars in stock trades, and one dramatic insult war on live television. Wapner, who hosted that memorable TV show, has gained unprecedented access to all the players and unravels this remarkable war of egos, showing the extreme measures the participants were willing to take. When the Wolves Bite is both a rollicking, entertaining read--a great business story of money and power and pride.

**Marine Park** Mark Chiusano, 2014-07-29 • Recipient of a 2015 PEN/Hemingway Award Honorable Mention • "Chiusano . . . [has] formidable talents. It will be worth watching what he does when he leaves the neighborhood."—John Williams, *The New York Times* An astute, lively, and heartfelt debut story collection by an exciting new voice in contemporary fiction *Marine Park*—in the far reaches of Brooklyn, train-less and tourist-free—finds its literary chronicler in Mark Chiusano. Chiusano's dazzling stories delve into family, boyhood, sports, drugs, love, and all the weird quirks of growing up in a tight-knit community on the edge of the city. In the tradition of Junot Díaz's *Drown*, Stuart Dybek's *The Coast of Chicago*, and Russell Banks's *Trailerpark*, this is a poignant and piercing collection—announcing the arrival of a distinct new voice in American fiction.

**Cuyahoga** Pete Beatty, 2020-10-06 Longlisted for the PEN/Hemingway Award for Debut Novel "Cuyahoga is tragic and comic, hilarious and inventive—a 19th-century legend for 21st-century America" (*The*

Boston Globe). Big Son is a spirit of the times—the times being 1837. Behind his broad shoulders, shiny hair, and church-organ laugh, Big Son practically made Ohio City all by himself. The feats of this proto-superhero have earned him wonder and whiskey, but very little in the way of fortune. And without money, Big cannot become an honest husband to his beloved Cloe (who may or may not want to be his honest wife). In pursuit of a steady wage, our hero hits the (dirt) streets of Ohio City and Cleveland, the twin towns racing to become the first great metropolis of the West. Their rivalry reaches a boil over the building of a bridge across the Cuyahoga River—and Big stumbles right into the kettle. The resulting misadventures involve elderly terrorists, infrastructure collapse, steamboat races, wild pigs, and multiple ruined weddings. Narrating this “very funny, rambunctious debut novel” (Los Angeles Times) tale is Medium Son—known as Meed—apprentice coffin maker, almanac author, orphan, and the younger brother of Big. Meed finds himself swept up in the action, and he is forced to choose between brotherly love and his own ambitions. His uncanny voice—plain but profound, colloquial but poetic—elevates a slapstick frontier tale into a “breezy fable of empire, class, conquest, and ecocide” (The New York Times Book Review). Evoking the Greek classics and the Bible alongside nods to Looney Tunes, Charles Portis, and Flannery O’Connor, Pete Beatty has written “a hilarious and moving exploration of family, home, and fate [and] you won’t read anything else like it this year” (BuzzFeed).

**X Saves the World** Jeff Gordinier, 2008 Examines the generation that came of age between the Baby Boomers and the Millennials, providing a tribute to its cultural, technological, and political contributions, from Yahoo! and Lollapalooza to Nirvana and Woodstock '94.

The Venture Caf? Teresa Esser, 2002-03-14 Written for anyone interested in cutting edge entrepreneurship, this work offers an inside account of what business and technology mavericks are really talking about.

**City of Rivers** Zubair Ahmed, 2012 Original poems from an author who is shaped by both Bangladeshi and American culture.

*The Brick Bible* , 2011-10 Retells the stories from Old Testament with illustrations created with LEGO toys.
