Laptop from Hell Miranda Devine,2021-11-30 As seen on Tucker Carlson Tonight! USA Today and Wall Street Journal Bestseller! The inside story of the laptop that exposed the president's dirtiest secret. When a drug-addled Hunter Biden abandoned his waterlogged computer at a Mac repair shop in Delaware in the spring of 2019, just six days before his father announced his candidacy for the United States presidency, it became the ticking time bomb in the shadows of Joe Biden's campaign. The dirty secrets contained in Hunter's laptop almost derailed his father's presidential campaign and ignited one of the greatest media coverups in American history. This is the unvarnished story of what's really inside the laptop and what China knows about the Bidens, by the New York Post journalist who brought it into the open. It exposes the coordinated censorship operation by Big Tech, the media establishment, and former intelligence operatives to stifle the New York Post's coverage, in a chilling exercise of raw political power three weeks before the 2020 election. A treasure trove of corporate documents, emails, text messages, photographs, and voice recordings, spanning a decade, the laptop provided the first evidence that President Joe Biden was involved in his son's ventures in China, Ukraine, and beyond, despite his repeated denials. This intimate insight into Hunter's dissolute lifestyle shows he was incapable of holding down a job, let alone being paid tens of millions of dollars in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world.

Beyond Bach Andrew Talle,2017-04-07 Reverence for J. S. Bach's music and its towering presence in our cultural memory have long affected how people hear his works. In his own time, however, Bach stood as just another figure among a number of composers, many of them more popular with the music-loving public. Eschewing the great composer style of music history, Andrew Talle takes us on a journey that looks at how ordinary people made music in Bach's Germany. Talle focuses in particular on the culture of keyboard playing as lived in public and private. As he ranges through a wealth of documents, instruments, diaries, account ledgers, and works of art, Talle brings a fascinating cast of characters to life. These individuals--amateur and professional performers, patrons, instrument builders, and listeners--inhabited a lost world, and Talle's deft expertise teases out the diverse roles music played in their lives and in their relationships with one another. At the same time, his nuanced recreation of keyboard playing's social milieu illuminates the era's reception of Bach's immortal works.

Home Remedies Xuan Juliana Wang,2019-05-14 A FINALIST FOR THE NEW YORK PUBLIC LIBRARY YOUNG LIONS FICTION AWARD • SHORTLISTED FOR THE PEN/ROBERT W. BINGHAM PRIZE FOR DEBUT SHORT STORY COLLECTION • WINNER OF THE CALIFORNIA BOOK AWARDS GOLD MEDAL IN FIRST FICTION • WINNER OF THE JOHN ZACHARIS FIRST BOOK AWARD • LONGLISTED FOR THE STORY PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL "An urgent and necessary literary voice."—Alexander Chee, *Electric Literature* "Tough, luminous stories."—The New York Times Book Review "Spectacular."—Vogue Xuan Juliana Wang's remarkable debut introduces us to the new and changing face of Chinese youth. From fuerdai (second-

generation rich kids) to a glass-swallowing qigong grandmaster, her dazzling, formally inventive stories upend the immigrant narrative to reveal a new experience of belonging: of young people testing the limits of who they are, in a world as vast and varied as their ambitions. In stories of love, family, and friendship, here are the voices, faces and stories of a new generation never before captured between the pages in fiction. What sets them apart is Juliana Wang's surprising imagination, able to capture the innermost thoughts of her characters with astonishing empathy, as well as the contradictions of the modern immigrant experience in a way that feels almost universal. *Home Remedies* is, in the words of Alexander Chee, "the arrival of an urgent and necessary literary voice we've been needing, waiting for maybe, without knowing." Praise for *Home Remedies* "A radiant new talent."—Lauren Groff "These dazzling stories interrogate the fractures, collisions and glorious new alloys of what it means to be a Chinese millennial."—Adam Johnson, author of the Pulitzer Prize-winning *The Orphan Master's Son* "*Home Remedies* doesn't read like a first collection; like Jhumpa Lahiri's *Interpreter of Maladies*, the twelve stories here announce the arrival of an exciting, electric new voice."—Financial Times "Stylistically ambitious in a way rarely seen in prose fiction . . . Writing like this will never stop enlightening us. [Wang's] voice comes to us from the edge of a new world."—Los Angeles Review of Books

The Shadow Land Elizabeth Kostova, 2017-04-11 From the #1 bestselling author of *The Historian* comes a mesmerizing novel that spans the past and the present—and unearths the troubled history of a gorgeous but haunted country. A young American woman, Alexandra Boyd, has traveled to Sofia, Bulgaria, hoping that life abroad will salve the

wounds left by the loss of her beloved brother. Soon after arriving in this elegant East European city, however, she helps an elderly couple into a taxi—and realizes too late that she has accidentally kept one of their bags. Inside she finds an ornately carved wooden box engraved with a name: Stoyan Lazarov. Raising the hinged lid, she discovers that she is holding an urn filled with human ashes. As Alexandra sets out to locate the family and return this precious item, she will first have to uncover the secrets of a talented musician who was shattered by political oppression—and she will find out all too quickly that this knowledge is fraught with its own danger. Elizabeth Kostova's new novel is a tale of immense scope that delves into the horrors of a century and traverses the culture and landscape of this mysterious country. Suspenseful and beautifully written, it explores the power of stories, the pull of the past, and the hope and meaning that can sometimes be found in the aftermath of loss. Praise for *The Shadow Land* "A compelling and complex mystery, strong storytelling, and lyrical writing combine for an engrossing read."—Publishers Weekly "In *The Shadow Land*, Elizabeth Kostova, a master storyteller, brings vividly to life an unfamiliar country—Bulgaria—and a painful history that feels particularly relevant now. You won't want to put down this remarkable book."—Claire Messud, author of *The Woman Upstairs* "In this brilliant work, what appears at first a minor mystery quickly becomes emblematic of a whole country's hidden history. Lyrical and compelling, *The Shadow Land* proves a profound meditation on how evil is inflicted, endured, and, through courage and compassion, defeated. Elizabeth Kostova's third novel clearly establishes her as one of America's finest writers."—Ron Rash, author of *The Risen*

Yes I Can Laura Ritchie, 2021-01-23 *Yes I Can: Learn to use the power of self-efficacy*, is a practical and personal book founded on solid psychological concepts. Dr Laura Ritchie is a cellist, Chartered Psychologist, Professor of Learning and Teaching, and importantly she is someone who found her YES. *Yes I Can* addresses the topics of perception, perspective, self-efficacy beliefs, metacognition, self-regulation, and agency by presenting these psychological concepts through a uniquely inviting and approachable, storytelling voice. Laura interweaves psychological theory with personal stories, told in a memoir-like way, drawing upon experience from her musical, academic, and personal life. The important aspect of these stories is not that they are about 'Laura' but act as a bridge between research and everyday practice, and serve as a lens for the reader to look both at and into their own experience. This book will transform your understanding and perception of 'can' to become a fundamental part of life. More than a mindset, it is about understanding the processes underlying self-beliefs, which allow you to move from wherever you are through the vision of possibility to achieve your goals. Strategic thinking, instead of grit or willpower, serves to allow you to adopt the yes in your daily life.

Zwingli F. Bruce Gordon,2021-11-30 A major new biography of Huldrych Zwingli—the warrior preacher who shaped the early Reformation Huldrych Zwingli (1484–1531) was the most significant early reformer after Martin Luther. As the architect of the Reformation in Switzerland, he created the Reformed tradition later inherited by John Calvin. His movement ultimately became a global religion. A visionary of a new society, Zwingli was also a divisive and fiercely radical figure. Bruce Gordon presents a fresh interpretation of the early Reformation and the key role played by Zwingli. A charismatic preacher and politician, Zwingli transformed church and society in Zurich and inspired supporters throughout Europe. Yet, Gordon shows, he was seen as an agitator and heretic by many and his bellicose, unyielding efforts to realize his vision would prove his undoing. Unable to control the movement he had launched, Zwingli died on the battlefield fighting his Catholic opponents.

Language, the Singer and the Song Richard J. Watts,Franz Andres Morrissey,2019-01-31 The relationship between language and music has much in common - rhythm, structure, sound, metaphor. Exploring the phenomena of song and performance, this book presents a sociolinguistic model for analysing them. Based on ethnomusicologist John Blacking's contention that any song performed communally is a 'folk song' regardless of its generic origins, it argues that folk song to a far greater extent than other song genres displays 'communal' or 'inclusive' types of

performance. The defining feature of folk song as a multi-modal instantiation of music and language is its participatory nature, making it ideal for sociolinguistic analysis. In this sense, a folk song is the product of specific types of developing social interaction whose major purpose is the construction of a temporally and locally based community. Through repeated instantiations, this can lead to disparate communities of practice, which, over time, develop sociocultural registers and a communal stance towards aspects of meaningful events in everyday lives that become typical of a discourse community.

The Summer of the Barshinskeys Diane Pearson,2013-01-28 'Although the story of the Barshinskeys, which became our story too, stretched over many summers and winters, that golden time of 1902 was when our strange involved relationship began, when our youthful longing for the exotic took a solid and restless hold upon us...' It is at this enchanted moment that *The Summer of the Barshinskeys* begins. A beautifully told, compelling story that moves from a small Kentish village to London, and from war-torn St Petersburg to a Quaker relief unit in the Volga provinces, it is an unforgettable story of two families.
