Is there a heaven or a hell? Why are Islamic terrorists not following the teachings of Muhammad? Why does the US Government only back scoundrels in other countries? Why is Johannes Gutenberg the most important individual who ever lived? Of the American, French, and Russian revolutions, why is the French Revolution the most important? What were the three worst decisions made during World War II? What were the two worst decisions made by US presidents? Why did all 22 US intelligence agencies fail to prevent 9/11, even though the preparations were in plain sight? If we meet aliens from other worlds, will we be the colonists or the Indians?
