

Building A Vintage Cape Cod House.jpg

Yan Bai

Capes Jane Gitlin, 2003 Re-introduces readers to the classic Cape Cod home, featuring more than twenty case studies of updated houses.

The Cape Cod House Stanley Schuler, 1982 Designed for those who may wish to build their own Cape Cod home, here are many variations of the basic floor plan, plus 174 photos to show the nearly limitless possibilities this traditional style home offers. Examples range from tiny single style to double, triple, modified, and modern interpretations. The Cape Cod house is clearly adaptable to every taste and every budget.

A Book of Cape Cod Houses Doris Doane, 2008-05 Ask any child to draw a house, and what you will probably get is a symmetrical structure of one and a half stories with a door in the middle and a window on either side - in other words, a Cape. From the mid-1600s to the 1850s, capes were the standard New England home, providing farmers and fishermen, city dwellers and country folk with houses that were easy to build, economical, and whose low-slung design stood up to the bracing winds that swept in from the ocean. After World War II, these straightforward practical designs were adapted to twentieth-century living. Here is the history of these charming homes, accompanied by detailed and elegant pencil drawings illuminating everything from the wallpapers to the floor plans.

The Cape Cod Cottage William Morgan, 2006-05-04 The Cape Cod cottage has been one of America's most popular home styles for almost four hundred years. While a perennial domestic favorite, historians have long ignored the modest Cape Cod, relegating it to a vernacular footnote along with barns and mills. In *The Cape Cod Cottage* architectural historian and photographer William Morgan places this uniquely American house a remarkable combination of necessity and tradition in its historical context and makes a compelling argument for the reassessment of its place in the history of American architecture. *The Cape Cod Cottage* follows

the uniquely American house type from its earliest beginnings in the colonial period, through its spread across New England, to its embrace as a suburban ideal in the twentieth century, and its reinterpretation by contemporary architects. Historical images of lost Capes augment beautiful new photographs taken specifically for the book. As a tribute to a special house, The Cape Cod Cottage is an appeal to preserve the Cape's legacy and an essential document of this unique architectural icon.

The Evolution of the Cape Cod House Arthur P. Richmond, 2011
Introduction -- Sixteenth-century England -- Early seventeenth century -- Late seventeenth century -- Characteristics of the Cape Cod house -- Historic homes -- Other Cape Cod towns with historic Cape Cod homes -- Conclusion

Colonial Style Treena Crochet, 2005
California Cape Cods and 21st-century Colonials proclaim the enduring popularity of colonial architecture. Colonial Style provides both inspiration and practical advice to homeowners looking to increase their home's livability while retaining its classic charm. The book explains the differences between three styles - Colonial, Cape Cod, and Saltbox - and chapters cover doors and windows, trim work, built-ins, floor and wall treatments, paint colors, and incorporating today's kitchens and baths into a timeless colonial interior.

The DIY Style Finder KariAnne Wood, 2019-03-05
Let Your Style Shine KariAnne Wood could tell you a lot about decorating. After all, she's an expert. But this book isn't about her. It's about you. It's about the colors, textures, and patterns that make your heart sing. It's about the creative ideas you can't wait to try in your own home. It's about finding your one-of-a-kind style and then just going for it. And KariAnne is here to help you. Featuring her home and those of four of her blogger friends—Yvonne Pratt (StoneGable), Bre Doucette (Rooms for Rent), Laura Putnam (Finding Home Farms), and Carmel Phillips (Our Fifth House), KariAnne takes you on a tour representing five major design styles—Farmhouse, Traditional, Coastal, Transitional, and

Contemporary. From the entryway to the living room to the kitchen to outdoor spaces, you'll find tips and decorating inspiration for each of these different styles—to encourage you to create a home that's amazingly, wonderfully, uniquely YOU.

Creating a New Old House Russell Versaci, 2007 Through hundreds of inspiring photos and engaging text, the author describes what gives traditional homes their enduring appeal, and illustrates the creative work of builders who are forging the movement toward building new homes that capture old-home sensibility.

The Homes of Our Forefathers ,1880

A History Through Houses Jaci Conry, 2010-07-30 The rugged beauty of the Cape's landscape has been captured in writing since the days of Henry David Thoreau. Yet few mention the area's architecture, aside from references to the Cape Cod houses, the basic cottages that the earliest settlers built. From Provincetown at the northern tip to the village of Woods Hole at the opposite end, the residential architecture of Cape Cod encompasses an extensive range of styles. Scattered among the charming Capes are stately Federals and Greek Revivals built for sea captains, detailed Carpenter Gothic cottages constructed by Methodist camp-goers and sprawling Victorian and Shingle-style summer mansions built during the Gilded Age. Journey with Cape Cod native Jaci Conry as she reveals the architectural influences of different eras on this timeless peninsula.

Saltbox and Cape Cod Houses Stanley Schuler, 1988

124 Distinctive House Designs and Floor Plans, 1929

, 2002-01-01 An annual publication intended as a reference work for contractors, suppliers, architects, and homeowners, the 1929 Home Builders Catalog offered a beautifully illustrated look at a variety of homes. Painstakingly reproduced from a rare edition, this volume offers old-house restorers, preservationists, and lovers of 1920s architecture an authentic view of American homes of the era.

Cape Cod Modern Peter McMahon, Christine Cipriani, 2014 In the summer of 1937, Walter Gropius, founder of the Bauhaus, rented a house on Planting Island, near the base of Cape Cod. Thus began a chapter in the history of modern architecture that has never been told _until now. The area was a hotbed of intellectual currents from New York, Boston, Cambridge and the country's top schools of architecture and design. Avant-garde homes began to appear in the woods and on the dunes; by the 1970s, there were about 100 modern houses of interest here.

Home Building Ideas ,1948

My Soulful Home Kelly Wilkniss, 2017-07-05 *My Soulful Home*, A Year in Flowers offers detailed instruction for those new to floral arrangements and fresh inspiration to the experienced. Join award winning blogger Kelly Wilkniss as she seeks to elevate the every day with fresh cut beauty, illustrated with 105 gorgeous pictures.

New Rooms for Old Houses Frank Shirley, 2007 Provides advice for adding additions to older homes, considering balance, transition, public versus private space, and materials; and including photographs, floor plans, and illustrations.

Found, Free, and Flea Tereasa Surratt, 2011 The Ogilvy advertising director and author of *A Very Modest Cottage* describes how during the renovation of a derelict campground she found and restored 151 discarded items that became foundation pieces, in an account that explains her strategies for recognizing and displaying worthwhile items.

Cape Cod Architecture Clair Baisly, 1989

Building Your Own Home For Dummies Kevin Daum, Janice Brewster, Peter Economy, 2011-03-04 Keep construction on track with helpful checklists Turn your dream of a custom home into reality! Thinking about building your own home? This easy-to-follow guide shows you how to plan and build a beautiful home on any budget. From acquiring land to finding the best architect to overseeing the construction, you get lots of savvy tips on managing your new investment wisely -- and staying sane during

the process! Discover how to: * Find the best homesite * Navigate the plan approval process * Obtain financing * Hire the right contractor * Cut design and construction costs * Avoid common mistakes

Old-House Journal, 1989-09 Old-House Journal is the original magazine devoted to restoring and preserving old houses. For more than 35 years, our mission has been to help old-house owners repair, restore, update, and decorate buildings of every age and architectural style. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical overviews, and homeowner stories--all in a trusted, authoritative voice.
